This meeting will be conducted in accordance with the Brown Act, Government Code Section 54953. Any member of the public may attend this meeting, however, if you are feeling sick, please do not attend the meeting in person. The City Council may take action related to any subject listed on the Agenda.

Pursuant to the City Council Rules of Procedure and State Law, the presiding officer may remove, or cause the removal of, an individual for disrupting the meeting. Prior to removing an individual, the presiding officer shall warn the individual that their behavior is disrupting the meeting and that their failure to cease their behavior may result in their removal. The presiding officer may then remove the individual if they do not promptly cease their disruptive behavior. "Disrupting" means engaging in behavior during a meeting of a legislative body that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting and includes, but is not limited to, a failure to comply with reasonable and lawful regulations adopted by a legislative body, or engaging in behavior that constitutes use of force or a true threat of force.

Government Code Section 84308 (Levine Act) - Parties to a proceeding involving a license, permit, or other entitlement for use are required to disclose if they made contributions over \$500 within the prior 12 months to any City employee or officer. Parties and participants with a financial interest are prohibited from making more than \$500 in contributions to a decisionmaker for the 12 months after the final decision is rendered on the proceeding. The above contribution disclosures and restrictions do not apply when the proceeding is competitively bid, or involves a personnel or labor contract. For more information, see Government Code Section 84308.

Roll Call:

Action Calendar

The public may comment on each item listed on the agenda for action. For items moved to the Action Calendar from the Consent Calendar or Information Calendar, persons who spoke on the item during the Consent Calendar public comment period may speak again during the Action Calendar public comment period on the item

The Presiding Officer will request that persons wishing to speak line up at the podium, or use the "raise hand" function in Zoom, to determine the number of persons interested in speaking at that time. If ten or fewer persons are interested in speaking on an individual agenda item, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. The Presiding Officer may, with the consent of persons representing both sides of an issue, allocate a block of time to each side to present their issue.

Action items may be reordered at the discretion of the Chair with the consent of Council.

The Presiding Officer may open and close an additional comment period for Action items on this agenda (excluding any public hearings, appeals, and/or quasi-judicial matters), at the start of the Action Calendar. Those who speak on an item during this comment period may not speak a second time when the item is taken up by Council.

Special Meeting Item

ACTION CALENDAR

March 11, 2025

To: Honorable Mayor and Members of the City Council

From: Paul Buddenhagen, City Manager

Submitted by: Mark Numainville, City Clerk

Subject: 2025 City Council Referral Prioritization Process Using Re-Weighted Range Voting (RRV)

RECOMMENDATION

(1) Review the City Council raw scores for all outstanding City Council referrals; (2) Approve the removal of referrals that have been nominated for removal by the Council; and (3) Direct the City Manager to run the ranking algorithm and return to Council with a final ranked list of referrals for adoption.

FISCAL IMPACTS OF RECOMMENDATION

There are no direct fiscal impacts related to the review and approval of the referral list.

CURRENT SITUATION AND ITS EFFECTS

Through the January 21, 2025 City Council meeting, there were 57 outstanding long-term referrals to staff. The list does not include referrals that the City Manager has classified as short-term referrals or budget referrals.

The raw scores (0=low priority, 5=high priority) for each referral is shown in the RRV spreadsheet in Attachment 1. These scores will be used by the ServiceNow system when it runs the ranking algorithm and creates the final ranked list of referrals.

During the scoring process, Councilmembers had the option to identify referrals that should be removed from the prioritization process. In the 2025 process, 20 referrals were marked for removal. A complete list of the referrals marked for removal is in Attachment 2. During consideration of this item at the March 11 special meeting, the City Council may decide to remove additional referrals from the list if it so desires.

After the Council takes action to remove referrals, staff will apply the RRV formula to the raw scoring resulting in a prioritized list. These results will be presented to the Council at a special meeting on March 25 for adoption.

BACKGROUND

In 2016, the City Council adopted a system of Re-weighted Range Voting (RRV) to prioritize City Council referrals to staff. The RRV system enables City Council to provide direction to staff on which referrals are highest priority and should be completed first.

Reweighted Range Voting is a proportional representation voting system designed for a blend of fairness and consensus, meaning that it ensures some representation for minority views as well. It accomplishes this by reducing the influence of Councilmembers in proportion to the points they have awarded to the referrals prioritized thus far.

Under RRV, Each Councilmember rates every referral on a scale of zero to five. There is no limit to repeat scores (i.e. a Councilmember could give every referral a five). When the scores are tallied, the referral with the highest total score becomes the 1st priority. Once the first referral is assigned, the scores for the remaining referrals are reweighted based on how much influence each Councilmember has had up to that point (based on the score they assigned, 0 - 5). If a Councilmember assigns high scores to several referrals, they use up the strength of their weighted vote more quickly and exercise diminishing influence when the scores are reweighted for subsequent referrals. This guarantees equal influence throughout the full list. If a Councilmember did not score a referral, the default score was set to zero.

ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

There are no identifiable environmental effects or opportunities, or climate impacts, associated with the subject of this report.

RATIONALE FOR RECOMMENDATION

This recommendation carries out the direction of the Council to implement a prioritization process for City Council referrals to staff.

ALTERNATIVE ACTIONS CONSIDERED

Council may decide to forgo a prioritization process and continue the referral process with no structured tracking or prioritization of referrals.

DMND0003975	Referral to Strengthen Public Health and Environmental Impact Mitigation for Industrial Facilities in the Manufacturing Zone DMND0003975	Refer to the City Manager to: Establish a procedure for enhanced review of use permits in the manufacturing zone for industrial facilities—upon initial submission or upon submission of an amended use permit—in order to ensure public health and environmental impacts are appropriately mitigated as a condition of the use permit. Further, if appropriate, consider mitigation that includes the use-permit applicant contracting with a certified third-party to install air quality monitoring device(s) that can enable periodic reporting on pollutants relevant to the particular industrial process proposed in the initial or amended use permit. Explore feasibility of increasing penalty fee schedule as a deterrence for use-permit violations related to public health and environmental impacts, such as air, noise, and water pollution.	2021-09-28	PLANNING & DEVELOPMENT	Rashi Kesarwani, Terry Taplin, Lori Droste, Susan Wengraf	0	2	0	0	0	0	4	0	1	NO
