Questions and Answers for Specification No. 22-11515-C  
**Marina Finger Dock Construction**

The City of Berkeley has received questions from some potential respondents regarding **Specification No. 22-11515-C, Marina Finger Dock Construction**. In an effort to provide the same information to all, listed below are the questions received to date, with responses from City staff.

1.Q. Addendum A specifies that all responses should be sent via email to [purchasing@cityofberkeley.info](mailto:purchasing@cityofberkeley.info). The previous Invitation for Bid document specified that bids were to be mailed or hand delivered, received no later than 2:00pm on June 14, 2022. Can you please confirm that the submission method has been updated to email only, with receipt by 2:00pm on June 21, 2022?

1.A. Please follow instructions on Pg.1 of this Addendum “B”.

2.Q. Addendum A specifies that bidder should submit (1) PDF of the technical proposal, and corresponding cost proposal as a separate PDF document. The technical proposal is not described in the original invitation for bid documents. Can you please identify what is to be included in the technical proposal?

2. A. That incorrect verbiage in the cover letter for Addendum A is for a different process and does not apply to this IFB. Proposals/Bids consist of the documents listed in Section F of the IFB.

3. Q. Can you please post the pre-bid sign-in sheet from May 12, 2022 and June 1, 2022?

3. A. See attachments 1 and 2.

Clarifications for specification 22-11515-C
