Subject: FY 2025 Tax Rate: Fund Firefighting, Emergency Medical Response and Wildfire Prevention (Measure FF)

RECOMMENDATION

Adopt first reading of an Ordinance setting the FY 2025 tax rate for funding Firefighting, Emergency Medical Response and Wildfire Prevention (Measure FF) in the City of Berkeley at the annual tax rate of \$0.1220 (12.20 cents) per square foot of improvements.

FISCAL IMPACTS OF RECOMMENDATION

The tax levy rate of the recommended \$0.1220 per square foot of improvements is projected to yield approximately \$10,102,578 in revenues.

CURRENT SITUATION AND ITS EFFECTS

The FY 2024 tax rate of \$0.1176 is being adjusted by the Consumer Price Index of 3.767% based on Berkeley Municipal Code 7.83.020 as adopted by the City Council under Ordinance No. 7,745-N.S. on June 16, 2020. Measure FF is a special parcel tax for firefighting, emergency medical response and wildfire prevention that limits the annual tax rate based on the greater of the increase in the cost of living in the immediate San Francisco Bay Area or per capita personal income growth in California. It is estimated that the tax will cost taxpayers the following amounts for FY 2025, as compared with FY 2024:

Square Feet	FY 2024	FY 2025
1,200	\$ 141.12	\$ 146.40
1,500	176.40	183.00
1,900	223.44	231.80
3,000	352.80	366.00
3,900	458.64	475.80
10,000	1,176.00	1,220.00

BACKGROUND

Measure FF authorized a special parcel tax for the purpose of funding firefighter and emergency medical response, upgrades to the 9-1-1 dispatch system, hazard mitigation, and wildfire prevention and preparedness activities.

In 2008, voters passed Measure GG to stop fire stations from being closed and services from being reduced, in the context of a major economic downturn. Measure GG designated the Disaster and Fire Safety Commission a formal oversight role, the duties of which are replicated, with respect to Measure FF, through the passage of this Council item.

Now, with rising challenges from climate change and fires, bigger demands on our emergency services, and the worst economic downturn since the Great Depression, Measure FF was placed on the November 2020 ballot by a unanimous vote of the City Council and it was approved by voters, to provide funds to modernize the City's 9-1-1 dispatch system, upgrade equipment, hire additional paramedics, improve emergency alert systems and continue to clear fire fuels, among other things.

The effective date for this tax was January 1, 2021. The City will raise approximately \$10,102,578 for FY 2025.
