Subject: Amend Berkeley Municipal Code Chapter 3.78 To Expand Eligibility Requirements for Representatives of The Poor to Serve on The Human Welfare and Community Action Commission

RECOMMENDATION

Amend Berkeley Municipal Code Chapter 3.78 to expand eligibility requirements for Representatives of the Poor to serve on the Human Welfare and Community Action Commission, or any successor commission, to consider the current geographic formation of poverty in Berkeley.

POLICY COMMITTEE RECOMMENDATION

On May 1, 2024, the Agenda and Rules Committee adopted the following action: M/S/C (Arreguin/Wengraf) to send the item to the City Council with a negative recommendation. Vote: All Ayes.

CURRENT SITUATION AND RATIONALE FOR RECOMMENDATION

The Human Welfare and Community Action Commission is a body charged with addressing the social welfare of the Berkeley community, focusing on those experiencing poverty and financial hardship within our City. This commission, as defined by Section 3.78.010, consists of fifteen members, nine of which are appointed by each Councilmember and the Mayor and six of which are “Representatives of the Poor;” this refers to residents with incomes below the median area income or significant lived experience in poverty. As it stands, there are three districts (1, 2, and 3) that were identified by the 1988 Berkeley City Council, based on the 1980 census data, as having the most concentrated levels of poverty.¹ Currently, all six of the Representatives of the Poor must reside in these districts (two from each of the districts). Interestingly, despite the changing geographic landscape of poverty in Berkeley within the last 43 years, the ordinance language and participation criteria has remained largely unchanged. The requirement for service no longer accurately represents the different and changing image of poverty in Berkeley. By expanding inclusion requirements for Representatives of the Poor, the HWCA has more opportunity to secure necessary involvement and funding in addition to becoming a more representative decision-making body.

Substantive revisions to Chapter 3.78:

B. Six of the members shall be representatives of the poor, who shall to be elected as individuals residing anywhere within City limits who earn below the median area income or who have had significant lived experience in poverty. ~~to be elected two from each of three districts as established by the City Council and shown on the map attached hereto, made a part hereof and marked "Exhibit A" (see Ch. 3.999).~~

The section B revision seeks to maintain the focus on representing the economically marginalized, but recognizes that the distribution of poverty within the community has shifted. City and community led homelessness initiatives, investments in residence hotels, and increased RV dwellers are just a few of the many reasons why poverty is dispersed differently across the city than it was 43 years. Additionally, displacement and gentrification, which have acutely affected West and South Berkeley neighborhoods, have also contributed to changing demographics. This amendment suggests electing representatives of the poor from anywhere within the City, based on contemporary geographical considerations, as opposed to 1980 Census data.

C. ~~The community service block grant (CSBG) target area shall comprise the total area from which three election districts are drawn. Each district will have approximately equal numbers of poverty families utilizing data from the 1980 Census.~~

The section C revision (amended to be section B) intends to concurrently address the issue of the changing landscape of poverty by eliminating the Community Services Block Grant (CSBG) target area. The HWAC Commission relies on CSBG funding to accomplish commission goals, but needs to fulfill certain participant criteria to be able to access the funding. Currently, because there is precarious membership, the HWAC commission's funding and resources are threatened. The proposed change expands the target area to cover the entire City, ensuring section B revision's feasibility. The CSBG target area is no longer limited to the former poverty districts drawn according to the 1980 census because the community of individuals in poverty are now spread into a wider area of the community as a result of placement of homeless individuals into residence hotels and RV parking, along with other programs, into other geographical areas.

These amendments to Berkeley Municipal Code Section 3.78.010 ensure that the Berkeley Human Welfare and Community Action Commission remains effective in addressing their goals. These revisions are crucial to be successful in representing a series of contemporary socio-economic developments and demonstrating the City's commitment to adapt to changing circumstances.
