BACKGROUND

In the November 2008 election, Berkeley voters approved Measure GG, which authorized the levying of a special tax. The tax proceeds will be used first to eliminate rotating closures of operating fire stations, and to provide advanced life support personnel (paramedics) and equipment on all first responder vehicles (ambulances, fire engines and ladder trucks). The funds would also be used to (1) hire a training officer to provide Emergency Medical Service training for first responders; (2) hire staff to conduct Community Emergency Response Training and other similar public disaster training and preparedness efforts and for neighborhood emergency preparedness caches; and (3) to acquire and maintain equipment to enhance emergency preparedness, including equipment to allow compatible radio communications throughout the City and with outside public safety agencies. On November 3, 2020, over 81% of Berkeley voters approved Measure LL to re-authorize the City, for a period of four (4) years through FY 2024, to spend the Fire Protection and Emergency Response and Preparedness tax.

ALTERNATE CONSIDERATIONS

The City Council may consider adjusting the current recommended tax rate of \$0.06062 per square foot of improvements for dwelling units and \$0.09173 per square foot of improvements for all other property by the Personal Income Growth in California of 3.62% with projected revenue of \$5,813,703.
