**Land Acknowledgement Statement:** *The City of Berkeley recognizes that the community we live in was built on the territory of xučyun (Huchiun (Hooch-yoon)), the ancestral and unceded land of the Chochenyo (Cho-chen-yo)-speaking Ohlone (Oh-low-nee) people, the ancestors and descendants of the sovereign Verona Band of Alameda County. This land was and continues to be of great importance to all of the Ohlone Tribes and descendants of the Verona Band. As we begin our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the documented 5,000-year history of a vibrant community at the West Berkeley Shellmound, and the Ohlone people who continue to reside in the East Bay. We recognize that Berkeley’s residents have and continue to benefit from the use and occupation of this unceded stolen land since the City of Berkeley’s incorporation in 1878. As stewards of the laws regulating the City of Berkeley, it is not only vital that we recognize the history of this land, but also recognize that the Ohlone people are present members of Berkeley and other East Bay communities today. The City of Berkeley will continue to build relationships with the Lisjan Tribe and to create meaningful actions that uphold the intention of this land acknowledgement.*

**From: Councilmember Humbert (Author), Councilmember O’Keefe (Co-Sponsor)**

**Recommendation:** Rescind and replace Ordinance 7760-N.S. the Police Equipment and Community Safety Ordinance (enacted May 11, 2021) because the State-level reporting requirements mandated by Chapter 12.8 (Sections 7070 to 7075) of Division 7 of Title 1 of the California Government Code (hereafter referred to as Chapter 12.8) already provide a comprehensive and sufficient framework for police equipment oversight.

This item would bring Berkeley’s local reporting requirements into alignment with those of Chapter 12.8 and allow for one consolidated report, beginning with the 2025 report. The item would also maintain additional targeted reporting requirements for equipment deployment and ongoing use of force reporting under Policy 300.

*Policy Committee Recommendation: To send the item with a qualified positive recommendation to Council, recognizing the intention for one report, with the following matters noted for further consideration: -Clarifying the role of public reporting of data through the Transparency Hub. -Continued consideration of less-lethal deployment policies, including a possible review of Policy 300. -Consideration of reporting on the acquisition and use of controlled equipment, aligning with AB 481 and allowing for review by the Police Accountability Board.*
