Subject: Confirming Community Appointments to Reimagining Public Safety Task Force

RECOMMENDATION:

Adopt a Resolution:

1. Confirming the appointment of \_\_\_\_\_ by the Associated Students of the University of California (ASUC) External Affairs Vice President to the Reimagining Public Safety Task Force
2. Confirming the appointment of \_\_\_\_\_ by the Steering Committee of the Berkeley Community Safety Coalition (BCSC) to the Reimagining Public Safety Task Force

BACKGROUND

On December 15, 2020, the Berkeley City Council unanimously adopted Resolution No. 69,673-N.S. establishing the Reimagining Public Safety Task Force, and on January 19, 2021 approved a revised resolution on January 19, 2021 to clarify the responsibilities and timeline of the Task Force, city staff and the consulting team with the National Institute for Criminal Justice Reform (Attachments 1 and 2).

The enabling legislation for the Task Force requires that the City Council confirm by a majority vote appointments made by the ASUC External Affairs Vice President, Berkeley Community Safety Coalition and the 3 “At-Large” seats appointed by the Task Force. The confirmation of these members will allow them to be seated on the Task Force and for the important work of the Task Force to commence on the intended timeline.

FINANCIAL IMPLICATIONS

There are no direct fiscal impacts from Council confirming the appointments of the ASUC External Affairs Vice President and Berkeley Community Safety Coalition to the Reimagining Public Safety Task Force.

ENVIRONMENTAL SUSTAINABILITY

There are no direct environmental impacts from the appointment of these members to the Reimagining Public Safety Task Force.

#### FINANCIAL IMPLICATIONS

City Council allocated \$270,000 in General Fund revenues to support engagement of outside consultants in the Reimagining Public Safety process.

#### BACKGROUND

On July 14, 2020, the Berkeley City Council made a historic commitment to reimagine the City's approach to public safety with the passage of an omnibus package of referrals, resolutions and directions. Central to this proposal is a commitment to a robust community process to achieve this "new and transformative model of positive, equitable and community centered safety for Berkeley". Item 18d, Transforming Community Safety, provides direction on the development of a "Community Safety Coalition", goals and a timeline led by a steering committee and guided by professional consultants. Recommendation 3 above reflects the original scope voted on by the council. However,

<sup>6</sup>[October 28, 2020 Off-Agenda Memo: Update on Re-Imagining Public Safety](#)

<sup>7</sup> The final report and implementation plan are referenced in the contract approved by the City Council with the NICJR Consultant team on December 15, 2020.

that item did not specify the structure, exact qualifications or process of appointing this steering committee. This item follows the spirit of the original referral, and provides direction on structure, desired qualifications and appointment process.

To avoid confusion with the community organization that has independently formed since the passage of that referral, this steering committee is now being referred to as the Reimagining Public Safety Task Force.

City staff has been diligently been working to implement the referrals in the omnibus motion, including the development, release and evaluation of a request for proposals (RFP) for a consultant to facilitate this process.<sup>8</sup> Initially, the expectation was that the development of a structure and process for the Task Force would be developed in consultation with the professionals selected by this RFP. However, to ensure thorough review of these proposals the timeline for selecting the consultant is longer than initially expected. At the July 18, 2020, meeting, City Council clearly stated that the Task Force will begin meeting no later than January 2021. To meet this timeline, the Council should adopt the proposed framework and appointment process so that the Task Force and our community process can begin shortly after the RFP process is completed.

This resolution is being reintroduced to clarify the process for transitioning appointments from the Police Review Commission to the newly established Police Accountability Board and to ensure that the Task Force works with the NICJR consultant team to develop one report and set of recommendations. The initial resolution was written prior to the finalization of a contract with NICJR. After consultation with city staff and the consultant team, the revised language will set clear expectations and a foundation for successful collaboration between the work of the Task Force and the consultant team.

#### RATIONALE FOR RECOMMENDATION

The proposed structure creates a Task Force with 17 total seats, ensuring representation from each Councilmember and the Mayor, key commissions including the Police Review Commission, the Youth Commission and the Mental Health Commission as well as representation from the ASUC, the Berkeley Community Safety Coalition (BCSC) and three “at-large” members to be selected by the Task Force to fill any unrepresented stakeholder position or subject matter expertise, with the community based organization and at-large appointments subject to confirmation by the City Council.<sup>9</sup>

This model was developed with input from all co-authors, the City Manager, community stakeholders including the ASUC and BCSC as well organizations and experts with experience running community engagement processes. Additionally, the Mayor’s office researched a wide range of public processes that could inform the structure and approach

---

<sup>8</sup> Ibid

<sup>9</sup> [The Berkeley Community Safety Coalition](#), initially known as Berkeley United for Community Safety, produced a 40 page report that was shared with the council in July. Their recommendations were referred to the reimagining process as part of the Mayor’s omnibus motion. Co-Founder Moni Law describes BCSC as a “principled coalition that is multiracial, multigenerational and Black and brown centered. We include over 2,000 people and approximately a dozen organizations and growing.”

for Berkeley, including youth-led campaigns, participatory budgeting processes, and long-term initiatives like the California Endowment Building Healthy Communities initiative.<sup>10</sup>

The proposed Task Force structure and process draws most directly on the processes underway in Oakland and in Austin, Texas.<sup>1112</sup> In July, Oakland voted to establish a Reimagining Public Safety Task Force with 17 members, including appointees from all councilmembers and the Mayor, three appointees from their public safety boards, two appointees to represent youth and two at-large appointees selected by their council co-chairs<sup>13</sup>. The model proposed for Berkeley draws heavily from the Oakland approach. A key difference is that, unlike Oakland, this proposed structure does not recommend developing additional community advisory boards. Instead, it is recommended that Berkeley leverage our commissions and community organizations to provide additional input and research to inform the Task Force's work rather than establish additional community advisory boards.

The list of proposed qualifications for appointees (recommendation 2) is also modeled after Oakland's approach. In July, the city council committed to centering the voices of those that are most impacted by our current system of public safety as we reimagine it for the future. The list of qualifications is intended to guide councilmembers and other appointing bodies and organizations to ensure that the makeup of the Task Force reflects that commitment. After all appointments are made, the Task Force will select 3 additional "at large" members to join the Task Force with an eye on adding perspectives, expertise or experience that are missing in initial appointments.

#### ENVIRONMENTAL SUSTAINABILITY

There are no identifiable environmental effects or opportunities associated with the action requested in this report.

#### ALTERNATIVE ACTIONS CONSIDERED

Alternative appointment structures were evaluated, including a citywide application process and an independent selection committee. However, given that the Task Force will ultimately advise the City Council, there was broad agreement that the Council should have a strong role in appointing the Task Force.
