BACKGROUND

The Emergency Services for the Severely Disabled Tax (Measure E) was passed by the voters in November 1998. The tax is used to provide emergency services and incidental case management for severely physically disabled persons. The City Council is authorized to increase the tax rate by the greater of the Consumer Price Index in the immediate San Francisco Bay Area or Personal Income Growth in California.

On November 3, 2020, over 81% of Berkeley voters approved Measure LL to re-authorize the City, for a period of four (4) years through FY 2024, to spend the emergency services for the severely disabled tax.

ALTERNATIVE ACTIONS CONSIDERED

The City Council may consider maintaining the current tax rate of \$0.02018 with projected revenue of \$1,673,845 and no increase to property owners. Or, the City Council may consider increasing the tax rate by the Personal Income Growth increase in California of 3.620%. This would result in projected revenue of \$1,731,250 and an increase of \$1.39 for the citywide average 1900 square foot home.
