To: Honorable Mayor and Members of the City Council

From: Dee Williams-Ridley, City Manager

Subject: Grant from the William and Flora Hewlett Foundation

RECOMMENDATION

Adopt a Resolution accepting a \$20,000 grant from the William and Flora Hewlett Foundation for an assessment of arts space affordability challenges, displacement risks and possible strategies to protect affordable spaces for arts organizations, artists and cultural workers in the City of Berkeley.

FISCAL IMPACTS OF RECOMMENDATION

There are no immediate fiscal impacts because the grant covers the total cost of the assessment and does not require matching funds. The grant funds will be deposited and expensed from the One-Time Grant Fund. The grant will be appropriated in the FY 2020 Annual Appropriations Ordinance and is subject to Council approval of this item on June 25, 2019.

CURRENT SITUATION AND ITS EFFECTS

The William and Flora Hewlett Foundation has awarded the City of Berkeley a \$20,000 grant to conduct an assessment of arts space affordability challenges, displacement risks and possible strategies to protect affordable spaces for arts organizations, artists and cultural workers in the City of Berkeley. The grant funding for this study will be used entirely for a project consultant who will be hired by the City of Berkeley through a competitive process to be conducted once the grant award has been approved by Berkeley City Council.

Under the supervision of Berkeley Civic Arts Program staff, the consultant will help assemble and then work with an ad-hoc, multi-disciplinary advisory group comprised of artists, arts organization leaders, planners, architects, experts on affordable housing, developers and City staff. This group will inform the development of a survey to be distributed to Berkeley-based artists and arts organizations. The consultant will work to ensure broad participation in the survey. Throughout the study period, the consultant will continue to convene the advisory group so that they may provide input on the analysis of the survey results and be engaged in vetting strategies for creating and preserving affordable spaces for artists and arts organizations in Berkeley. The final deliverable will be a report, which outlines the survey findings, provides analysis and

lists the strategies in prioritized order, indicating the steps and resources needed for implementation. The study will take one year to complete.

This assessment supports the City's Strategic Plan Priorities by advancing our goals to:

- Foster a dynamic, sustainable, and locally-based economy
- Create affordable housing and housing support service for our most vulnerable community members.

BACKGROUND

The William and Flora Hewlett Foundation supported the 2018 Arts and Cultural Plan Update for the City of Berkeley, which originated in 2015 partially in response to economic conditions that were just beginning to affect affordability for Berkeley's arts organizations and artists. This cultural planning initiative allowed the Civic Arts Program and the Civic Arts Commission to take a leap forward in identifying and clarifying a common vision for the arts in Berkeley and to build consensus and community support around the specific policy priorities to get us there. Through the planning process, issues of housing affordability and art space affordability were identified as central concerns for artists and arts organizations in Berkeley. The plan identified as its first goal to increase access to affordable housing and affordable spaces for artists and arts organizations. It also specified a number of action steps towards that goal, while acknowledging that the resources to undertake many of these action steps did not currently exist.

In order to support Berkeley's arts and culture ecosystem at this critical time, the William and Flora Hewlett Foundation has awarded additional grant support in the amount of \$20,000 to conduct an assessment of current art space affordability challenges and displacement risks within Berkeley, and based upon those findings, develop strategies to protect affordable spaces for arts organizations, artists, and cultural workers in Berkeley.

ENVIRONMENTAL SUSTAINABILITY

There are no environmental sustainability effects.

RATIONALE FOR RECOMMENDATION

Berkeley's artists and arts organizations make enormous creative contributions to the livability of our city and keep diverse cultural traditions alive. Along with the cultural vibrancy that the arts infuse into the community, the arts sector is also a significant economic driver, generating an estimated \$165 million annually in total economic activity in Berkeley, according to the economic impact analysis completed as part of the 2018 Culture Plan. Losing any part of our arts sector is a loss to our city and to the field of art and our various cultural legacies.

Dear Ms. Lovvorn:

I am pleased to inform you that The William and Flora Hewlett Foundation (the “Foundation”) has authorized a grant of \$20,000 over one year to City of Berkeley (“Grantee”) for an assessment of arts space affordability challenges, displacement risks and possible strategies. The grant will be paid in one installment. This grant is for an assessment of arts space affordability challenges, displacement risks and possible strategies.

In order for the Foundation to make payment, Grantee must accept the terms of the grant as set forth in the following paragraphs. The terms of this award letter constitute the entire agreement between the Foundation and the Grantee and supersede any prior oral or written understandings or communications between them. Please note that the Foundation reserves the right to cancel this grant if a signed copy of this Agreement is not received by the Foundation within 60 days of the date first written above.

Tax Status. Grantee confirms that it is a governmental unit referred to in Section 170(c)(1) of the Internal Revenue Code, or a Federal, state, local, or foreign government body, agency, or instrumentality that is treated as an organization described in Code Sections 501(c)(3) and 509(a)(1).

Use of Grant Funds. Grantee agrees that the grant funds will be used exclusively for charitable purposes as described in Section 501(c)(3) or Section 170(c)(1) of the Internal Revenue Code, and only in support of the activities described in Grantee's proposal of March 29, 2019 and the budget attached thereto. Funds not used during the term of the grant (April 22, 2019 to April 22, 2020) must be returned to the Foundation unless an extension is approved at Grantee's request and in the Foundation's discretion.

Grantee agrees to repay to the Foundation any portion of the grant funds expended in violation of this Agreement.

