CONSENT CALENDAR

To: Honorable Mayor and Members of the City Council

 Subject: Assessments: Berkeley Tourism Business Improvement District

RECOMMENDATION

Adopt a Resolution approving the Annual Planning Report and preliminary budget for Fiscal Year 2027 (FY27) for the Berkeley Tourism Business Improvement District (BTBID) as recommended by the BTBID Owners' Association.

FISCAL IMPACTS OF RECOMMENDATION

The BTBID levies an annual assessment of three percent (3%) of gross short-term room rental revenue for lodging establishments. Annual assessment funds will be deposited and expended from the Tourism BID Fund. Based on City of Berkeley proposed budget revenue projections in Transient Occupancy Tax (TOT) collections for FY 2027 (shared in April 2026), the BTBID is budgeted to receive \$2,298,135 in funding for FY 2027. Annual assessment funds will be deposited into Tourism BID Fund 781-21-208-251-0000-000-000-412110 and expended from fund 781-21-208-251-0000-000-446-636110.

Both parties understand that the actual amount may change in the coming months, reflecting the ever-evolving state of the Berkeley economy and local, regional, and national tourism trends. The City retains a fee equal to one percent (1%) of the amount of assessment collected to cover its costs of collection and administration associated with the Tourism BID. The exact amount of any FY 2026 BTBID fund balance will only be known with certainty in August 2026. This is because the City collects BTBID assessments on a monthly basis along with Transient Occupancy Taxes (TOT). As a result, the finance department will only know the receipts for June 2026 after those assessments are collected at the beginning of July 2026. If revenues come in higher than anticipated, the Office of Economic Development will determine the amount and make a one-time "true up" payment for FY2026 during FY 2027. The appropriation of these additional funds will be included as a one-time "true up" payment with the amount articulated and authorized in the First Amendment to the FY 2027 Annual Appropriations Ordinance (November 2026).

CURRENT SITUATION AND ITS EFFECTS

The Berkeley Convention and Visitors Bureau, known as Visit Berkeley, has an active contract (Contract No. 32600062, Authorized by Resolution No. 71,751–N.S.) with the City to implement the Management District Plan for the Tourism Business Improvement District to support tourism marketing and promotion. The contract with Visit Berkeley (the BTBID’s Owners’ Association) is for an amount not to exceed total BTBID collections for the term of the existing BTBID, beginning on July 1, 2025 and concluding on June 30, 2035 to pass through the collected Tourism BID funds to the BTBID Owners’ Association to implement the BTBID Management District Plan (adopted in 2025).

Under the Property and Business Improvement District Law of 1994 (California Streets and Highways Code section 36600 et.seq.) the City Council may approve an Annual Planning Report prepared by the Tourism Business Improvement District Owners’ Association with a proposed budget for the next year. Accordingly, at its April board meeting, the BTBID Owners Association voted to approve the Tourism BID’s Annual Planning Report and budget for BTBID’s Fiscal Year 2027. Council can now adopt the recommended resolution which will confirm the Tourism BID assessment and thus enable continuous BID operations for another year.

The Management District Plan was adopted by Council in 2025 as part of the reestablishment of the Tourism Business Improvement District; the plan provides a framework and budget for the Tourism BID’s activities. In FY 2027, the Tourism BID will continue to work with local hotel managers and hospitality industry leaders, the City of Berkeley, and other relevant tourism industry stakeholders to do strategic destination marketing and sales work that drives visitors to Berkeley’s lodging establishments and supports Berkeley’s hospitality industry. Additionally, the Tourism BID will continue to develop digital marketing and promotions utilizing the power of Visit Berkeley’s website and social media strengths to push positive messaging to the visitor, event planners, and industry meeting planners. Visit Berkeley will continue to develop and manage constructive relationships with local, regional and statewide marketing and hospitality partners to create local overnight room demand and to ensure the organization has the resources and support needed to successfully execute the BTBID mission.

BACKGROUND

The Berkeley Tourism Business Improvement District includes all lodging businesses with five (5) rooms or more, available for public occupancy within the boundaries of the City of Berkeley. The City is responsible for collecting the assessment on a monthly basis from each lodging business with five (5) rooms or more located in the District boundaries. The City forwards the assessments to Visit Berkeley, which has the responsibility of managing Tourism Business Improvement District (BID) programs as provided in the Management District Plan.

The Berkeley Tourism BID was first established for a period of five years on September

18, 2012 to raise revenues to finance marketing and sales promotions, increase tourism, and promote Berkeley hotels as tourist, meeting, and event destinations. The Berkeley Municipal Code was amended on November 27, 2012 to modify its definition of room rent so that BTBID assessments passed through to guests are exempt from the Transient Occupancy Tax (TOT) which is also applied to room rent. A portion of TOT revenue also funds the Berkeley Convention and Visitors Bureau, but under a separate contract. On April 25, 2017, Council approved Resolution No. 67,926-N.S. reestablishing the Tourism BID starting on July 1, 2017 for an additional 10 years, expiring in 2027. In 2024, Visit Berkeley transitioned leadership, and through direction of the Board, spearheaded the early renewal and modification of the BTBID. On June 24, 2025, City Council adopted the renewal and modification of the Berkeley Tourism Business Improvement District for an additional ten (10) year term to increase a dedicated revenue source devoted to marketing and promoting specific hotel-serving activities, beginning July 1, 2025 through June 30, 2035 (FY26-FY36).

