# CEDAR ST/GRANT ST MEDIAN CROSSING
# SAFETY IMPROVEMENT PROJECT

Funded by Measure FF SAFE STREETS

## JOIN US FOR A VIRTUAL INFO SESSION

**Monday, November 16th, 2026**

**6:00 pm**

berkeleyca.gov/your-government/our-work/capital-projects/cedar-street-grant-street-median-crossing

The City of Berkeley Public Works Department will be hosting an online public meeting to present a draft conceptual design for a proposed new median refuge island on Cedar Street (at Grant Street) and solicit input from the public. This project is intended to improve safety for pedestrians and bicyclists at Cedar Street/Grant Street.

City of Berkeley

Public Works Department

# JOIN US FOR A VIRTUAL INFO SESSION ON MONDAY, NOVEMBER 16th, FROM 6-7 PM

to learn about the safety enhancements planned at the Cedar Street/Grant Street intersection.

The project includes:

- A median refuge island for pedestrians and bikes and associated traffic diversion
- A fourth crosswalk, along the west side of the intersection
- Accessible curb ramps
- Improved connection for the proposed future Grant Street Bicycle Boulevard

## We Want Your Feedback!

The Concept Design will be available on the project website in early November. Community members are invited to review the design and submit comments by email to the Measure FF team by November 30, 2026. You can also talk with project staff and share feedback at the upcoming public meeting.

### COMMUNICATION ACCESS INFORMATION

To request disability-related accommodation(s) to participate in the meeting, including auxiliary aids or services, please call (510)981-6418 or email ada@berkeleyca.gov at least three business days before the meeting date.
