*The City and Its People* was one of the first public art commissions of the renowned African-American artist, the late Romare Bearden. The Civic Arts Commission of the City of Berkeley commissioned this mural in 1973 to be created and placed in the City Council Chambers as an active and accessible part of the city's civic life. In addition to the placement of the mural in an open and well-used civic area, the logo of the City of Berkeley contains a multicultural design derived from a segment of this mural's imagery. The National Gallery of Art in Washington, D.C. has prepared a retrospective of Romare Bearden's life work. The exhibition has been on national tour following the opening in September of 2003 in Washington, D.C. The San Francisco Museum of Modern Art is featuring the retrospective in February of 2004. The exhibition will then move on to the Dallas Museum of Art in June of 2004, to the Whitney Museum of American Art in October of 2004, and will conclude at the High Museum of Art in Atlanta, in January 2005. *The City and Its People* is of great importance to this exhibition due to its size, the fact that the artist, himself, worked on all aspects of this artwork and because the City of Berkeley has incorporated this mural into the fabric of its civic life.

# HISTORY OF THE PUBLIC ART PROGRAM

In 1985 the City of Berkeley passed a Visual Art Ordinance that established a process for the selection of Public Art in the City. In 1999 the Public Art Resolution was passed to begin the 1.5% Funding for the Public Art Program.

In January of 1998, the vacant Civic Arts Coordinator position was filled with one of the primary objectives being to research, write and present to the Civic Arts Commission and the City Council a Resolution for Funding a Public Art Program for the City of Berkeley. In order to bring the best current practices in the field to Berkeley, the Civic Arts Coordinator attended four professional conferences and a half-day California Arts Council consultation\*. The Civic Arts Coordinator with the assistance of the then director of the UC Berkeley Art Museum formed the beginnings of the Berkeley Cultural Trust, one of its purposes being to serve as a community advisory group to the public art effort.

The Downtown Measure S projects were the first phase of the Public Art Program. These projects were funded by a voter bond issue passed for Downtown improvements. Through the Measure S Bond Fund, the Addison Streetscape improvements were initiated and completed. These projects included the sidewalk poetry and artworks on Addison Street, the hard-carved Library Gates in the Central Public Library, and the two large downtown sculptures located at the entrance of the Arts District.

The Public Art Program contains both functional and stand alone fine art, both of which are demonstrated by the Public Art projects completed through Measure S. Functional public art serves two purposes. It is specifically designed for the site and fulfills a utilitarian purpose. Excellent examples of functional public art are the hand-carved Library Gates in the Central Public Library and the sidewalk artworks that adorn both sides of Addison Street in the Downtown Arts District. Stand-alone fine art is independent and not usually incorporated into the structure or use of a project or building component, serving instead as a source of inspiration and beauty. The two downtown sculptures, *s'herbogenbosch* and *Earthsong for Berkeley* by artists John Toki and Wang PoShu, are both examples of stand-alone fine art. Whenever possible an artist or team of artists will work with the architects at the beginning of the design process so that the artwork can become an integral part of the built environment. All public artworks become part of the built environment and a "value added" benefit to capital improvement projects.

The process of Public Art is very challenging and the staff as well as the Civic Arts Commission have included the community in this ongoing dialogue. As part of this process, a Public Art Committee of the Civic Arts Commission was formed to assist with the selection of public art sites as well as development of the program as a whole. With assistance from the Public Art Committee, City staff develops and announces a Call for Entries for each project. The selection of each artwork is assigned

to a Selection Panel specific to each project. Selection Panels are chosen with input from the Civic Arts Commission, City staff, the community, and the project architect. All entries are judged for merit and appropriateness by the Selection Panel. The selected finalist is submitted to the Civic Arts Commission for final approval and the artwork is then commissioned.

Public workshops on how to apply and become a public artist are part of our program, as well as open meetings and community participation. An open, regional workshop is held for each round of public art projects.

