

INTRODUCTION

Under the Berkeley Election Reform Act, all candidates running for local office, ballot measure committees, certain general purpose committees, and primarily formed committees supporting or opposing candidates and/or measures in the November 3, 2026 Election are required to disclose information regarding individual contributors who give \$50 or more. The Berkeley Election Reform Act requires that the City publish a list of all persons contributing \$50 or more to any candidate or committee in that election and the amounts of the contributions reported through October 17, 2026.

The list includes contributions from the beginning of the 2026 election cycle through October 17, 2026, which were disclosed on campaign statements received by the City Clerk Department. Copies of the campaign statements including contributions and expenditures are posted on the City of Berkeley's website at the Public Access Portal (<https://www.netfile.com/agency/brk/>) and may be viewed at the City Clerk Department, 2180 Milvia Street, Berkeley.

In 2016, Berkeley voters adopted the Berkeley Fair Elections Act of 2016. This ballot measure created a voluntary program providing public matching funds for candidates running for the office of Mayor, City Council, Rent Stabilization Board, School Board Director, and Auditor. Participating candidates are eligible to receive a 6-to-1 match on qualifying contributions of up to \$60 (e.g., for a \$60 qualifying contribution, a participating candidate receives \$360 in public matching funds). Candidates participating in the Public Finance program are identified by “PF” next to the committee name. Not all contributions are eligible for matching funds.

The list of contributions is available in hard copy at the following locations in Berkeley and online at <https://berkeleyca.gov/your-government/elections/campaign-finance>.
