

Office of the City Manager

PUBLIC HEARING
December 10, 2019

To: Honorable Mayor and Members of the City Council
 From: Dee Williams-Ridley, City Manager
 Submitted by: Phillip Harrington, Director, Public Works
 Subject: Implement Residential Preferential Parking (RPP) Program on the 1500 Block of Lincoln Street

RECOMMENDATION

Conduct a public hearing and upon its conclusion, adopt a Resolution amending Resolution No. 56,508-N.S. Section 25N by adding a subsection to implement Residential Preferential Parking (RPP) on the 1500 block of Lincoln Street in RPP Area N.

FISCAL IMPACTS OF RECOMMENDATION

Funding of \$2,000 for RPP street signage installation is available in the FY 2020 budget in General Fund 011-54-622-664-0000-000-431-513110- and 011-54-622-664-0000-000-431-642990-.

CURRENT SITUATION AND ITS EFFECTS

Within the past few months, residents on the 1500 block of Lincoln Street, which is an RPP-eligible area, submitted a petition to join the RPP Program. The area that would join the Program is shown in Attachment 3:

1. In Area N: Both sides of Lincoln Street between Sacramento Street and California Street.

In accordance with Berkeley Municipal Code (BMC) Section 14.72.050(A)(1), staff verified that residents submitted signatures on a qualifying petition representing a numerical majority of dwellings wishing to “opt-in” to the RPP for the street section listed in the attached Resolution. Staff verified that at least 75% of the curb spaces were occupied during mid-morning and mid-afternoon observation periods at the location.

The addition of one block in Area N should have a minimal impact on enforcement capabilities. Each new addition to the RPP Program, however, tends to result in slightly diminished enforcement for all other existing permit areas, due to parking enforcement officers having slightly larger areas to patrol.

BACKGROUND

The RPP Program was instituted in 1980 (1) to protect Berkeley residential neighborhoods from an influx of non-resident vehicles and related traffic; (2) to assure continued quality of life for residents; and (3) to provide neighborhood parking for residents. The Program limits parking for vehicles not displaying an RPP permit in most RPP areas to two hours, and reserves available daytime parking for residents, between 9:00 a.m. and 7:00 p.m. Monday through Friday, and on some blocks Saturday.

The RPP Program currently allows residents to petition the City to “opt-in” or “opt-out” of the Program. The process to install RPP controls requires submittal of a petition signed by residents (including tenants of rental properties) of at least 51% of dwellings sited along the affected block, and a parking survey of those blocks that shows at least 75% of available on-street parking spaces are occupied during the mid-morning and mid-afternoon time periods. In addition, residents of a block petitioning to opt-in should be included in existing residential Study Area boundaries covered by the EIR.

ENVIRONMENTAL SUSTAINABILITY

Expansion of the RPP Program to include additional blocks may have a minor beneficial environmental effect. It may reduce greenhouse gases generated by commuters searching for parking who “cold start” their vehicles (i.e., moving a car without warming up the engine), or by drivers moving their cars to new locations after the two-hour parking limit expires. Incremental expansion of the RPP Program may also make alternative transportation options more attractive. A modal shift by commuters to walking, bicycling, public transportation, or carpooling may also lead to a decrease in greenhouse gasses.

RATIONALE FOR RECOMMENDATION

Because the required number of households on the subject blocks have signed a petition, and as parking surveys show more than 75% occupancy of curbside parking, these blocks meet the requirements set forth by the BMC for inclusion into the RPP Program.

ALTERNATIVE ACTIONS CONSIDERED

Council may allow unrestricted parking to remain on these streets. However, Council has previously approved the “opting in” of blocks where the requisite number of households signed a petition requesting RPP control, and where the parking utilization exceeds 75%.

RESOLUTION NO. ##,###-N.S.

IMPLEMENT RESIDENTIAL PREFERENTIAL PARKING (RPP) PROGRAM ON 1500
BLOCK OF LINCOLN

WHEREAS, Berkeley Municipal Code Section 14.72.050.A.1, Designation of a Residential Preferential Parking (RPP)Area, allows residents to petition the City to "opt-in" or "opt-out" of the program and requires submittal of a petition containing signatures of residents of at least 51% of dwellings on the affected block; and

WHEREAS, residents of at least 51% of the dwellings on the following block have petitioned to "opt-in" to Residential Preferential Parking:

1. Both sides of the 1500 block of Lincoln Street between Sacramento Street and California Street; and

WHEREAS, staff has conducted field observations and determined at least 75% of available on-street parking spaces are occupied during the mid-morning and mid-afternoon time periods; and

WHEREAS, the designation of these blocks as a residential permit parking area will not be detrimental to the health, safety, peace, morals, comfort and general welfare of persons residing in the area designated; and

WHEREAS, the \$2,000 implementation cost is available in FY 2020 General Fund 011 for Transportation Traffic Maintenance.

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Berkeley that the following subsections of Section 25 of Resolution No. 56,508-N.S. are hereby added to read as follows:

EXTEND RESIDENTIAL PREFERENTIAL PARKING PROGRAM

TUESDAY, DECEMBER 10, 2019 AT 6:00 P.M.

The Department of Public Works is proposing to conduct a public hearing and, if recommendations are approved, adopt a Resolution amending Section 25N of Resolution No. 56,508-N.S. by adding a subsection to extend residential preferential parking on both sides of the 1500 block of Lincoln Street between Sacramento Street and California Street.

The Residential Preferential Parking (RPP) Program allows for residents to petition the City to "opt-in" or "opt-out" of the Program. Complying with program requirements, residents of the block under consideration for opting into the RPP Program have submitted the qualifying signatures on a petition and also have at least 75% of the curb spaces occupied during the morning and mid-afternoon observation periods. Adding a block within the existing residential study area boundaries through evaluations by an EIR study certified on September 27, 1988, and in accordance with California Environment Quality Act (CEQA) guidelines, are categorically exempt as defined by Section 15.162(c).

The hearing will be held on December 10, 2019 at 6:00 p.m. in the School District Board Room, 1231 Addison Street.

A copy of the agenda material for this hearing will be available on the City's website at www.CityofBerkeley.info as of November 27, 2019.

For further information, please contact Matthew Cotterill, Assistant Planner at (510) 981-6433.
