Meeting Date: June 27, 2023

Item Number: 53

Item Description: FY 2024 Proposed Budget Adoption

Submitted by: Sharon Friedrichsen, Budget Manager City Manager's Office

The agenda report and accompanying budget adoption resolution have been revised to incorporate proposed changes to the FY 2024 Proposed Budget since it was first presented to Council on May 16, 2023. The changes primarily include staffing positions that were not included on May 16, 2023 due to timing as well as the funding of several items as presented within the Mayor's Supplemental Budget Recommendations. These changes are included within Exhibit B, Summary of Changes to the FY 2024 Proposed Budget Update, and Exhibit C, Mayor's Supplemental Budget Recommendations to the resolution Adopting FY 2024 Proposed Budget Update (Attachment 1).

The Budget and Finance Policy Committee met on June 22, 2023 to discuss and provide recommendations on the FY 24 Proposed Budget, including funding requests and Council budget referrals. As reflected within the annotated agenda, the Committee (Vote: Ayes – Harrison, Arreguín; Noes – None; Abstain – None; Absent – Kesarwani) took the following action:

"Recommending that Council adopt the Mayor's proposed FY 2024 Supplemental Budget Recommendations with the following conditions:

- Identify funding for the City Attorney's request to fund the reallocation of 7 Deputy City Attorney III positions to DCA IV up to \$377,359 and to initiate a change to the classification to make it a deep class;
- 2. Fund the \$7,000 for etching equipment for catalytic converters through State Prop 172 Fund;

- Refer and recommend the proposed resolutions to approve the allocation of \$100,000 for Harold Way Placemaking Project Schematic Design and \$100,000 Traffic Safety Upgrades at MLK and Haste from the Downtown Streets and Open Space improvement Fund; and
- Refer the following reallocated Reimagining Tier 1 requests to the November 2023 Annual Appropriations Ordinance #1 process: Reimagining Public Safety-Expand Downtown Streets Teams as placement for low-level violations (\$50,000); Department of Community Safety (\$250,000); Berk DOT Development (\$300,000); Transportation fee/fines analysis-PW (\$150,000) and Hearing Officer Alternative to Fines/Sanctions (\$150,000).

In accordance with item #3 referenced above, the revised agenda materials also include two additional resolutions pertaining to the eligible use of the Downtown Streets and Open Space Improvement Fund for Council's consideration.

The revised agenda materials also include a fund balance spreadsheet that shows some of the City's major funding sources. It includes FY 2023 Beginning Fund Balances up to FY 2025 Projected Ending Fund Balances. This is a follow-up item from the May 16, 2023 Budget and Finance Policy Committee meeting and Council meeting stemming from the Budget presentation showing use of fund balances to balance the budget.

FISCAL IMPACTS OF RECOMMENDATION

The FY 2024 Proposed Budget expenditure budget for all funds in FY 2024 is \$728,631,293 (gross appropriations) and \$621,229,929 (net appropriations). The General Fund (Funds 011-099), including Measure P and Measure U1 funds, total is \$283,576,217 and the balance of \$445,055,076 represents the other non-discretionary funds. This fiscal information will be reflected in a separate Annual Appropriation Ordinance on the City Council's agenda on June 27, 2023.

CURRENT SITUATION AND ITS EFFECTS

The purpose of the FY 24 Proposed Budget is to provide an update on revenue estimates and recommended changes in planned expenditures since the adoption of the biennial budget for Fiscal Years 2023 and 2024 by the City Council on June 28, 2022. The FY 24 Proposed Budget was presented to Council on May 16, 2023 and June 13, 2023.

The FY 24 Proposed Budget Update includes changes to the Update presented to the City Council on May 16 and June 13, 2023 respectively as shown in Exhibit B, Summary of Changes to the FY 2024 Proposed Budget Update. These changes primarily reflect new positions within the City Auditor's Office, the Fire Department, HHCS, Human Resources and the Office of the Director of Police Accountability. Other salient changes include (1) reallocating the \$4 million within the FY 24 Budget proposed to pre-fund the repayment to the reserves to cover the increased cost of the City's general liability and property insurance premium and (2) the use of the FY 24 Proposed General Fund allocation to the Workers Compensation Fund for insurance costs and a transfer to the CIP Fund for T1 Projects. Additionally, the FY 24 Proposed Budget incorporates the Mayor's Supplemental Budget Recommendations, which were presented to the Budget and Finance Policy Committee on June 22, 2023, and are included within Exhibit C, Mayor's Supplemental Budget Recommendations. The Mayor's Recommendations include reallocating items funded as part of the biennial budget to new expenditures in FY 24, cost-shifting some items to be funded by Measure P and/or Measure U1 revenues and proposing to refer items for funding consideration until FY 24 AAO#1 or as part of the next biennial budget process in FY 25-26.

ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

Actions included in the budget will be developed and implemented in a manner that is consistent with the City's environmental sustainability goals and requirements.

*The City has over 200 funds, therefore, this is not an exhaustive list. This spreadsheet includes some of the City's major funding sources.

**Fund balance amount does not account for any encumbered and projected carryover amounts from the previous fiscal year. Therefore, actual expenditures might be more than proposed/projected expenditures and might result in a lower fund balance.

