

Office of the City Manager

CONSENT CALENDAR
October 29, 2024

To: Honorable Mayor and Members of the City Council

From: Paul Buddenhagen, City Manager

Submitted by: Scott Gilman, Director, Health, Housing, and Community Services

Subject: Contract No. 32400177 Amendment: Health Officer Coverage – Dr. Lisa B. Hernandez

RECOMMENDATION

Adopt a Resolution authorizing the City Manager or his designee to amending Contract No. 32400177 with Dr. Lisa B. Hernandez to increase by \$50,000 for a total not to exceed amount (NTE) of \$100,000.

FISCAL IMPACTS OF RECOMMENDATION

The City will have a gap in Health Officer coverage when the Health Officer is out of the office and unavailable. Costs for Health Officer coverage will be paid for by General Funds (Fund 011) salary savings in the FY25 Adopted Budget. The grant (fund 302) that supported this contract last year was reduced for all jurisdictions statewide due to budget cuts. Payment will be \$50 per hour/\$1,200 per day. Total costs are not to exceed \$100,000.

CURRENT SITUATION AND ITS EFFECTS

The City of Berkeley receives funding from the California Department of Public Health through the Future of Public Health grant. The funding requires each local health jurisdiction to have Health Officer on-call coverage at all times. This contract enables coverage when the City Health Officer is out of the office.

BACKGROUND

Most public health jurisdictions have on-call Health Officer coverage to address urgent communicable diseases and other public health issues. Additionally, this coverage is required by the Future of Public Health grant. Dr. Hernandez served as Health Officer for the City of Berkeley for five years, until July 2023. The City Council is asked to approve continued Health Officer coverage, as Council also approves the appointment of the permanent Health Officer.

ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

There are no environmental sustainability and climate impacts associated directly with the content of this summary report.

RATIONALE FOR RECOMMENDATION

Health Officer coverage is required by the Future of Public Health grant, and may be needed if urgent public health issues arise.

ALTERNATIVE ACTIONS CONSIDERED

The City could continue to have periodic gaps in Health Officer coverage when the Health Officer is unavailable.
