

5 Critical Steps to Prepare for an Earthquake

Presented

by

City of Berkeley

Office of Emergency Services

INTRODUCTIONS

BASIC PERSONAL PREPAREDNESS

5 CRITICAL STEPS

5 Critical Steps

- 1. Make a PLAN
- 2. Arrange TELEPHONE contacts
- 3. Prepare a KIT
- 4. Prepare your HOME
- 5. Get to know your NEIGHBORS

1. Make a PLAN

For yourself, family & household

How to evacuate your home

How to evacuate your street

Have more than one route

Marin Street (Death Climb #1)
Distance: 1.5 km
Climb: 190 meters

Marin Circle to Grizzly Peak Boulevard
Average grade: 13%
Steepest Block: over 25% grade

...in different directions

...by car

...or on foot

Family meeting places

In your home

..home of a friend or relative

...out of town

2. Arrange Telephone Contacts

..outside the local area code

- (415)
- (707)
- (408)
- (925)
- (612)
- (916)
- (etc)

Preferably out of state

...or another part of the state

...by land line

...or cell phone

510-981-5911

“...your call is important to us ...”

Enough for 5 Days

...or more

Sun	Mon	Tue	Wed	Thu	Fri	Sat
				1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	

...per person

Water

One gallon per day...

...per person

Canned Food

But, don't forget....

This one won't work...

...if these are down.

Fire Extinguisher

Remember!

Pull

Aim

Squeeze

Sweep

Flashlights

Extra Batteries

Emergency Flashlight

First Aid Kit

The type of kit you have....

Depends on your training...

Portable AM Radio

This...

...not this

...and more of these

TUNE TO
AM 1610

126 WEST
Santa Paula
Freeway

Blankets

Extra Clothing

Sturdy Shoes

Not these

Work gloves

Tools

Not this...

...these

Money....

©2001 AARRGGHH!COM

Because if this doesn't work...

...neither will this!

Medications

“What about us?”

...and more of this

Where do you put it all?

How about one of these?

...or these?

...and if money is no object

One of these!

※写真の *HUMMER MTR. はアメリカ仕様車です

4. Prepare your HOME

Learn to turn off the gas..

...only if you SMELL gas

What does gas smell like?

Gas shut off tools

yj-valve.en.alibaba.com

Electricity

Water

Secure Hazards

Hutch

Hutch

Check for Stability...

Chimney

Roof

Walls and foundations

Because of these guys

...you might need these guys

5. Get to know your NEIGHBORS

Block Party

Strength in Numbers

Assist the elderly & disabled

Organize and train

Firefighting

Fire Suppression Training, on the roof of the 7th Street Garage, SJSU, December 19, 2006.

Light Search & Rescue

Disaster First Aid

Flower Mound