*** As a grant, CDBG is not accurate to track with a fund balance. Any revenue received is then used as reimbursement for expenditures and does not gather in a fund balance to be used later

**** Expenditures and Revenue for MH Realignment are unknown given the new CalAIM changes that go into effect 7/1/23. HHCS will be working with a consultant over the next year to assess/project the impact.

***** The PSC Fund balance is high right now due to the number of large projects recently begun. We receive revenue up front on these large projects, but we will have expenditures against these amounts until the projects are complete, which can take several years.

Office of the City Manager

May 8, 2023

Honorable Mayor Jesse Arreguín and Members of the City Council:

The City Manager's Fiscal Year 2024 Proposed Budget Update ("FY 24 Proposed Budget") is submitted herein for your review and consideration. The purpose of the FY 24 Proposed Budget is to provide an update on revenue estimates and recommended changes in planned expenditures since the adoption of the biennial budget for Fiscal Years 2023 and 2024 by the City Council on June 28, 2022. Over the next few weeks, the City's Budget and Finance Policy Committee and City Council will hold several meetings on the FY 24 Proposed Budget subsequent to its adoption on June 27, 2023.

As illustrated in the attached table, *"Summary of FY 2024 Proposed Budget Update by Funding Source"*, revenues are anticipated to increase by \$4.6 million, or 0.8%, over the FY 24 Adopted projection for a citywide total of \$608.4 million. In addition to new revenues, fund balance, or prior years' savings, of \$109.7 million will be used to pay for expenses. Expenditures are estimated to decrease by \$7.8 million, or 1.1%, over the FY 24 Adopted to a total of \$718.1 million, due to a variety of factors including decreased medical and dental insurance costs and changes in pension rates.

Staffing levels are expected to grow by 24.4 full-time equivalent (FTE) positions, or 1.4%, over the FY 24 Adopted budget and include positions within Health, Housing and Community Services (9.1 FTE); Public Works (4.9 FTE); Library (3.8 FTE); Human Resources (3.0 FTE) and 1 FTE in the City Manager's Office, Parks, Recreation and Waterfront and Planning and Development departments respectively. Of the proposed staffing of 1,818.1 FTE, the General Fund supports 738.7 FTE, or 40.6%, while the remaining 1,079.4 FTE, or 59.4%, are charged to other funding sources. In addition, several reclassifications either occurred during FY 2023 or are planned for FY 24 to enhance operational effectiveness as noted within the attached table "FY 2024 Position Summary by Department".

The General Fund, including Measure P and U1 funds, contributes \$276.1 million, or 45.4%, of the \$608.4 million in projected revenue. General Fund expenditures are proposed at \$275.3 million. This represents a decrease of \$4.6 million, or 1.6% over the FY 24 Adopted, resulting primarily from projected salary savings (average of 6% among departments) and decreased costs in health insurance and other benefits.

Expenditures, which include Measure P and U1, outpace revenues and require the use of \$3.8 million in fund balance (\$2.6 million in Measure P and \$1.0 million in U1). Once Measure P and Measure U1 revenues and expenditures are omitted, the remaining discretionary General Fund expenditures are projected at \$247.8 million and revenues are estimated at \$248.2 million, leaving a surplus of approximately \$400,000.

Although there are outstanding community needs identified by Council through the budget referral process, as well as resources requested by City departments, no additional General Fund funding requests have been included within the FY 24 Proposed Budget at this time given that the proposed budget is currently balanced. The changes within the departmental financial pages included within this attachment reflect revised personnel costs based upon authorized staffing levels within the General Fund as well as the costs for new staffing requests in FY 2024 for Other Funds.

Deferring additional funding requests and considering such requests during the adjustment to the Annual Appropriation Ordinance process is a prudent fiscal course of action based upon the current status of the FY 24 Proposed Budget as well as potential increases in operational expenditures. The City is currently in labor negotiation with several bargaining unions, units and associations; insurance premiums for the City's general liability and property insurance are likely to increase significantly, and construction costs for approved capital projects and operational expenses related to programs and services continue to rise.

Given looming costs on the horizon, the purpose of the FY 24 Proposed Budget is to focus on critical changes to the fiscal year 2024 operating budget that are necessary at this time. The Adopted Biennial Budget included funding for Council priorities, such as funding for capital needs and infrastructure; contributions to the Section 115 Trust to help mitigate escalating pension costs and funding to replenish the City's reserves, which were borrowed to sustain operations during the COVID-19 pandemic. The FY 24 Proposed Budget strives to balance the immediate funding needs to continue to deliver quality services to the community while also advancing Council priorities. Challenged with finite resources, achieving this balance will be difficult. However, with Council leadership, and with the assistance of the Budget and Finance Policy Committee, I believe we can find the balance to achieve both our short and long-term goals in a fiscally responsible manner. I look forward to continued discussions leading to the adoption of the FY 24 Proposed Budget and, more importantly, beginning the planning and priority-setting in the upcoming months for the next biennial budget cycle in fiscal year 2025-2026.

Respectfully Submitted,

Dee Williams-Ridley City Manager
