Proposal For Services

Due: 09/15/2026 – 5:00 p.m.

The City of Berkeley **City Manager's Office** seeks competitive written proposals for **Supplemental Veterinary Services for Berkeley Animal Care Services.**

The work to be done includes:

- Contractor shall provide supplemental veterinary services for animals in the care of Berkeley Animal Care Services (BACS) when necessary diagnostic testing or treatment cannot be provided in-house due to equipment, staffing, or treatment limitations.
- Services will be provided on an as-needed basis. BACS anticipates utilizing the Contractor's services no more than a few times per month.
- Contractor should provide pricing for the services listed below. Pricing should identify the cost for each service where possible. A general price range may be provided for dentistry, as individual cases may require a separate estimate.

SERVICES AND PRICING REQUESTED

- **Radiographs**
 - Sedation for radiographs
 - Radiograph review/interpretation
- **Ultrasound**
- **Day hospitalization**
 - With fluids
 - With IV antibiotics and/or pain medications
- **Dentistry**
 - General price range
- **Urgent care examination**
 - Examination of stable animals requiring veterinary evaluation on a day when BACS does not have an in-house veterinarian available. Cases may include suspected abuse victims, animals suspected of being hit by a vehicle, fight wounds, or similar injuries or medical concerns that may require treatment.

DATE SENT TO VENDORS: 09/01/2026

Instructions to vendors:

On company letterhead, submit a signed, firm, lump sum proposal to accomplish the project described in the quote. **Total cost of all services shall not exceed \$50,000.** Term of performance shall not exceed 12 months.