Some competitions are international, some regional, and some open to entry by Berkeley artists only. Each Call for Entries clearly states the site, the eligibility of artists, the time line for the project, the process for evaluation, the funds involved, etc. and are widely distributed through appropriate mail, the world wide web, art journals and newspaper announcements. The goal is an open and balanced program that will enhance the City of Berkeley and strengthen Berkeley artists. By keeping part of our competitive Call for Entries open to other cities, we will encourage other cities to allow Berkeley artists to compete for commissions in their cities as well. The Public Art process follows the visual art ordinances in place and the Arts Commission will continue to operate in accordance with all open and public meeting laws.

The passage of the Percent for Art Fund (Resolution No. 60,048-N.S. )\*\* in May of 1999 enables the Public Art Program to live beyond the limited Measure S bond fund, which by law could only be used for Downtown improvements. Each year, 1.5% of the City of Berkeley eligible Capital Improvement funds are put into a Public Art Fund. The annual Public Art Plan will continue to enrich the architectural and cultural environment of the City.

We look forward to a positive, inclusive, and respectful process.

# THE PUBLIC ART SELECTION PROCESS

## *1985 City Ordinance on Visual Art*

### **The Selection Process** (follows 1985 City Ordinance on Visual Art in Public Places)

1. The Civic Arts Commission has oversight responsibility for the Public Art Program in cooperation with the Civic Art Coordinator and City staff. The Civic Arts Commission appoints a four person Public Art Committee from its members that has direct oversight of the Public Art Program and which reports back to the full Commission.
2. This Public Art Committee, along with the Civic Arts Coordinator, City staff and an experienced project consultant, appoints the selection panels, based on consideration of each site and project and determined by the candidates' experience and training.
3. Selection Panels, consisting of three to seven members, will serve only for the period needed to choose the work or works of art for one identified area and then disband. Selection Panels may work with a number of art pieces identified for one project area such as Downtown or the Library. To insure a representative community body, the Selection Panels will be made up of:

Three consultants\* and when appropriate additional members consisting of:

- A representative of the neighborhood
- A representative of the Civic Arts Commission
- A representative of other City boards and Commissions
- A project architect

4. The recommendation of the selection panels will be passed on to the Public Art Committee of the Civic Arts Commission. The committee's recommendation is then passed on to the whole Civic Arts Commission, which in turn will inform the City Council of the work or works to be commissioned in accordance with the 1985 Ordinance. The decision of the Art Commission is final. An informal community advisory group consisting of Berkeley's nonprofit arts agencies call the Berkeley Cultural Trust, has agreed to act as a partner to the whole process for support and guidance.

### **Public Art for the City of Berkeley**

All the above is based on existing ordinances and reflects a fair, open and respectful process used throughout the United States. All open call for entry will be widely distributed and a series of educational workshops will be held for artists wishing to participate in the process. Please call the Civic Arts Coordinator if you have any questions (510) 981-7533.

\* "Qualified consultant" means professional visual artists, educators, scholars, historians, collectors, and environmental designers and planners, whose authorities and skills are known and respected in the community and, whenever feasible, who have demonstrated an interest in, and have participated in, the arts of the city. **GUIDELINES FOR PUBLIC ART**  
**CITY OF BERKELEY PUBLIC ART PROGRAM**  
*Revised and Updated March 19, 2019*

INTRODUCTION

Welcome to the Guidelines for Public Art for the City of Berkeley Public Art Program. Please read our companion publication, Public Art for the City of Berkeley for city legislation governing the selection process, the role of the Civic Arts Commission and the funding mechanism (1985 City Ordinance No. 5603 N.S. on Visual Art in Public Places, 1991 City Ordinance No. 5253 on the Civic Arts Commission, 1999 Resolution No. 60,048-N.S. on 1.5% funding).

The following guidelines are meant to support, not override, legislation and staff responsibilities.

