I. SUMMARY

A representative payee is a person or organization appointed by the Social Security Administration to receive the Social Security or Supplemental Security Income benefits for anyone who is unable to manage or direct the management of his or her benefits. A payee's main duties are to use the benefits to pay for the current and future needs of the beneficiary, and properly save any benefits not needed to meet current needs. A payee must also keep records of expenses. When a regulatory agency requests a report, a payee must provide an accounting of how he or she used or saved the benefits.

The City of Berkeley's Mental Health Division (BMH) currently provides representative payee services to approximately 90 clients through the Alameda County Substitute Payee Program (ACSPP). Although ACSPP acts as payee, they do not have direct contact with clients, and BMH staff act as intermediaries. Providing these services detracts from BMH's core mission of providing outpatient mental health services which emphasize client needs, strengths, choices and empowerment. Of the approximately 90 clients who use BMH as their representative payee, roughly 75 are in stable housing and have relatively static budgets which do not require frequent intervention. That fact notwithstanding, providing these services alters the relationship between clients and clinicians, introducing angst and potentially damaging the rapport and trust necessary to produce healthy outcomes.

The City requests that all respondents to this RFP submit proposals that are concise and complete. It is not necessary to submit a marketing document. All proposals will become part of the public record and respondents shall not include confidential or proprietary information.

II. SCOPE OF SERVICES

The City is requesting proposals from qualified individuals and firms capable of achieving the following:

1) *Become an approved representative payee* – Acquire approval from the Social Security Administration to provide these services to beneficiaries. Make all financial records related to the program available anytime requested by BMH for transparency and audit purposes.
2) *Demonstrate institutional capacity* – Prove to the City that your organization is able to handle the population type and size involved, as well as the type and scope of services required.
3) *Create clear guidelines around acceptable behavior* – Provide well-defined parameters about which behaviors are and are not acceptable for clients to engage in on site and within the context of the payee relationship. Propose a Code of Conduct and protocols for addressing unacceptable behaviors.
4) *Establish the option for clients to meet face-to-face regularly for payee services* – Offer clients the opportunity to meet with a member of your staff at least once each month, and more frequently as needed.
5) *Create policies and procedures to keep vulnerable clients receiving representative payee services from being targeted or taken advantage of* – Provide well-defined parameters relating to how vulnerable clients will be protected in all circumstances. Propose vulnerable client protection protocols.
6) *Coordinate service delivery with BMH* – Regularly communicate with BMH about client needs and experiences. Change practices based on feedback from BMH.

It should be noted that BMH will determine all referrals into the program based on our own assessment of client needs, and that payment for services will be provided directly by BMH, rather than being deducted from client benefits. The total Not to Exceed (NTE) amount of the contract resulting from this RFP will be $100,000 per year, paid for a total of 125 clients to allow for growth from current levels of service delivery, irrespective of whether less clients actually use the service.

III. SUBMISSION REQUIREMENTS

All proposals shall include the following information, organized as separate sections of the proposal. The proposal should be concise and to the point.

1. Contractor Identification:

   Provide the name of the firm, the firm's principal place of business (see section VII, F. – Local Vendor Preference), the name and telephone number of the contact person and company tax identification number.

2. Client References:

   Provide a minimum *of three (3)* client references. References should be California cities or other large public sector entities. Provide the designated person's name, title, organization, address, telephone number, and the project(s) that were completed under that client's direction.

3. Price Proposal:

   The proposal shall include pricing for all services. Pricing shall be all inclusive unless indicated otherwise. Pricing proposals shall be a separate document. The Proposal shall itemize all services, including hourly rates for all professional, technical and support personnel, and all other charges related to completion of the work shall be itemized. Evaluation of price proposals are subject to the local vendor business preference (see section VII.F.).

4. Contract Terminations:

   If your organization has had a contract terminated in the last five (5) years, describe such incident. Termination for default is defined as notice to stop performance due to the vendor's non-performance or poor performance and the issue of performance was either (a) not litigated due to inaction on the part of the vendor, or (b) litigated and such litigation determined that the vendor was in default.

   Submit full details of the terms for default including the other party's name, address, and phone number. Present the vendor's position on the matter. The City will evaluate the facts and may, at its sole discretion, reject the proposal on the grounds of the past experience.

