

Office of the City Manager

CONSENT CALENDAR
May 10, 2022

To: Honorable Mayor and Members of the City Council
From: Dee Williams-Ridley, City Manager
Submitted by: Lisa Warhuus, Director, Health, Housing and Community Services
Subject: 2022 Local Housing Trust Fund Application

RECOMMENDATION

Adopt a Resolution authorizing the City Manager to apply for and accept funds from the State of California's Local Housing Trust Fund program in an amount not to exceed \$5,000,000, and to apply such funds to the City's existing funding reservations for Supportive Housing in People's Park (2556 Haste Street) via the City's Housing Trust Fund program.

FISCAL IMPACTS OF RECOMMENDATION

The City of Berkeley is eligible to apply for up to \$5,000,000 from the State's competitive Local Housing Trust Fund (LHTF) program. The final award will be decided as part of the competitive application. This funding would be applied to the City's Housing Trust Fund program to fund the City's existing funding reservation for the pipeline project Supportive Housing in People's Park (SHiPP) at 2556 Haste Street, reducing the amount of Measure O and/or other local funds that would be required for the project, and would become available for other housing priority projects if the City receives an award.

CURRENT SITUATION AND ITS EFFECTS

Approving the City's LHTF application supports the Council's Strategic Plan Priority to create affordable housing and support services for our most vulnerable community members. The LHTF was established by the State as a funding source to finance new affordable housing construction. The program is administered by the State's Department of Housing and Community Development (HCD). The program is funded by a \$4 billion bond approved by voters in 2018.

The City is eligible to apply for between \$1 million and \$5 million with a one-to-one matching funds requirement. Applications will be scored on several criteria including the source of matching funds (prioritizing sources that do not come from residential projects like the Affordable Housing Mitigation fee), existing local funding commitments, project readiness, and affordability.

Based on eligibility criteria, the City can currently apply to support one project in the City's HTF development pipeline: SHiPP, located at 2556 Haste Street.

On December 14, 2021, Council reserved Housing Trust Funds for this project. The City's funding commitment alongside the project's unit mix, depth of affordability, and development timeline will allow the application to score competitively. The City's current local commitments in this project would potentially be partially offset by the LHTF award. Using LHTF funds for SHiPP would free up Measure O or other local funds for other affordable housing projects in the City's current pipeline.

BACKGROUND

The LHTF was created by the Veterans and Affordable Housing Bond Act of 2018 (Proposition 1). HCD is awarding a total of \$57M to the LHTF program for the 2022 funding round.

Program funds awarded must be designated to provide construction loans and/or permanent financing loans to pay for construction or rehabilitation of affordable rental housing projects, emergency shelters, permanent supportive housing, transitional housing and affordable homeowner projects.

Program funds may also be used to assist income-eligible first-time homebuyers to purchase homes and to rehabilitate houses owned by income-eligible occupants. Accessory Dwelling Units (ADUs) or Junior Accessory Dwelling Units (JADUs) construction and conversion programs are also eligible.

The City is eligible to apply as it maintains an existing Housing Trust Fund. The City of Berkeley's Housing Trust Fund program was established in 1990 to support affordable housing development and rehabilitation. It is funded by several sources including Affordable Housing Mitigation Fees (AHMF), Condominium Conversion fees and federal HOME funds. Measure O was approved by voters in 2018 to provide \$135 million in additional bond funding for affordable housing development. Any LHTF funding the City receives will compliment these funding sources.

In 2020, the City of Berkeley successfully applied for and received LHTF awards for two projects, Blake Apartments (2527 San Pablo Ave.) and Maudelle Miller Shirek Community (2001 Ashby Ave.), with each project receiving \$2.5M for a total award of \$5M. Both projects begin construction in 2022.

ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

There are no identifiable environmental effects or opportunities associated with the subject of this report.

RATIONALE FOR RECOMMENDATION

Measure O bond supported pipeline projects provide the City with the most competitive application. The LHTF application weighs the percentage of matching funds derived

from sources other than local impact fees (such as the AHMF). The Measure O bond provides this advantage. SHiPP will include units for formerly homeless households, and will provide units at a deeper affordability. This is another key factor to submitting a competitive application.

Competitive applications must also demonstrate project readiness and a projected construction start. This also provides better security that the funds will be expended in line with the NOFA requirements.

ALTERNATIVE ACTIONS CONSIDERED

Staff do not recommend applying the funds to a first-time home buyer, ADU or JADU program as the application scoring criteria is designed to favor new construction affordable housing.