A. MISSION STATEMENT

The City of Berkeley Public Art Program will enliven and beautify the City's environment. The program will encourage and promote awareness of the City's rich ethnic, social, and cultural diversity as expressed through visual and design arts. The Public Art Program will enhance the visual environment for the citizens of Berkeley, integrate the design work of artists into the development of City public works projects, and promote tourism and economic vitality of the City through the enhancement of public spaces.

B. PERCENT FOR ART PROGRAM FUNDING

Funding for public art shall be generated primarily from capital projects as outlined in the Percent for Art Resolution No. 60,048-N.S. adopted by City Council on June 1, 1999, which reads as follows:

SECTION III FUNDING

A. A sum equal to one percent (1%) of the project budget for each Eligible Capital Project shall be transferred to the Public Art Fund and utilized solely to develop and install a work of art integrated into the completed improvement, regardless of whether it contributes to the purpose and function of the improvement, including, but not limited to, color, shape, design, texture,

general appearance, or decoration which is designed and constructed integrally with the public improvement itself.

B. In addition to the amount specified in Section III. (A), above, a sum equal to one half percent (0.5%) of the project budget for each Eligible Capital Project shall be transferred to the Public Art Fund and utilized solely for administrative costs.

C. Funds designated for the Public Art Fund shall be transferred no later than the date on which funds for the Project Budget have been encumbered.

D. In the event that the final cost of designing and constructing the Public Art Element is less than one and one half percent (1.5%) of the project budget, the unused funds will be retained in the Public Art Fund and utilized for the creation of other works of art.

E. In the event that the eligible capital project should result in a public improvement which is inaccessible to the public, such as an underground structure, or for which it is not feasible to incorporate the public art element, the funds designated for the public art element shall be transferred to the Public Art Fund and may be used for the creation of off-site works of art.

#### 1. Funding Aggregations

Use of public art money depends on the funding source and the site. Certain capital improvement funding may require that public art money be restricted for use at a specific project site, or the Public Art Annual Plan may designate such a restriction. Other funds may be “pooled” and allocated for a work of art “off-site”. “Pooling” allows for small amounts to be aggregated toward one viable project.

Funds deemed not necessary or appropriate for public art at a project site by the Berkeley Civic Arts Commission and the Capital Improvement Project Manager(s), may be pooled and expended on other projects approved under the Public Art Annual Plan when such funds are eligible to be so used.

#### 2. Method Of Calculation

The minimum amount to be appropriated to the Public Art Fund shall be the total capital project appropriation, including all construction costs, architectural and engineering fees, and site work expenses, excluding amounts budgeted for real property acquisition, demolition, equipment, facility maintenance and operations, multiplied by 0.015.

### 3. Ineligible Uses

Monies appropriated according to Resolution No. 60,048-N.S. may not be used for the following:

- a. Art objects that are mass produced and of standard design, such as playground equipment or fountains.
- b. Reproduction, by mechanical or other means, of original works of art, except in cases of film, video, photography, printmaking or other media arts.
- c. Those items that contribute to the asset base and normal operating expenses of a resident agency, such as a city museum or gallery, or a private cultural institution.
- d. Artwork acquired through third-party owners, such as private collectors or auction houses.
- e. Architects' fees, except in such cases where the public art component significantly changes a project architect's scope of services.
- f. Operating expenses related to the work, including water, electricity or mechanical devices.

### C. ANNUAL PUBLIC ART PLAN

In order to successfully implement a citywide Public Art Program, a collaborative effort must be made by various City departments.

Each fiscal year the Civic Arts Coordinator and representatives from the Civic Arts Commission, the City Manager's Office, Planning and Development, the Office of Economic Development, Parks and Marina and Public Works shall meet to identify appropriate capital projects. The Civic Arts Coordinator and the Public Art Committee of the Civic Arts Commission shall use this information to write an Annual Public

Art Plan. The Annual Plan shall identify eligible capital improvement budgets and projects, determine funding and select sites. “Pooling” of small, non-site-specific funding sources shall be a part of this process. Site-specific and citywide projects shall be determined. A consultant with expertise in master plan development and public art may facilitate this process. The Annual Public Art Plan shall be presented by staff to the Civic Arts Commission for approval and then forwarded to the City Council for their information.

