

Office of the City Manager

CONSENT CALENDAR
October 29, 2024

To: Honorable Mayor and Members of the City Council
 From: Solano Avenue BID Advisory Board
 Submitted by: Todd Andrew, Chair, Solano Avenue BID Advisory Board
 Subject: Renewal of the Solano Avenue BID for Calendar Year 2025

RECOMMENDATION

Adopt a Resolution approving the Solano Avenue Business Improvement District Advisory Board's (hereafter "Solano BID Advisory Board" or "the Advisory Board") recommendation that Council: 1) approve the 2024 Annual Report and preliminary budget on proposed improvements in the District for calendar year 2025; 2) declare its intent to levy an assessment to finance improvements in the District for calendar year 2025; and 3) direct the City Clerk to schedule a public hearing on the renewal of the assessment for December 3, 2024.

FISCAL IMPACTS OF RECOMMENDATION

Projected BID revenue of approximately \$30,000 will be deposited into the Solano Avenue BID Fund, revenue budget code 783-21-208-251-0000-000-000-412110- and expensed from budget code 783-21-208-251-0000-000-446-636110. The BID constitutes an independent funding source that must be targeted to commercial revitalization efforts that are recommended by the Solano BID Advisory Board. To the extent that the work of the Solano BID enhances the economic development of Solano Avenue and its business climate over the long term, the BID contributes towards improving City revenues through increased sales and property taxes.

CURRENT SITUATION AND ITS EFFECTS

Renewal of the Solano BID is a Strategic Plan Priority Project, advancing our goal to foster a dynamic, sustainable, and locally-based economy. Under the State of California Parking and Business Improvement Area law of 1989 (California Streets and Highways Code section 36500 et.seq.) the City Council must approve an Annual Report prepared by the Solano BID Advisory Board with a proposed budget for the next year as a requirement to levy new assessments. Accordingly, at its meeting of September 24, 2024, the Solano BID Advisory Board voted to recommend that the City Council approve the Report for the Solano Avenue Business Improvement District for 2024-25 and adopt a Resolution of Intention to renew the assessment 2025. The Resolution of Intention also sets a public hearing date for December 3, 2024 where affected Solano businesses can express support or opposition to renewal of the BID for calendar year 2025. If written and/or oral protests are received from businesses proposed to pay a

majority of the assessment, Council cannot vote to levy assessments for 2025. If no majority protest is received the Council may renew the assessment.

BACKGROUND

Since its revival in May 2012, the Solano BID Advisory Board has used Solano BID revenues to finance three programs: 1) a tree watering contract to ensure the health of 48 young street trees on Solano; 2) installing a program of 40 hanging planter baskets on light poles; and 3) sponsorship of events that attract customers to the district and improvements that enhance the pedestrian experience. In recent years, the BID program has focused on sponsoring activities and improvements intended to market and promote the Solano Avenue business district. In the wintertime, the BID in conjunction with the Solano Avenue Association (which represents both Albany and Berkeley businesses along Solano Avenue) pays a contractor to erect holiday lights and decorations on City street light poles. This will continue for the upcoming winter season. Due to expenditures in prior years, the Solano BID will use less of its funds on the holiday décor program, and, instead, explore expanded landscaping services to better maintain existing tree wells and water existing hanging flower baskets. BID expenditures are to be made through an established fiscal agency contract with Telegraph Property and Business Management Corporation (Telegraph PBMC).

ENVIRONMENTAL SUSTAINABILITY

By maintaining and enhancing the district, the Solano BID creates shopping opportunities for residents and visitors alike while encouraging alternative forms of transportation. The environmental enhancements such as the added street trees, hanging planters, parklet, and holiday decorations contribute to making Solano a more pleasant walking destination. Because the District is well served by public transportation and biking infrastructure, these services indirectly support environmental sustainability goals of encouraging alternative transportation modes to decrease carbon emissions.

