The Licensee's obligation to indemnify applies regardless of whether a liability is a result of the negligence of any other person, unless it is adjudicated that the liability is caused by the sole active negligence or sole willful misconduct of an indemnified party.

b. The duty to defend is a separate and distinct obligation from the Licensee's duty to indemnify. The Licensee shall be obligated to defend, in all legal, equitable, administrative,

or special proceedings, with counsel approved by the Landlord, the Landlord and its directors, officers, and employees, immediately upon submittal to the Licensee of the claim in any form or at any stage of an action or proceeding, whether or not liability is established. A determination of comparative active negligence or willful misconduct by an indemnified party does not relieve the Licensee from its separate and distinct obligation to defend Landlord. The obligation to defend extends through final judgment, including exhaustion of any appeals. The defense obligation includes an obligation to provide independent defense counsel if Licensee asserts that liability is caused in whole or in part by the negligence or willful misconduct of the indemnified party. If it is finally adjudicated that liability was caused by the sole active negligence or sole willful misconduct of an indemnified party, Licensee may submit a claim to the Landlord for reimbursement of reasonable attorneys' fees and defense costs.

c. The review, acceptance or approval of any of Licensee's work or work product by any indemnified party shall not affect, relieve or reduce the Licensee's indemnification or defense obligations. This Section survives the termination of this License. The provisions of this Section are not limited by and do not affect the provisions of this License relating to insurance.

d. Liabilities subject to this Section include any claim of discrimination or harassment, including but not limited to sexual harassment, arising from the conduct of the Licensee or any of the Licensee's officers, employees, agents, licensees, or subcontractors. In the event of a discrimination or harassment complaint against any employee, agent, licensee or subcontractor of the Licensee or its subcontractors, the Licensee shall take immediate and appropriate action in response to such complaint, including, but not limited to termination or appropriate discipline of any responsible employee, agent, licensee or subcontractor.

e. Neither Licensee nor its assignees, heirs, guardians, and legal representatives shall make a claim against or sue City or its employees, agents or contractors for injury or damage resulting from the negligence, whether active or passive, or other acts, however caused, by any employee, agent, or contractor of the City as a result of Licensee's presence on the Property. Licensee hereby acknowledges that the Property specifically and 1931 Center Street generally requires certain structural or code upgrades and accepts the conditions of the premises "as is."

f. LICENSEE ACKNOWLEDGES THAT 1931 CENTER STREET HAS BEEN DEEMED TO BE UNSAFE AND SUBJECT TO SEVERE DAMAGE DURING ANY MAJOR EARTHQUAKE. LICENSEE OCCUPIES THE BUILDING AT ITS OWN RISK. LICENSEE HEREBY RELEASES AND DISCHARGES THE CITY OF BERKELEY AND ITS EMPLOYEES, AGENTS, AND CONTRACTORS, FROM ALL ACTIONS, CLAIMS OR DEMANDS THAT LICENSEE, ITS HEIRS, GUARDIANS, AND LEGAL REPRESENTATIVES NOW HAVE OR MAY HAVE IN THE FUTURE FOR INJURY RESULTING FROM AN EARTHQUAKE.

17. **INSURANCE**

a. Licensee at its cost shall maintain commercial general liability and property damage insurance with a single combined liability limit of **\$2,000,000.00** and property damage limits of not less than **\$1,00,000.00** per occurrence insuring against all liability of

Licensee and its authorized representatives arising out of and in connection with Licensee's use or occupancy of the Property. All such insurance shall insure performance by Licensee of the preceding indemnity provisions. All insurance shall name the City of Berkeley, its officers, agents, volunteers and employees as additional insureds and shall provide primary coverage with respect to the City.

b. If the insurance referred to above is written on a Claims Made Form, then following termination of this License, coverage shall survive for a period of not less than five years. Coverage shall also provide for a retroactive date of placement coinciding with the effective date of this License.

c. Licensee at its cost shall maintain on all its personal property, Licensee's improvements, and alterations, in, on, or about the Premises, a policy of standard fire and extended coverage insurance, with vandalism and malicious mischief endorsements. This coverage shall be considered primary, and the proceeds from any such policy shall be used by Licensee for the replacement of personal property or the restoration of Licensee's improvements or alterations.

d. If Licensee employs any person, it shall carry workers' compensation and employer's liability insurance and shall provide a certificate of insurance to the City. The workers' compensation insurance shall: provide that the insurance carrier shall not cancel, terminate, or otherwise modify the terms and conditions of said insurance except upon thirty (30) days prior written notice to the City; provide for a waiver of any right of subrogation against City to the extent permitted by law; and be approved as to form and sufficiency by the City's Risk Manager.

e. Licensee shall forward all insurance documents to
Real Property Administrator
Public Works Department
1947 Center Street, 4th Flr.

c. If a release of hazardous materials or hazardous waste occurs in connection with the performance of this License, Licensee shall immediately notify the Berkeley Police Department and the City's Emergency and Toxics Management office.

d. Licensee shall not store hazardous materials or hazardous waste within the City of Berkeley without a proper permit from the City.

19. INDEPENDENT CAPACITY

For purposes of this License, and for the duration of this License, Licensee, including its agents and employees, shall be, and is, an independent contractor and not an agent or employee of the City. Licensee has and shall retain the right to exercise full control and supervision of the services, and full control over the employment, direction, compensation and discharge of all persons assisting Licensee in the performance of this License.
