

Office of the City Manager

CONSENT CALENDAR

November 19, 2019

To: Honorable Mayor and Members of the City Council

From: Dee Williams-Ridley, City Manager

Submitted by: Kelly Wallace, Interim Director, Health, Housing & Community Services

Subject: Revenue Grant Agreements: Funding Support from the State of California to Conduct Childhood Lead Poisoning Prevention Services

RECOMMENDATION

Adopt a Resolution authorizing the City Manager or her designee to submit a grant agreement to the State of California, to accept the grant, and execute any resultant revenue agreements and amendments to conduct public health promotion, protection, and prevention services for the Childhood Lead Poisoning Prevention Program (CLPPP) Agreement, which includes services to detect, manage and prevent childhood lead poisoning and promote healthy environments and behaviors in the projected amount of \$94,821 per fiscal year FY2021 through FY2023 for a total of \$284,463.

FISCAL IMPACTS OF RECOMMENDATION

The City of Berkeley will receive funds in the estimated amount of \$284,463 from the State of California for FY2021 - FY2023 through the CLPPP Agreement funding source. The contract will have its own identifying CMS, contract number, and a defined budget code.

The State Childhood Lead Poisoning Prevention Program (CLPPP): CMS No. ATE28, Revenue Budget Code is 312-51-506-559-2054-000-000-432110. There is no match required and this contract is expected to be for FY2021 – FY2023

Spending of referenced grant funds is subject to Council approval of the budget for each fiscal year and the Annual Appropriations Ordinances. Depending on the timing of when this grant is officially awarded and the amount is determined, the grant budget will be adjusted as part of a future amendment to the FY2021 – FY2023 Annual Appropriations Ordinance.

CURRENT SITUATION AND ITS EFFECTS

As a local health jurisdiction, the City of Berkeley provides a broad range of public health program services to the community, with the goals of addressing health inequities, promoting healthy environments and behaviors, protecting residents from disease, and preventing illness, disability, and premature death. The funding provided for the Childhood Lead Poisoning Prevention Program will identify and aid lead-

burdened children in Berkeley through case management and education as well as reduce childhood exposure to lead through community partnerships, outreach and education.

BACKGROUND

The City of Berkeley receives funding from many sources annually to complete work related to improving the health of the community. As a local health jurisdiction, the City is entitled to specific State funding to meet core public health objectives. The Division is committed to providing essential childhood lead poisoning prevention services to the community to prevent the spread of disease and to promote healthy environments.

ENVIRONMENTAL SUSTAINABILITY

There are no identifiable environmental effects or opportunities associated with the subject of this report.

RATIONALE FOR RECOMMENDATION

These funds support vital services related to our mandates as a public health jurisdiction and local initiatives designed to address health inequities in Berkeley and improve the health of Berkeley residents. This non-competitive grant supports the Department's mission and provides the City with funding to protect and improve the health of the community.

ALTERNATIVE ACTIONS CONSIDERED

This funding is essential for the Public Health Division's mission and goals. The Public Health Division assesses each funding source to ensure that it supports the City's mission and goals. The alternative action of not seeking any of these funding sources would result in a significant reduction in public health services to the community.

RESOLUTION NO. ##,###-N.S.

GRANT AGREEMENT: STATE OF CALIFORNIA FOR THE CHILDHOOD LEAD
POISONING PREVENTION PROGRAM

WHEREAS, the City of Berkeley Department of Health, Housing & Community Services, Public Health Division, is committed to detecting, managing, and preventing childhood lead poisoning; and

WHEREAS, the City of Berkeley Department of Health, Housing & Community Services provides a broad range of needed public health program services to the community; and

WHEREAS, the City of Berkeley Department of Health, Housing & Community Services works to promote healthy environments and behaviors, protect residents from disease, and prevent illness, disability, and premature death; and

WHEREAS, the City of Berkeley Department of Health, Housing & Community Services seeks to eliminate health inequities; and

WHEREAS, the City of Berkeley Department of Health, Housing & Community Services seeks to prevent lead poisoning and identify and aid lead-burdened children in Berkeley; and

WHEREAS, the City of Berkeley should seek outside funding wherever possible to fund vital health services.

WHEREAS, the City of Berkeley Budget Codes (Revenue): 312-51-506-559-2054-000-000-432110; (Expenditure) 321-51-506-559-2054-000-451; CMS No. ATE28.

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Berkeley that the City Manager is hereby authorized to submit a grant agreement to the State of California for funding for fiscal years 2021, 2022, and 2023 for the Childhood Lead Poisoning Prevention Program to detect, manage, and prevent childhood lead poisoning; to accept the grant; execute any resultant revenue agreements and amendments; and implement the projects and appropriation of funding for related expenses, subject to securing the grant.

A record signature copy of said agreements and any amendments shall be on file in the office of the City Clerk.