RATIONALE FOR RECOMMENDATION

State law requires that the City Council annually renew the Solano BID by first passing a resolution stating Council's intention to levy an annual assessment and scheduling a public hearing on the proposed renewed assessment for the coming year.

Exhibit A

Report for the Solano Avenue Business Improvement District for 2024 and Budget for 2025

Background

The first version of the Solano Business Improvement District (BID) operated from 2002-2007, with administration of the BID headed by the Solano Avenue Association (SAA). In 2012, the Council appointed the Solano BID Advisory Board to administer the Solano Avenue BID, to fund physical improvements to the street and dedicate marketing and promotion efforts towards the businesses on the portion of Solano Avenue that lies in Berkeley. This Annual report and budget updates the most recent year of operational programs of the Solano BID.

Landscape Program

In 2013, the Solano BID financed a tree watering program for young street trees along upper Solano Avenue. In 2016, per the City of Berkeley arborist, the trees were mature enough to not require additional water services. In early 2016, the board voted to enhance Solano's landscape by installing 41 hanging planter baskets on light poles distributed throughout the district, utilizing the Downtown Berkeley Association's (DBA) services. The DBA watered and maintained the baskets through the end of calendar year 2018. From 2019 to 2021, rainwater alone supported the baskets, and in 2022 the Solano BID entered into a contract with The Peralta Services Corporation to supplement other efforts to clean, weed, and level the tree wells through the district, and to develop an ongoing watering and maintenance system for the hanging flower baskets. Peralta's services began in July of 2022 and, per Peralta, the latest contract is renewed on a quarterly basis with regularly scheduled landscaping in tree wells, including porous pavement on a weekly basis. Additional services have been considered and further options and changes will be discussed in the context of the 2025 Work Plan.

In 2020, funds were approved and a selection process was conducted for a revitalization & public realm plan study on Solano. The BID was supportive of the process and was deeply committed to involving both local merchants and local residents in the effort to re-imagine Solano Avenue in a way that brings more vitality to the Avenue in concert with the efforts of the City of Albany, with the intention of strengthening the Solano Avenue brand overall.

Marketing and Promotion of Solano

Marketing and promotion of Solano Avenue constitutes a second priority of the Solano BID. The commission has engaged with Solano Avenue Association for the purpose of increased marketing to member businesses, improved online presence, and higher visibility during events, minor and major, along Solano Avenue. Since 2018, the board approved funding for a new vendor under the direction of the SAA, with BID reimbursement to the SAA, which covered more poles and provided greater decoration coordination opportunities with neighboring Albany, all at a lower cost than previous seasons. The BID used the same vendor and process last season and plans to do the

same in the 2024-2025 season. This partnership underscores the leverage the BID obtains in working with the SAA to provide support for BID priorities for the Berkeley portion of Solano Avenue. In the remainder of 2024, the Advisory Board may again decide to participate in the development of holiday campaigns and activities (e.g., supporting the SAA in producing the ‘Santa on Solano’ event or similar).

The details of the 2025 Work Plan, to be developed over the remainder of the year include engaging with the City regarding traffic safety improvements, increased marketing of the Berkeley portion of Solano Avenue, and improvement programs to deploy merchant fees effectively and equitably.

Commissioner Recruitment

In the spirit of vibrant and effective service to the merchants of the Solano BID, the Advisory Board continues to recruit new board members. In June of 2024 the board increased from three to four members and ongoing recruitment is a focus for the remainder of 2024 and 2025. Merchant owners are often busy operating, and sometimes expanding, their businesses. The Advisory Board reminds merchants that they can assign a proxy, from inside or outside their organization, to represent them on the Board. City of Berkeley residence is not required for Board membership.

Solano BID Administration

The Solano BID has contracted with a fiscal agent, the Telegraph Property and Business Management Corporation (Telegraph PBMC), which charges a 5% fiscal agent fee on new BID revenue annually. For example, the anticipated new Solano BID revenue for 2025 is \$30,000 so the fiscal agent fee is estimated to be \$1,500.
