

Office of the City Manager

CONSENT CALENDAR
May 12, 2026

To: Honorable Mayor and Members of the City Council

From: Paul Buddenhagen, City Manager

Submitted by: Scott Gilman, Director of Health Housing and Community Services

Subject: Revenue Grant Agreements: Funding Support from Essential Access Health to Conduct Public Health Services

RECOMMENDATION

Adopt a Resolution authorizing the City Manager or designee to submit a grant application to Essential Access Health, accept the grant, execute any resultant revenue agreement and amendment, and implement the projects and appropriation of funding for related expenses to conduct public health promotion, protection, and prevention services for the Essential Access Health revenue agreement in the projected amount of \$120,000 for April 1, 2026 to March 30, 2027.

FISCAL IMPACTS OF RECOMMENDATION

The City of Berkeley will receive funds in the projected amount of \$120,000 for Fiscal Year 2027 (FY 2027) that will be deposited and expensed from Fund 321, the C.F.P Title X Fund.

Spending of the referenced grant funds is subject to Council approval of the budget and the Annual Appropriations Ordinances. Depending on the timing of when grants are officially awarded and the amounts are determined, the grant budgets will be adjusted as part of the First Amendment to the FY 2027 Annual Appropriations Ordinance.

CURRENT SITUATION AND ITS EFFECTS

As a local health jurisdiction, the City of Berkeley provides a broad range of public health program services to the community; with the goals of addressing health inequities, promoting healthy environments and behaviors, protecting residents from disease, and preventing illness, disability, and premature death. Grant funds will support clinical reproductive health services, as well as individual and community health education and outreach activities at the Berkeley High School Health Center and Berkeley Technology Academy Health Center (the High School Health Centers).

Essential Access Health is the administrator for California's Title X state family planning funds to provide clinical reproductive health services and education at the High School Health Centers. State Title X Funds are given to a non-profit agency, Essential Access

Health, and are then dispersed to local health jurisdictions throughout the State through a competitive grant process.

BACKGROUND

The City of Berkeley receives funding from many sources annually to complete work related to improving the health of the community. As a local health jurisdiction, the City is committed to exploring opportunities for funding to support key initiatives to augment base funding resources. The Public Health Division is committed to providing essential services to the community, including clinical reproductive health services and education and outreach, to prevent the spread of disease and to promote healthy environments.

ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

There are no identifiable environmental effects or opportunities associated with the subject of this report.

RATIONALE FOR RECOMMENDATION

These funds support vital services related to the City's mandates as a public health jurisdiction and local initiatives designed to address health inequities in Berkeley and improve the health of Berkeley residents. These competitive grants support the Department's mission and provide the City with funding to continue working to protect and improve the health of the community.

ALTERNATIVE ACTIONS CONSIDERED

The Public Health Division assesses each funding source to ensure that it supports the City's mission and goals. The alternative action of not seeking any of these funding sources would result in not providing these public health services to the community.

1: Resolution

RESOLUTION NO. ##,###-N.S.

REVENUE GRANT: ESSENTIAL ACCESS HEALTH FOR CLINICAL REPRODUCTIVE HEALTH SERVICES AND HEALTH EDUCATION AND OUTREACH

WHEREAS, it is important to provide comprehensive clinical reproductive health services to individuals of reproductive age to plan their pregnancies and prevent and reduce sexually transmitted infections; and

WHEREAS, preconception/inter-conception care and education is a key part of family planning services; and

WHEREAS, adolescents require teen specific counseling and education; and

WHEREAS, the City of Berkeley Department of Health, Housing and Community Services, through Title X funds, will provide reproductive health services and education at the Berkeley High School Health Center and Berkeley Technology Academy Health Center; and

WHEREAS, the City of Berkeley Department of Health, Housing & Community Services seeks to eliminate health and educational inequities; and

WHEREAS, the projected amount of the grant is \$120,000; and

WHEREAS, the City of Berkeley should seek outside funding wherever possible to fund vital health services.

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Berkeley that the City Manager or designee is hereby authorized to submit a grant application to Essential Access Health for April 1, 2026 – March 30, 2027 to support clinical reproductive health services, as well as individual and community health education and outreach activities; accept the grant funds; execute any resultant revenue agreements and amendments consistent with the grant award, which may be larger or smaller than the projected award of \$120,000; and implement the projects and appropriation of funding for related expenses, subject to securing the grant. Funds will be deposited and expensed from the C.F.P Title X Fund. A record signature copy of said agreements and any amendments shall be on file in the office of the City Clerk.