3. Artist Eligibility Criteria

Specific eligibility requirements will be established at the initiation of each project and will be described on the RFQ/RFP. In general:

## J. ARTWORK GIFTS POLICY

### 1. INTRODUCTION

The Artwork Gifts Policy provides the process for reviewing proposed gifts of artwork, or donated funds for the specific purpose of purchasing or commissioning artwork for the City of Berkeley; guidelines for prospective donors regarding their responsibilities; and procedures for the placement, care, and disposition of artwork acquired through this process. This policy aims to ensure that all donated artworks that are accepted into the City's Civic Art Collection and installed in Berkeley's public realm demonstrate outstanding aesthetic values, meet technical criteria that ensure safety and sustainability, convey clear relationships to the City of Berkeley or to the region, and are appropriate to the surroundings in which the work will be located. While the City appreciates all offers of donations of artwork, it is not able to accept every proposed gift due to the economic and administrative obligations inherent in responsible art collection management and ownership.

The City's acceptance of gifts of Artwork is a four step process that requires review and approval by: 1. The Civic Arts Commission's Public Art Committee; 2. The Civic Arts Commission; 3. For permanently installed artworks, approval of artwork installation location by the City department or Commission with jurisdiction over the installation site; and 4. For gifts valued at more than \$1,000, approval by City Council. The process to obtain these approvals is detailed within this Artwork Gifts Policy.

Donors must comply with any guidelines the department has in regard to the acceptance of Artwork. Final approval for the installation of the Artwork may be subject to additional approvals by City Departments or Commissions.

4.3 Evidence of Community Support: For Artwork proposed for installation in the public realm, the donor must provide evidence of input from stakeholders which must be submitted with the proposal. The amount and quality of the evidence of support will depend on the project nature, scope and size and may include letters of support from key stakeholders or petitions with names, addresses and signatures from neighboring residents, businesses and organizations. Other forms of documented community support will also be considered.

4.4 Consultation with Civic Arts Program: Civic Arts Program staff meets with the prospective donor to review the proposed gift prior to the proposal being submitted to the Civic Arts Commission's Public Art Committee for action. After review of the proposed gift, staff will prepare a written report to the Public Art Committee with a recommendation to either accept or decline the gift.

4.5 Public Art Committee Approval: The gift proposal will be reviewed by the Public Art Committee. The Committee may recommend to accept or decline the proposed gift based upon the criteria. Committee recommendations are forwarded to the full Civic Arts Commission for approval.

4.6 Civic Arts Commission Approval: Upon recommendation of the Public Art Committee, the gift proposal will be reviewed by the Civic Arts Commission for approval.

4.7 Other City Department Approval: Once approved by the Civic Arts Commission, Civic Arts Staff will prepare a report for consideration by the department who has jurisdiction over the proposed site. Said department will review the proposed installation site for approval and will facilitate any additional site approvals necessary from any other entities having jurisdiction over the site such as City Commissions or other regulatory bodies.

4.8 City Council Approval: For proposed gifts valued at more than \$1,000, Civic Arts Program staff will seek approval by City Council as required per Berkeley Municipal Code Section 2.06.150.

4.9 Notwithstanding the foregoing, the City may, in its sole discretion, reject a gift proposal and/or determine the appropriate site for any and all Artwork accepted into its collection.

## **5. RELATED POLICIES FOR COMMEMORATIVE ELEMENTS**

Proposed gifts of Memorial Artwork are subject to the Memorial Artwork Policy.