   If the firm has not experienced any such termination for default or early termination in the past five (5) years, so indicate.

IV. SELECTION CRITERIA

The following criteria will be considered, although not exclusively, in determining which firm is hired.

1.	Project Approach	30%
2.	Expertise & References	30%
3.	Costs*	40%

* Effective 1/1/2022. *Local Vendor Preference. For the purposes of comparing pricing as part of this competitive RFP for goods up to $100,000 or non-professional services up to $250,000, 5% shall be deducted from the bid price proposal from any local Berkeley vendor.*

A selection panel will be convened of staff to evaluate and score submittals.

V. PAYMENT

Invoices: Invoices must be fully itemized and provide sufficient information for approving payment and audit. Invoices must be accompanied by receipt for services in order for payment to be processed. **Email invoices to Accounts Payable and cc: comurphy @berkeleyca.gov;** (List on invoice, Attn: Conor Murphy/HHCS) and reference the contract number.

VI. CITY REQUIREMENTS

A. Non-Discrimination Requirements:

Ordinance No. 5876-N.S. codified in B.M.C. Chapter 13.26 states that, for contracts worth more than $3,000 bids for supplies or bids or proposals for services shall include a completed Workforce Composition Form. Businesses with fewer than five employees are exempt from submitting this form. (See B.M.C. 13.26.030)

Under B.M.C. section 13.26.060, the City may require any bidder or vendor it believes may have discriminated to submit a Non-Discrimination Program. The Contract Compliance Officer will make this determination. This applies to all contracts and all consultants (contractors). Berkeley Municipal Code section 13.26.070 requires that all contracts with the City contain a non-discrimination clause, in which the contractor agrees not to discriminate and allows the City access to records necessary to monitor compliance. This section also applies to all contracts and all consultants.
Bidders must submit the attached Non-Discrimination Disclosure Form with their proposal.

B. Nuclear Free Berkeley Disclosure Form:

Berkeley Municipal Code section 12.90.070 prohibits the City from granting contracts to companies that knowingly engage in work for nuclear weapons. This contracting prohibition may be waived if the City Council determines that no reasonable alternative exists to doing business with a company that engages in nuclear weapons work. If your company engages in work for nuclear weapons, explain on the Disclosure Form the nature of such work.
Bidders must submit the attached Nuclear Free Disclosure Form with their proposal.

C. Oppressive States:

The City of Berkeley prohibits granting of contracts to firms that knowingly provide personal services to specified Countries. This contracting prohibition may be waived if the City Council determines that no reasonable alternative exists to doing business with a company that is covered by City Council Resolution Nos. 59,853-N.S., 60,382-N.S., and 70,606-N.S. If your company or any subsidiary is covered, explain on the Disclosure Form the nature of such work.

Bidders must submit the attached Oppressive States Disclosure Form with their proposal.

D. Sanctuary City Contracting Ordinance:

Chapter 13.105 of the Berkeley Municipal Code prohibits the City from granting and or retaining contracts with any person or entity that provides Data Broker or Extreme Vetting services to the U.S. Immigration and Customs Enforcement Division of the United States Department of Homeland Security ("ICE").
Bidders must submit the attached Sanctuary City Compliance Statement with their proposal.

E. Conflict of Interest:

In the sole judgment of the City, any and all proposals are subject to disqualification on the basis of a conflict of interest. The City may not contract with a vendor if the vendor or an employee, officer or director of the proposer's firm, or any immediate family member of the preceding, has served as an elected official, employee, board or commission member of the City who influences the making of the contract or has a direct or indirect interest in the contract.

Furthermore, the City may not contract with any vendor whose income, investment, or real property interest may be affected by the contract. The City, at its sole option, may disqualify any proposal on the basis of such a conflict of interest.
Please identify any person associated with the firm that has a potential conflict of interest.