Prohibited Use of Funds. Grantee agrees to not use any portion of the grant funds to any extent for any of the following:

- a. To participate in any political campaign on behalf of or in opposition to any candidate for public office or to otherwise influence the outcome of any specific public election as described in Section 4945(d)(2) of the Internal Revenue Code;
or
- b. For any non-charitable purposes.

Prohibition on Lobbying Activity. No grant funds may be used for the carrying on of propaganda or attempting to influence legislation within the meaning of Internal Revenue Code Sections 501(h), 4945(d)(1) and 4945(e) and related regulations (these provisions include local, state, federal, and foreign legislation), and neither Grantee nor the Foundation has entered into any agreement, oral or written, to the contrary.

Please note that in the event Grantee uses any of the grant funds to influence governmental action in ways permissible under the Internal Revenue Code and the terms of this Agreement, Grantee may have lobby reporting or other disclosure requirements under the laws of a particular state or other jurisdiction; note further, that state law may include influencing state administrative agencies within the definition of lobbying. Grantee acknowledges that Grantee is solely responsible for complying with any and all applicable lobby reporting or other disclosures.

Special Limitations for Ballot Questions. The Foundation intends that the grant funds shall not be used to influence the qualification or passage of any ballot question or similar legislative decision put to voters. As an essential condition for receiving the grant funds, Grantee shall not use any portion of the grant funds in any manner that would cause the Foundation to be identified as funding reportable lobbying, or require the Foundation to register under any applicable state or local disclosure law, except as may otherwise be provided in this Agreement.

Human Subject Research. Safeguarding the rights and welfare of human subjects involved in research is principally the responsibility of the Grantee. However, while the Foundation does not micromanage or seek to interfere in the implementation of grants, Grantees conducting human subject research must have appropriate standards to ensure compliance with generally accepted research ethics. If grant funds will be used in whole or in part for research involving human subjects, Grantee represents that it has such rules and review processes in place and that these rules and processes will be followed. (Such processes may include: obtaining and maintaining institutional review board (or a research ethics review committee) approval, and informed consent of participating research subjects.) Grantee agrees that any subgrant or subcontract awarded by Grantee in its performance of the activities under this grant shall include similar rules and processes in regards to human subject research.

Furthermore, Grantee retains full authority and control over the selection process of any re-grants contemplated under the proposal. Specifically, any re-grants will be approved by the Grantee’s Board of Directors or its designee. The Foundation may not select re-grantees.

may direct the activities of the Grantee, including, if applicable, causing the selection of any government official to attend or participate in any event or activity of the Grantee. The Grantee exercises control over that selection process and makes the selection completely independent of the Foundation. Grantee acknowledges that the Foundation is relying upon the representations made by the Grantee in this section in determining that there is no legal impediment to the Foundation's making a grant to the Grantee.

Anti-Terrorism. You will not use funds provided under this Grant Agreement, directly or indirectly, in support of activities (a) prohibited by U.S. laws related to combatting terrorism; (b) with or related to parties on the List of Specially Designated Nationals (www.treasury.gov/sdn); or (c) with or related to countries against which the U.S. maintains a comprehensive embargo (currently, Cuba, Iran, (North) Sudan, Syria, North Korea, and the Crimea Region of Ukraine), unless such activities are fully authorized by the U.S. government under applicable law and specifically approved by the Foundation in its sole discretion. Further, you represent that Grantee is not the target of economic or trade sanctions, and Grantee will immediately inform the Foundation if Grantee becomes the target of economic or trade sanctions, including any ownership or control of Grantee by one or more persons on the List of Specially Designated Nationals.

Notification. Grantee agrees to notify the Foundation promptly of any organizational changes during the term of the grant, including, but not limited to, changes in key personnel and changes in tax status, and changes in the project timing or goals. Any such notification shall be provided in writing, which may be by electronic mail to the Program Officer or other Foundation representative responsible for overseeing this grant.

Evaluation. The Foundation may choose to conduct an evaluation of the effectiveness of this grant (the "Evaluation") either individually or as part of a broader Foundation strategy. Grantee agrees to cooperate in the Evaluation and provide such information to the Foundation or its representatives as is reasonably requested.

Grantee further agrees that the Foundation can disseminate to the public the results of the Evaluation, including any data created in connection with the Evaluation. In such cases, the Foundation agrees to first share the results of the Evaluation with the Grantee and provide an opportunity for the Grantee to comment.

Grant Disclosure and Acknowledgement. The Foundation supports transparency and will disclose its grants as required by law and through its own digital content, principally its website (www.hewlett.org) and automated feeds to other data sources in the foundation sector. This data generally includes grantee name, grant amount, duration, award date and purpose. No additional permission from the Foundation is required for a grantee to share this information. The Foundation encourages, but does not require, grantees to include the Foundation in lists of funders and annual reports as a matter of transparency and

accountability. Similarly, the Foundation encourages, but does not require, that Grantees that use our funds specifically for nonpartisan research and analysis should disclose us as a funder, as a matter of sound research practice. Upon the expiration of this Agreement (including any Foundation-approved extensions) or the termination of this Agreement, or at the request of the Foundation at any time, Grantee shall promptly discontinue the use of the Foundation's name and logo in electronic materials and shall discontinue use within a reasonable period of time for printed materials. Alternatively, Grantee may return an original signed copy of the grant agreement letter by mail to the Foundation's offices at 2121 Sand Hill Road, Menlo Park, CA 94025, Attention: Grants Management. For grant agreement letters submitted by email, the Grantee agrees to provide the original signed copy to the Foundation at the Foundation's request. This grant agreement may be executed by Grantee and the Foundation in one or more counterparts, each of which will be deemed an original and all of which will constitute one and the same agreement.