## **6. DONOR'S FINANCIAL RESPONSIBILITIES**

All costs associated with the gift must be borne by the donor. The Civic Arts Commission has the discretion to waive or adjust the donor's contribution if the Civic Arts Commission identifies funding to cover those costs. Costs may include, but are not limited to:

- The costs associated with design, engineering, building permits, fabrication, and insurance.
- The cost of design and fabrication of a pedestal, base, or structural support, and identification plaque.
- The cost of artwork installation by the City, including (but not limited to) any alterations to the landscape or installation site that are needed to allow the artwork to appear aesthetically appropriate in its chosen location and any architectural or engineering services required for safe installation.
- The donor must provide a contribution to the Civic Art Collection Maintenance Endowment Fund equal to 10% of the value of the Artwork as determined by a qualified appraiser approved by the City or an amount as mutually agreed by the City and donor.
- For gifts of large scale Artwork, the City also requires an administrative fee to cover costs associated with staff coordination and oversight of the project.
- The City may consider on a case by case basis accepting an agreement from a donor to maintain an Artwork in perpetuity and in accordance with City standards rather than a cash contribution to the Civic Art Collection Fund; however, this will require the City to incur additional effort and cost. In any maintenance agreement, the City will require an

up-front deposit to cover at least one year's maintenance of the Artwork to protect the City against future default.

## **7. ACCEPTANCE OF MONETARY GIFTS FOR THE ACQUISITION OF ARTWORK**

The commissioning of Artwork paid for by donated private funds will be implemented according to the Public Art Guidelines. The following funding requirements apply to proposed monetary gifts to the City for the purpose of acquiring artwork:

- The amount donated must cover all project costs including site preparation and installation and an amount equal to 10% of the value of the donation to go into the Civic Art Collection Maintenance Endowment and an amount equal to 20% of the value of the donation to cover the staff cost of administering the artwork commission.
- Proposed monetary gifts shall be referred to the Public Art Committee and the Arts Commission for review and approval.
- Proposed monetary gifts of \$1,000 or more shall be referred to the City Council for final approval and acceptance.

## **K. ARTWORK DEACCESSION POLICY**

### **1. INTRODUCTION**

The term “deaccession” applies to the specific process by which a decision is made to remove an artwork from the City of Berkeley’s civic art collection. The City of Berkeley, through its Civic Arts Commission, reserves the right to deaccession works of art in its civic art collection in the best interest of the public and as a means of improving the overall quality of the City’s civic art collection. Removing artwork from the City’s civic art collection by deaccession should be cautiously applied only after careful and impartial evaluation of the artwork to avoid the influence and the premature removal of a work from the collection. Except in the case of an immediate threat to public safety, no artwork in the collection will be deaccessioned until the policies set forth below have been observed.

### **2. DEFINITIONS**

For the purposes of this Policy, the following definitions apply:

- Artwork: Per the Berkeley Municipal Code, Section 6.14.101, Artwork is an original work by an artist and includes, but is not limited to, functional art integrated into public improvements, a sculpture, monument, mural, painting, drawing, photography, fountain, banner, mosaic, weaving, stained art glass, multi-media, computer-generated art, electronic and media art, video, and earth art, installation art, performance and time based works of visual art, and social practice art.
- Deaccession: The procedure for the removal of an artwork owned by the City and the determination of its future disposition.
- Deaccession Notification: A written letter to the artist or donor referencing the applicable conditions of the artwork and describing reasons why the deaccession review is being undertaken.

### **3. CONDITIONS FOR DEACCESSION**

A work of art may be considered for deaccession if one or more of the following conditions apply:

- The work presents a threat to public safety.
- Condition or security of the work cannot be guaranteed, or the City cannot properly care for or store the work.
- The work requires excessive or unreasonable maintenance, or has faults in design or workmanship.
- The condition of the work requires restoration in gross excess of its market value, or is in such a deteriorated state that restoration is infeasible, impractical, or would be so extensive as to fundamentally transform the work from the artist's original intent.
- Significant changes in the use, character or actual design of the site require reevaluation of the artwork's relationship to the site.
- If the artwork cannot remain at its original installation site and if no suitable alternate site for the work is available.
- The work interferes with the operations of the City.
- Significant adverse public reaction over an extended period of time (5 years or more).
- The work is judged to have little or no aesthetic and/or historical or cultural value, or is judged to have negative historical or cultural value.

