Subject: FY 2020 Tax Rate: Fund the Debt Service on the Affordable Housing General Obligation Bonds (Measure O, November 2018 Election)

RECOMMENDATION

Adopt first reading of an Ordinance setting the FY 2020 tax rate funding the debt service on the Affordable Housing General Obligation Bonds (Measure O, November 2018) at 0.0062%.

FISCAL IMPACTS OF RECOMMENDATION

The tax levy of the recommended 0.0062% will result in estimated collections of \$1,250,000. This amount will be sufficient to make the debt service payments on the proposed Series A Bonds to be issued in the spring of 2020 with debt service due September 1, 2020.

CURRENT SITUATION AND ITS EFFECTS

The 0.0062% tax rate for FY 2020 being set by the City Council is based on the projected debt service of the Series A Bonds for \$30,000,000, the estimated FY 2020 assessed values for all rolls (secured, unsecured and utility), a delinquency reserve of 5%, and the surplus remaining in the fund. Since Alameda County does not release final assessed value figures until early August, the City is using preliminary values. Staff is confident that the preliminary values will not be materially different from the County's final figure. The City must establish a tax rate that will be sufficient to make debt service payments even if there are unusual levels of delinquency.

Because all taxes collected from the general obligation levy will be deposited in a special fund, and collections not used to pay debt service for the FY 2020 bond year will be retained in the fund to pay future obligations, the tax impact of any over-collection will be credited against future debt service payments and the required levy.

It is recommended that the City Council authorize a FY 2020 tax rate of 0.0062% which will result in the following cost to the average homeowner during FY 2020:

Annual Tax	
Assessed Value	FY 2020 Tax
\$150,000	\$9.30
250,000	15.50
300,000	18.60
400,000	24.80
500,000	31.00
600,000	37.20
700,000	43.40
800,000	49.60
900,000	55.80
1,000,000	62.00

BACKGROUND

In November 2018, the residents of Berkeley voted for and approved Ballot Measure O, for the sum of \$135,000,000 of General Obligation Bonds to create and preserve affordable housing for low-income households, working families, and individuals including teachers, seniors, veterans, the homeless, and persons with disabilities.

It is anticipated that the first series of bonds will be issued in early 2020 and require a tax levy for the FY2020 tax cycle in order to make the September 1, 2020 debt service payment.