The Tourism BID is authorized through June 30, 2035 unless action is taken to disestablish it. In 2025, council adopted Resolution No. 71,751–N.S. authorizing the City Manager to execute a contract (Contract No. 32600062) and any necessary amendments with Visit Berkeley, the BTBID’s Owners’ Association and the City of Berkeley’s Convention and Visitor’s Bureau, for an amount not to exceed total Tourism BID collections for the term of the renewed BTBID, beginning on July 1, 2025 and concluding on June 30, 2035, so the city may pass through the collected assessments to the owners’ association efficiently.

ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

The BTBID works to promote the Bay Area Green Business certification program with Berkeley’s hotel owners, thereby encouraging the local lodging industry to take actions to meet environmental sustainability objectives.

RATIONALE FOR RECOMMENDATION

The State Property and Business Improvement District Law of 1994 requires that the City Council accept an annual report from the Owners’ Association for each fiscal year in which assessments are to be levied. The report shall include any proposed changes in the boundaries of the district, the activities proposed for the year, and an estimate of the cost for providing them. Council action is required to approve the Tourism BID’s Annual Report. This will, in turn, confirm disbursement of Tourism BID assessment revenue to Visit Berkeley. This private/public partnership generates significant resources for the City, indirectly enhancing sales tax, business license tax, and directly enhancing other business-related City revenue sources such as transit occupancy tax.

Exhibit A: Berkeley Tourism Business Improvement District (BTBID) Marketing Plan FY2026 Annual Planning Report and FY 27 Budget

District Name: This report is for the Berkeley Tourism Business Improvement District

Fiscal Year of Report: This report applies to FY 2026 (July 1, 2025 – June 30, 2026) and proposes a budget and plan for FY2027 (July 1, 2026 – June 30, 2027).

Background: The Berkeley TBID is a benefit assessment district created in 2012 by a group of hoteliers to fund marketing and promotional efforts for Berkeley lodging businesses. The first 5-year agreement with the City of Berkeley was from November 1, 2012, through October 31, 2017. On November 18, 2014, the Berkeley City Council approved the transition of the BTBID to a fiscal year contract cycle effective 2015- 16. On April 25, 2017, City Council adopted the renewal of the Berkeley Tourism Business Improvement District for a ten (10) year term to maintain a revenue source devoted to marketing and promoting specific hotel-serving activities, beginning July 1, 2017, through June 30, 2027 (FYs18-27). In 2024 Visit Berkeley transitioned leadership, and through direction of the Board, spearheaded the early renewal and modification of the BTBID. On June 24, 2025, City Council adopted the renewal and modification of the Berkeley Tourism Business Improvement District for a ten (10) year term to increase a dedicated revenue source devoted to marketing and promoting specific hotel-serving activities, beginning July 1, 2025 through June 30, 2035 (FY26-FY36).

Boundaries: The Berkeley TBID includes all hotels with five or more rooms, existing and in the future, available for public occupancy within the boundaries of the City of Berkeley (Appendix II). The boundary includes approximately 18 hotel businesses (Appendix III). There are no proposed changes to the boundaries for fiscal year 2027.

Improvements and Activities for FY2027: This planning report is provided for informational purposes. Actual projects are subject to approval by the BTBID Committee and the Visit Berkeley board. Below are the improvements and activities planned for fiscal year 2027. The ideas presented below are subject to change during the course of the year depending on circumstances and availability of funds. The estimated budget is \$2,298,135.00 (Appendix I).

Market Summary Report: Comparing past fiscal years the City of Berkeley lodging industry has experienced steady growth YoY. Hotel occupancy was averaging 71.5% in Annual Year 2025. Average Daily Rates (ADR) is are showing \$189.62 in Annual Year 2025 compared to \$185.02 in Annual Year 2024. Meeting, events and leisure marketing have seen growth in Berkeley, in 2025, Berkeley outperformed neighboring cities, ranking first in occupancy and second in ADR, behind only San Francisco. It was one of just two markets to record growth in demand, occupancy, and revenue, reflecting a strong and balanced hospitality market.

Visit Berkeley is strengthening its relationship with UC Berkeley, with increased partnership throughout multiple offices and departments including the Office of the Chancellor, Event Services, Residential Student Services Programs, and Cal Athletics. Visit Berkeley will

continue to build partnerships and outreach to all departments encouraging utilization of Berkeley hotels and event space as their preferred choice for conferences and visitors.

Visit Berkeley will partner with local Business Improvement Districts (BIDs), the City of Berkeley's Office of Economic Development (OED) and Chamber of Commerce by supporting their events with social media campaigns targeting Berkeley residents and attracting local and regional visitors to Berkeley.

We anticipate TOT revenues to increase as we see both a resurgence in positive sentiment towards the San Francisco Bay Area from visitors, and an increase in marketing alignment with Visit California and their international offices, focusing on Mexico, Japan, Korea, and Australia. Visit Berkeley has increased our marketing efforts to target Corporate, Association, and SMERF meeting planners, and increased our international efforts for inbound travel, as well as individual Leisure travelers.