- The Civic Arts Commission wishes to replace a work with a more appropriate work by the same artist.
- The work can be sold to finance or be traded for a work that refines and improves the quality and appropriateness of the City's collection and better serves the Civic Arts Commission's mission.
- Written request from the artist has been received to remove the work from public display.
- The work is duplicative in a large holding of work of that type or of that artist.
- The work is fraudulent or not authentic.
- The work is rarely or never displayed.

#### **4. PROCEDURES**

The following steps shall be followed for works being considered for deaccession:

4.1 Absence of Restrictions: Before disposing of any artworks from the collections, reasonable efforts shall be made to ascertain that the City is legally free to do so.

4.2 Deaccession Notification: City staff shall comply with any applicable state or federal notice requirements and shall make every reasonable effort to contact the artist whose artwork is being considered for deaccession, and any other known parties with a vested interest in the artwork. Staff shall make reasonable effort to notify the artist of the Public Art Committee and Civic Arts Commission meetings where the issue will be discussed.

4.3 Civic Arts Program Staff Report: The Civic Arts Program staff shall prepare a report which includes a staff evaluation and recommendation along with the following information:

- Artist's name and biographical information, samples of past work and resume.
- Written description and images of artwork.
- Information about and images of the artwork's site.
- City Attorney's Opinion: The City Attorney shall be consulted regarding any restrictions that may apply to a specific work.
- Rationale: An analysis of the reasons for deaccessioning and its impact on the Collection and the artist, and an evaluation of the artwork.
- Community Opinion: If pertinent, public feedback on the dispensation of the artwork in question.

- Independent Appraisal or other documentation of the value of the artwork: Prior to deaccessioning of any artwork having a value of \$10,000 or more, Civic Arts Program staff should obtain an independent professional appraisal, or an estimate of the value of the work based on recent documentation of gallery, comparable public commissions and/or auction sales.
- Related Professional Opinions: In cases of where deaccessioning or removal is recommended due to deterioration, threat to public safety, ongoing controversy, or lack of artistic quality, it is recommended that the Commission seek the opinions of independent professionals qualified to comment on the concern prompting review (conservators, engineers, architects, critics, safety experts etc.).
- History: Provide written correspondence, press and other evidence of public debate; Original Acquisition method and purchase price; Options for Disposition; and Replacement Costs.

4.4 Considerations for Disposition of a Work of Art: Civic Art Program Staff shall research and present to the Civic Arts Commission all feasible alternatives for the disposition of the proposed artwork for deaccession. Recommendations shall adhere to the following principles:

- The manner of disposition is in the best interest of the Civic Arts Commission and the public it serves.
- Preference should be given to retaining works that are a part of the historical, cultural, or artistic heritage of Berkeley and the Bay Area.
- Consideration should be given to placing the artwork, through gift, exchange, or sale, in another tax-exempt public institution where it may be accessible to the public and thereby continue to serve the purpose for which it was acquired initially by the Civic Arts Commission.
- Artworks may not be given or sold privately to City employees, officers, members of the governing authority, or to their representatives.

## **5. DEACCESSION CRITERIA**

The following criteria will be used by the Civic Arts Commission to evaluate whether to deaccession an artwork:

- Inherent Artistic Quality: The assessed aesthetic merit of the piece as a work of art, independent of other considerations.

