## Preliminary Matters

### Roll Call:

**Land Acknowledgement Statement:** *The City of Berkeley recognizes that the community we live in was built on the territory of xučyun (Huchiun (Hooch-yoon)), the ancestral and unceded land of the Chochenyo (Cho-chen-yo)-speaking Ohlone (Oh-low-nee) people, the ancestors and descendants of the sovereign Verona Band of Alameda County. This land was and continues to be of great importance to all of the Ohlone Tribes and descendants of the Verona Band. As we begin our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the documented 5,000-year history of a vibrant community at the West Berkeley Shellmound, and the Ohlone people who continue to reside in the East Bay. We recognize that Berkeley's residents have and continue to benefit from the use and occupation of this unceded stolen land since the City of Berkeley's incorporation in 1878. As stewards of the laws regulating the City of Berkeley, it is not only vital that we recognize the history of this land, but also recognize that the Ohlone people are present members of Berkeley and other East Bay communities today. The City of Berkeley will continue to build relationships with the Lisjan Tribe and to create meaningful actions that uphold the intention of this land acknowledgement.*

such as Berkeley, that are heavily impacted by the housing and mental health crisis, should be considered for an equitable share and speedy receipt of 2024 Proposition 1 funding from Alameda County.

Refer to the City Manager to affirm that the City Council's position is that, to the greatest extent possible, Measure W and other locally sourced funds should be used to support Berkeley-specific homelessness service needs.

Support the City Manager in collaborating with Alameda County and other neighboring jurisdictions to identify potential sites outside of Berkeley city limits that may be suitable and more cost-effective than sites within Berkeley.

Furthermore, affirm support for the following principles: 1. County resource investment in homelessness across the region should align proportionally with where homelessness is most prevalent and ensure support achieves racially equitable outcomes; 2. The use of Measure W and other funding for homelessness guided by Home Together 2030 Plan should be a local decision, with cities deciding how to divvy up investment between prevention, interim, and permanent housing; 3. Local priority for referrals into interim and permanent solutions – including everything from safe parking to shelter to permanent supportive housing and Homekey projects – should be commensurate with the level of funding provided; 4. Sustaining nonprofit capacity: (a) The homelessness response system relies heavily on nonprofit partners, many of whom face challenges in retaining staff due to funding constraints, salary limitations, and administrative burdens. (b) Measure W funding presents an opportunity to support not just direct services but also nonprofit infrastructure, helping organizations improve long-term sustainability. (c) Considerations include ensuring competitive wages, investing in staff retention strategies, and providing operational support. (d) Bonus funding consideration could be given to organizations that prioritize workforce sustainability through: (i) Competitive salaries and benefits for frontline staff; (ii) Efforts to retain high-performing, low-turnover teams; (iii) Investments in administrative capacity that enhance service quality and long-term viability

*Policy Committee Recommendation:*

*Further, direct the City Manager to provide a report to the City Council of ongoing efforts to address the homelessness and mental health crisis within Berkeley's jurisdiction, including efforts by non-governmental organizations the city is relying upon, where possible, including the costs thereof, and a gap analysis between the resources required by the City to fully address homelessness and its current financial position.*

*Further, affirm support for the following principles:*

*1. County resource investment in homelessness across the region should be commensurate with where homelessness occurs and targeted for racially equitable outcomes*

*2. Measure W and other funding for homelessness guided by Home Together 2030: Should be a Local City decision on the split between prevention, interim, and permanent housing*

*3. Local (City level) priority for referrals into interim and permanent solutions (including everything from safe parking to shelter to permanent supportive housing/HomeKey projects), commensurate with local funding.*

*4. Sustaining Nonprofit Capacity*

- The homelessness response system relies heavily on nonprofit partners, many of whom face challenges in retaining staff due to funding constraints, salary limitations, and administrative burdens.*
- Measure W funding presents an opportunity to support not just direct services but also nonprofit infrastructure, helping organizations improve long-term sustainability.*
- Considerations include ensuring competitive wages, investing in staff retention strategies, and providing operational support.*
- Bonus funding consideration could be given to organizations that prioritize workforce sustainability through:*
  - Competitive salaries and benefits for frontline staff.*
  - Efforts to retain high-performing, low-turnover teams.*
  - Investments in administrative capacity that enhance service quality and long-term viability.*

## Action Calendar

*The public may comment on each item listed on the agenda for action. For items moved to the Action Calendar from the Consent Calendar or Information Calendar, persons who spoke on the item during the Consent Calendar public comment period may speak again during the Action Calendar public comment period on the item*

*The Presiding Officer will request that persons wishing to speak line up at the podium, or use the "raise hand" function in Zoom, to determine the number of persons interested in speaking at that time. If ten or fewer persons are interested in speaking on an individual agenda item, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. The Presiding Officer may, with the consent of persons representing both sides of an issue, allocate a block of time to each side to present their issue.*

*Action items may be reordered at the discretion of the Chair with the consent of Council.*

*The Presiding Officer may open and close an additional comment period for Action items on this agenda (excluding any public hearings, appeals, and/or quasi-judicial matters), at the start of the Action Calendar. Those who speak on an item during this comment period may not speak a second time when the item is taken up by Council.*

## Action Calendar – Public Hearings

*Staff shall introduce the public hearing item and present their comments. For certain hearings, this is followed by five-minute presentations each by first the appellant and then the applicant. The Presiding Officer will request that persons wishing to speak line up at the podium, or use the "raise hand" function in Zoom, to be recognized and to determine the number of persons interested in speaking at that time.*

*If ten or fewer persons are interested in speaking during a public hearing, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. The Presiding Officer may with the consent of persons representing both sides of an issue allocate a block of time to each side to present their issue.*

*When applicable, each member of the City Council shall verbally disclose all ex parte contacts concerning the subject of the hearing. Councilmembers shall also submit a report of such contacts in writing prior to the commencement of the hearing. Written reports shall be available for public review in the office of the City Clerk.*
