II. Background

On January 11, 2022, the City received a Landmark or Structure of Merit application petition for the subject property that was accompanied by the requisite Landmark application and the signatures of 140 Berkeley residents. In accordance with Berkeley Municipal Code (BMC) Section 3.24.120, this petition and application have initiated consideration of this property for designation status. Copies of the petition and application are provided as hyperlink Attachments to this report.

On January 18, 2022, staff sent a letter to the property owners informing them of the initiation and pending public hearing. On March 28, 2022, staff mailed and posted 10-day advance notices for tonight's meeting, in accordance with BMC Section 3.24.140.

III. Rationale for Recommendation

BMC Section 3.24.130 requires the Commission to hold a hearing on a designation proposal and to do so within 70 days of receiving an application. Tonight's hearing will occur 86 days after receipt of Art Deco Society's application due to a staff scheduling error. Notwithstanding the delay, staff advises the Commission to open the hearing in accordance with the hearing requirement.

At this time, the application is under review and staff's recommendation for final action is pending. For this reason, staff suggests that the Commission continue this consideration to its regular meeting on May 5, 2022, and allow additional time to complete the necessary staff work.

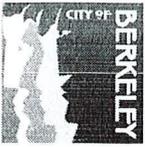

IV. Recommendation

Staff recommends that the Commission open the hearing on this matter, allow for public comment, and then continue the hearing to May 5, 2022, at which time staff will prepare a recommendation for action.