- Cultural or Historical Impact: Whether the artwork has negative cultural or historical impact.
- Context of Artwork within the Civic Art Collection: Proposed artwork should be evaluated within the context of the larger collection, and whether it is judged to strengthen the collection.
- Context of Artwork with Site: Accessibility, public safety, and social, cultural, historical, ecological, physical, and functional context of the artwork in relation to the site, both existing and planned.
- Availability of City Support: The availability of necessary funding for conservation, maintenance, repair, storage or required staff support.
- Legal Considerations: Issues related to liability, insurance, copyright, moral rights, warranties, ownership, theft, vandalism, loss, indemnification, and public safety. The City Attorney shall review the recommendation of the Civic Art Program staff to determine whether there are any known legal restrictions that would prevent deaccession of the artwork. The City Attorney's approval must be obtained prior to deaccessioning an artwork.
- Timing: Timing for the deaccession of an artwork may be affected by issues such as a hazardous condition related to the artwork that would pose an immediate threat to public safety, relevant construction schedules, or the allowance of sufficient time for a normal review process.
- Acquisition process: Method by which the artwork was originally acquired and accessioned in the City's collection (i.e. by donation, loan, or commission).
- Community feedback: Community feedback about the artwork, its site, and its condition solicited via a publicly-noticed meeting or placed on the agenda of the Public Art Committee.
- Restrictions: Any recognized restrictions associated with the artwork.

## **6. PUBLIC HEARINGS**

The proposed deaccession of an artwork will be heard at two meetings which are open to the public.

6.1 Public Art Committee: The recommendation to deaccession an artwork will be considered by the Public Art Committee as part of the Committee's regular meeting. The Committee shall make its recommendation to the full Civic Arts Commission.

6.2 Civic Arts Commission: The Commission must approve the Public Art Committee's recommendation that an artwork owned by the City should be deaccessioned.

## **7. DISPOSITION OF ARTWORK**

7.1 Right of First Refusal: In all cases, the Artist or Artist's legally recognized representative or heir shall be given, when possible and within a reasonable time frame, the opportunity to purchase the artwork for the fair market value (as determined by a qualified appraiser), or if the artwork is determined to be of negligible value, the artist shall be given the opportunity to claim the artwork at the artist's own cost for removal and transportation.

7.2 When the artist does not purchase or claim the deaccessioned artwork, the Civic Arts Commission at its discretion, may use any of the following methods to remove the Artwork:

- Sale: Proceeds from the sale shall be deposited into the City's public art fund.
  - Sale through a dealer.
  - Sale through a public auction.
- Trade or exchange of a deaccessioned artwork for another by the same artist.
- Donation of deaccessioned artwork to a public institution or nonprofit organization.
- Destruction: for the following instances:
  - The entire artwork or the majority of the artwork has been damaged or has deteriorated and repair or remedy is impractical or infeasible, and artist is not willing to claim the remaining artwork at artist's own cost.
  - Public safety considerations support destroying the artwork.
  - Every reasonable effort to locate the artist, the artist's heirs or next of kin, or donor has failed.
  - The Civic Arts Commission determined that no other methods of disposition are feasible.

7.3 Civic Arts Program staff duties for all deaccessioned artworks:

- Update Civic Art Collection database: The artwork will stay in the database, but be noted as deaccessioned and include the years during which it was displayed.

- Coordinate the removal of identification plaques from artwork site and coordinate the artwork's physical removal from the City's collection.
- Report on the sale or exchange at the next regularly scheduled Public Art Committee and Civic Arts Commission meetings.
- Transmit a report informing City Council of the removal of the artwork from the City's collection.
- Maintain a deaccession file that includes documentation on the artwork and all associated deaccession documents.
- If the art work is in good enough condition to yield quality photographic documentation, that documentation will be kept in the deaccession file and offered to the artist.

## L. **MEMORIAL ARTWORKS POLICY**

### 1. **INTRODUCTION**

The purpose of this policy is to establish criteria and guidelines for the consideration of memorial artworks to be permanently installed on City property. For the purposes of this policy, the following definitions apply:

- Artist: as defined in the Berkeley Municipal Code, Section 23C.23.040 "means an individual independent professional practitioner of the visual, performing, or literary arts, as judged by educational qualifications, a history of creating a body of public or publicly-displayed artwork, critical recognition in publications or online, a record of exhibitions and/or artwork sales."

Under no circumstances is the City under any obligation to accept proposed donations of Memorial Artworks even if all required criteria are met. The City reserves the right to relocate, remove or destroy any Memorial Artworks acquired pursuant to this Policy and any applicable requirements set forth in the Deaccession Policy or required by State or Federal law.