F. Berkeley Living Wage Ordinance:

Chapter 13.27 of the Berkeley Municipal Code requires that contractors offer all eligible employees with City mandated minimum compensation during the term of any contract that may be awarded by the City. If the Contractor is not currently subject to the Living Wage Ordinance, cumulative contracts with the City within a one-year period may subject Contractor to the requirements under B.M.C. Chapter 13.27. A certification of compliance with this ordinance will be required upon execution of a contract. The current Living Wage rate can be found here: Information for Vendors | City of Berkeley (berkeleyca.gov). The Living Wage rate is adjusted automatically effective June 30th of each year commensurate with the corresponding increase in the Consumer Price Index published in April of each year. If the Living Wage rate is adjusted during the term of your agreement, you must pay the new adjusted rate to all eligible employees, regardless of what the rate was when the contract was executed.

G. Berkeley Equal Benefits Ordinance:

Chapter 13.29 of the Berkeley Municipal Code requires that contractors offer domestic partners the same access to benefits that are available to spouses. A certification of compliance with this ordinance will be required upon execution of a contract.

H. Statement of Economic Interest:

The City's Conflict of Interest Code designates "consultants" as a category of persons who must complete Form 700, Statement of Economic Interest, at the beginning of the contract period and again at the termination of the contract. The selected contractor will be required to complete the Form 700 before work may begin.

VII. OTHER REQUIREMENTS

A. Insurance

The selected contractor will be required to maintain general liability insurance in the minimum amount of $2,000,000, automobile liability insurance in the minimum amount of $1,000,000 and a professional liability insurance policy in the amount of $2,000,000 to cover any claims arising out of the performance of the

contract. The general liability and automobile insurance must name the City, its officers, agents, volunteers and employees as additional insured.

Insurance Waiver: *A situation in which insurance is not necessary is different from a case in which insurance may be waived. An insurance waiver is appropriate where insurance would usually be necessary but when, as a policy matter, the City is willing to take the risk of allowing an uninsured or under-insured individual or business to perform the work (usually when the risk of liability is low). An insurance waiver may be granted only by the Risk Manager in writing with the approval of the City Manager. If a potential bidder expresses an inability to meet the insurance requirement, he or she should be encouraged to contact the Project Manager & Risk Manager for assistance in obtaining insurance.)*

B. Worker's Compensation Insurance:

A selected contractor who employs any person shall maintain workers' compensation insurance in accordance with state requirements. Sole proprietors with no employees are not required to carry Worker's Compensation Insurance.

C. Business License

Virtually every contractor that does business with the City must obtain a City business license as mandated by B.M.C. Ch. 9.04. The business license requirement applies whether or not the contractor has an office within the City limits. However, a "casual" or "isolated" business transaction (B.M.C. section 9.04.010) does not subject the contractor to the license tax. Warehousing businesses and charitable organizations are the only entities specifically exempted in the code from the license requirement (see B.M.C. sections, 9.04.295 and 9.04.300). Non-profit organizations are granted partial exemptions (see B.M.C. section 9.04.305). Persons who, by reason of physical infirmity, unavoidable misfortune, or unavoidable poverty, may be granted an exemption of one annual free license at the discretion of the Director of Finance. (See B.M.C. sections 9.04.290).

Vendor must apply for a City business license and show proof of application to Purchasing Manager within seven days of being selected as intended contractor.

The Customer Service Division of the Finance Department located at 1947 Center Street, Berkeley, CA 94704, issues business licenses. Contractors should contact this division for questions and/or information on obtaining a City business license in person, or by calling 510-981-7200**.**

D. Recycled Paper

Any printed reports for the City required during the performance of the work shall be on 100% recycled paper and shall be ***printed on both sides of the page*** whenever practical.

E. State Prevailing Wage:

Certain labor categories under this project may be subject to prevailing wages as identified in the State of California Labor Code commencing in Section 1770 et seq. These labor categories, when employed for any "work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work," constitute a "Public Work" within the definition of Section 1720(a)(1) of the California Labor Code requiring payment of prevailing wages.

Wage information is available through the California Division of Industrial Relations web site at: http://www.dir.ca.gov/OPRL/statistics_and_databases.html

F. Local Vendor Preference

City of Berkeley applies a local vendor preference for comparing pricing submittals in RFP responses (City Council Resolution No. 69,890-N.S.)

A **local business** is defined as "a business firm with fixed offices or distribution points located within the City of Berkeley boundaries and listed in the Permits and License Tax paid file, with a Berkeley business street address."
