**Land Acknowledgement Statement:** *The City of Berkeley recognizes that the community we live in was built on the territory of xučyun (Huchiun (Hooch-yoon)), the ancestral and unceded land of the Chochochenyo (Cho-chen-yo)-speaking Ohlone (Oh-low-nee) people, the ancestors and descendants of the sovereign Verona Band of Alameda County. This land was and continues to be of great importance to all of the Ohlone Tribes and descendants of the Verona Band. As we begin our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the documented 5,000-year history of a vibrant community at the West Berkeley Shellmound, and the Ohlone people who continue to reside in the East Bay. We recognize that Berkeley's residents have and continue to benefit from the use and occupation of this unceded stolen land since the City of Berkeley's incorporation in 1878. As stewards of the laws regulating the City of Berkeley, it is not only vital that we recognize the history of this land, but also recognize that the Ohlone people are present members of Berkeley and other East Bay communities today. The City of Berkeley will continue to build relationships with the Lisjan Tribe and to create meaningful actions that uphold the intention of this land acknowledgement.*

## Action Calendar – Public Hearings

### 1. **ZAB Appeal: 2720 Hillegass Avenue, Willard Park, Use Permit/Variance #ZP2022-0095**

**From:** City Manager

**Recommendation:** Conduct a public hearing and, upon conclusion, adopt a Resolution affirming the Zoning Adjustments Board decision to approve a Use Permit and Variance to demolish and replace/expand the existing recreation building and public restroom (community center), with a reduced rear setback, and to construct a stand-alone public restroom building and a trash enclosure, within an existing public park, and dismiss the appeal.

**Financial Implications:** None

Contact: Jordan Klein, Planning and Development, (510) 981-7400

**Public Testimony:** The Mayor opened the public hearing. 49 speakers.

M/S/C (Arreguin/Hahn) to close the public hearing.

**Vote:** Ayes – Kesarwani, Taplin, Bartlett, Hahn, Wengraf, Robinson, Humbert, Arreguin; Noes – None; Abstain – None; Absent – Harrison.

**Action:** M/S/C (Robinson/Taplin) to adopt Resolution No. 70,963–N.S. affirming the Zoning Adjustments Board decision to approve a Use Permit and Variance to demolish and replace/expand the existing recreation building and public restroom (community center), with a reduced rear setback, and to construct a stand-alone public restroom building and a trash enclosure, within an existing public park, and dismiss the appeal, with the following revisions:

1. Add a condition that there be no amplified sound indoors after 9:00 p.m.
2. Revise the variance findings to include the following language:

*-Exceptional Circumstances: The variance is necessary to build the community center because of the unusual shape and size of the lot. The unusual fact that the yard is measured at odd points necessitates the setback because of the strict application of the zoning ordinance, based on the definition of a front lot line, requires a 20-foot rear setback along the stepped southern lot line. The residential lots that directly abut or are adjacent to the subject parcel are oriented so that their frontage is on Hillegass Avenue for the east parcels, and the improved portion of Regent Street for the western parcels. This means that the northern and southern property lines of the remaining parcels on the block are side lot lines. Whereas other properties on this full block are only required a 4-foot side setback from their north and south lot lines, the subject parcel is required to have a 20-foot rear setback. The location of the Coast Live Oak north of the building along the Hillegass frontage also requires a setback because it would reduce impacts to the root system.*

*-No Material Impact on Health or Safety: The variance will not be materially detrimental to the public welfare or injurious to nearby property or improvements for a number of reasons, including because the resulting 16-foot setback will in fact be larger than the existing 11 foot-8 inch setback.*

*-Promotion of Health, Welfare & Safety: The variance will promote municipal health, welfare, and safety because the community center and park is the site of a City of Berkeley after-school and summer day camp program for 45 children, with a 25-children waiting list. The park is one of the few places in the area that provides City-owned public open space. This variance would allow the community center to serve 60 children with after-school programs as well as provide the community with additional recreational opportunities such as tennis, exercise classes, and other events for youth as well as ancillary infrastructure such as safe and adequate bathrooms.*

**Vote:** Ayes – Kesarwani, Taplin, Bartlett, Hahn, Wengraf, Robinson, Humbert, Arreguin; Noes – None; Abstain – None; Absent – Harrison.

**Action:** M/S/C (Arreguin/Bartlett) to adjourn the meeting.

**Present:** Kesarwani, Taplin, Bartlett, Hahn, Wengraf, Robinson, Humbert, Arreguin

**Absent:** Harrison

**Land Acknowledgement Statement:** *The City of Berkeley recognizes that the community we live in was built on the territory of xučyun (Huchiun (Hooch-yoon)), the ancestral and unceded land of the Chochochenyo (Cho-chen-yo)-speaking Ohlone (Oh-low-nee) people, the ancestors and descendants of the sovereign Verona Band of Alameda County. This land was and continues to be of great importance to all of the Ohlone Tribes and descendants of the Verona Band. As we begin our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the documented 5,000-year history of a vibrant community at the West Berkeley Shellmound, and the Ohlone people who continue to reside in the East Bay. We recognize that Berkeley's residents have and continue to benefit from the use and occupation of this unceded stolen land since the City of Berkeley's incorporation in 1878. As stewards of the laws regulating the City of Berkeley, it is not only vital that we recognize the history of this land, but also recognize that the Ohlone people are present members of Berkeley and other East Bay communities today. The City of Berkeley will continue to build relationships with the Lisjan Tribe and to create meaningful actions that uphold the intention of this land acknowledgement.*
