## Preliminary Matters

### Roll Call:

**Land Acknowledgement Statement:** *The City of Berkeley recognizes that the community we live in was built on the territory of xučyun (Huchiun (Hooch-yoon)), the ancestral and unceded land of the Chochenyo (Cho-chen-yo)-speaking Ohlone (Oh-low-nee) people, the ancestors and descendants of the sovereign Verona Band of Alameda County. This land was and continues to be of great importance to all of the Ohlone Tribes and descendants of the Verona Band. As we begin our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the documented 5,000-year history of a vibrant community at the West Berkeley Shellmound, and the Ohlone people who continue to reside in the East Bay. We recognize that Berkeley's residents have and continue to benefit from the use and occupation of this unceded stolen land since the City of Berkeley's incorporation in 1878. As stewards of the laws regulating the City of Berkeley, it is not only vital that we recognize the history of this land, but also recognize that the Ohlone people are present members of Berkeley and other East Bay communities today. The City of Berkeley will continue to build relationships with the Lisjan Tribe and to create meaningful actions that uphold the intention of this land acknowledgement.*

**Ceremonial Matters:** *In addition to those items listed on the agenda, the Mayor may add additional ceremonial matters.*

**City Manager Comments:** *The City Manager may make announcements or provide information to the City Council in the form of an oral report. The Council will not take action on such items but may request the City Manager place a report on a future agenda for discussion.*

**Public Comment on Non-Agenda Matters:** *Up to ten persons will be selected to address matters not on the Council agenda. If five or fewer persons are identified to provide non-agenda comment, each person selected will be allotted two minutes each. If more than five persons are selected to address matters not on the Council agenda, each person selected will be allotted one minute each.*

*In-person attendees wishing to address the Council on matters not on the Council agenda during the initial ten-minute period for such comment, must submit a speaker card to the City Clerk in person at the meeting location and prior to the moment that the Presiding Officer calls for public comment on non-agenda items. Remote attendees must raise their hand in the videoconference application when the Presiding Officer calls for non-agenda speakers. The first five raised hands on the videoconference application will be selected to speak and the first five cards drawn at the meeting will be selected to speak. The number of in-person and remote speakers selected may be adjusted by the Presiding Officer if fewer than five speakers from either format are identified.*

*The remainder of the speakers wishing to address the Council on non-agenda items will be heard at the end of the agenda.*

**Public Comment by Employee Unions (first regular meeting of the month):** *This period of public comment is reserved for officially designated representatives of City of Berkeley employee unions, with five minutes allocated per union if representatives of three or fewer unions wish to speak and up to three minutes per union if representatives of four or more unions wish to speak.*

## Consent Calendar

*The Council will first determine whether to move items on the agenda for “Action” or “Information” to the “Consent Calendar”, or move “Consent Calendar” items to “Action.” Three members of the City Council must agree to pull an item from the Consent Calendar or Information Calendar for it to move to Action. Items that remain on the “Consent Calendar” are voted on in one motion as a group. “Information” items are not discussed or acted upon at the Council meeting unless they are moved to “Action” or “Consent”.*

*No additional items can be moved onto the Consent Calendar once public comment has commenced. At any time during, or immediately after, public comment on Information and Consent items, any Councilmember may move any Information or Consent item to “Action.” Following this, the Council will vote on the items remaining on the Consent Calendar in one motion.*

*For items moved to the Action Calendar from the Consent Calendar or Information Calendar, persons who spoke on the item during the Consent Calendar public comment period may speak again at the time the matter is taken up during the Action Calendar.*

**Public Comment on Consent Calendar and Information Items Only:** *The Council will take public comment on any items that are either on the amended Consent Calendar or the Information Calendar. If ten or fewer persons are interested in speaking on an individual agenda item, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. The Presiding Officer may, with the consent of persons representing both sides of an issue, allocate a block of time to each side to present their issue. A speaker may only speak once during the period for public comment on Consent Calendar and Information items.*

*Additional information regarding public comment by City of Berkeley employees and interns: Employees and interns of the City of Berkeley, although not required, are encouraged to identify themselves as such, the department in which they work and state whether they are speaking as an individual or in their official capacity when addressing the Council in open session or workshops.*

**17. Setting Measurable Goals and Metrics for Key City Priorities** *(Reviewed by the Health, Life, Enrichment, Equity & Community Committee)*

**From: Councilmember Blackaby (Author), Councilmember O'Keefe (Co-Sponsor), Councilmember Humbert (Co-Sponsor)**

**Recommendation:** Refer to the City Manager the development of 10-20 measurable goals and metrics that reflect key priorities for the City. These goals should focus on outcomes that matter most to residents, demonstrating both the impact of City government and the quality of life in our community. After setting annual goals, the City should provide quarterly updates with progress towards those goals via an easily accessible dashboard on the city website or other mechanism. Also, the City should provide updates as a quarterly City Council agenda item, or other appropriate frequency. Types of goals should be identified by analyzing similar work being done by other jurisdictions, and then quantifiable metrics for each goal should be set by staff and reviewed by City Council. How do peer cities and comparable jurisdictions define, structure, and establish outcome-based goals and metrics? What processes do they use to select them and align them with priorities? How do jurisdictions report on these goals and metrics, including the formatting, frequency, and accessibility of reporting to decision-making bodies and the public? Goals should span a full range of City priorities, including housing production, public safety, transportation, public works, parks & recreation, homelessness, and economic development.

*Policy Committee Recommendation: To send item to Council with a qualified positive recommendation to: explore a variety of frameworks and methodologies, interface with the public, and explore opportunities to quantify social costs and benefits.*
