## **I. BACKGROUND**

In response to the killing of George Floyd by Minneapolis police in May 2020 and the ensuing protests across the nation, a conversation emerged about how policing can be done differently. The Berkeley City Council initiated a wide-reaching process to reimagine safety in the City of Berkeley (the “City”). As part of the Re-Imagining Public Safety process, the City has been engaged in research and planning for a Specialized Care Unit (SCU) that will ultimately become a 24/7 mobile unit designed to respond to and support people who are experiencing a mental health or substance use crisis without direct involvement of the police. The SCU will be different than the City’s current mobile crisis response that is a police/mental health partnership.

To facilitate a successful design of the Specialized Care Unit that is specific to the needs of the City of Berkeley, the City contracted with Resource Development Associates (RDA) to conduct a feasibility study for a Specialized Care Unit (SCU). This study culminated in three reports created by RDA to assist in creating the SCU:

1. Crisis Models Summary Report which provides an overview of crisis response programs in the U.S. and internationally. See *Attachment 1* for full report.
2. Mental Health Crisis Response and Stakeholder Perspectives Report to provide current perspectives across the City of Berkeley and Alameda County agencies, local community-based organizations (CBOs), community leaders, and utilizers of Berkeley’s crisis response systems. See *Attachment 2* for full report.
3. Final Recommendations for the SCU which provides twenty-five recommendations for implementation of the SCU in Berkeley based on the information in the previous reports. See *Attachment 3* for full report.

Additionally, the SCU Steering Committee, consisting of representatives from the Health, Housing, and Community Services Department, the Berkeley Fire Department, appointees of the Mental Health Commission, and community representatives from the Berkeley Community Safety Coalition provided accompanying analysis to the RDA recommendations, provided in *Attachment 4*. With these reports, as well as under the leadership and guidance of the Mayor, City Council, SCU Steering Committee, and City staff, the City of Berkeley is ready to move forward with a qualified community-based organization to establish and implement the SCU for a pilot program of up to two years, with the intention to extend based on lessons learned and financial feasibility.

**The purpose of this RFP is to solicit proposals from community-based organizations and service providers that have the expertise and ability to quickly meet the City’s need to create a successful pilot program for the Specialized Care Unit in the City of Berkeley.**

**Through this RFP, the City intends to award federal American Rescue Plan Act (ARPA) State and Local Fiscal Recovery Funds (SLFRF). Additional California Department of Health Care Services (DHCS) funding may be awarded for appropriate expenses to create a successful response team which will serve a diverse community; including individuals from marginalized and vulnerable groups whose past experiences of substance use or other behavioral health challenges may have been caused or exacerbated by the public health emergency of COVID-19. Per the Substance Abuse and Mental Health Services Administration (SAMHSA), behavioral health crises refer to substance use and mental health crises. These implementation of ARPA SLFRF funds for Berkeley’s Specialized Care Unit acknowledges that funds may be used to respond to increased rates of behavioral health at a population or individual level, as well as new behavioral health challenges or**

**exacerbation of challenges that existed prior to the pandemic, which also includes navigating new barriers to accessing treatment. The selected applicant will be required to comply with all applicable requirements for such funds and will be required to report to the City regularly on the use of funds and services beneficiaries.**

## **II. SCOPE OF SERVICES**

Applicants are strongly encouraged to read the reports described above and attached as *Attachments 1 to 3* as well as the SCU Steering Committee's comments to the final recommendations found in *Attachment 4* of this RFP.   - c. Leverage county, state, and federal resources such as MediCal, MediCal Administrative Activity (MAA), or Federally Qualified Health Center (FQHC) sources for billing services provided. Note that billing is not necessary for purposes of the pilot, but will likely be necessary to sustain the program beyond the pilot phase.
5. Contracted provider should be able to mobilize quickly to engage in the implementation process, with a phased roll-out planned for as soon as December 2022.
6. Team members will be made up of people with a combination of lived experience, mental health and/or substance use training, and non-emergency medical training who have the skills and capacity to develop meaningful relationships as well as respond to marginalized and vulnerable community members.

9. Contracted provider will provide comprehensive training to SCU staff upon establishment and continuation of the SCU program. Provider should shadow and train with other jurisdictions to maintain awareness of best practices in crisis response without the involvement of law enforcement.
10. Contracted provider will adhere to monitoring, evaluation and reporting standards required by the City of Berkeley by providing the following information on a routine basis:
  - a. Demographic information (e.g. age, sex, sexual orientation, gender identity, response zip code);
  - b. Type of intervention or referral provided (including if a call needed to be escalated to Berkeley Police Department or Berkeley Fire Department);
  - c. Call source (direct, referred from 911 or 988, etc.); and
  - d. Additional data points as identified in the implementation and evaluation processes.
11. The City intends to award federal American Rescue Plan Act (ARPA) State and Local Fiscal Recovery Funds (SLFRF) for these services. The selected provider must comply with all applicable federal requirements associated with these funds, including the Final Rule and the Uniform Guidance 2 CFR 200. This will include at a minimum, quarterly reports to the City on services provided, expenditures, and service beneficiaries.

### **III. SUBMISSION REQUIREMENTS**

All proposals shall include the following information, organized as separate sections of the proposal. The proposal should be concise and to the point.

1. Contractor Identification:

Provide the name of the firm, the firm's principal place of business (see section VII, F. – Local Vendor Preference), the name and telephone number of the contact person and company tax identification number.

2. Client References:

Provide a minimum of *three (3)* client references. References should be California cities or other large public sector entities. Provide the designated person's name, title, organization, address, telephone number, and the project(s) that were completed under that client's direction.

Pricing proposals shall be a separate document. The Proposal shall itemize all services, including hourly rates for all professional, technical and support personnel, and all other charges related to completion of the work shall be itemized, including indirect costs. Note:

It is the intention of the City of Berkeley to use and learn from this two-year pilot program to inform long-term implementation of the Specialized Care Unit (SCU). The estimated timeline of the pilot begins on the date the contract is executed and ends two years later. However, applicants should base their program, staffing, and other cost projections to include hiring, initial community outreach, and other program start-up activities. Applicants will not be penalized or scored lower for including these ramp-up activities in their timeline for service provision within the pilot program. Similarly, applicants will not be penalized if they need to shorten or extend the estimated 2-year timeline as part of their budget formulations.

4. Contract Terminations:

**If your organization has had a contract terminated in the last five (5) years, describe such incident.** Termination for default is defined as notice to stop performance due to the vendor's non-performance or poor performance and the issue of performance was either (a) not litigated due to inaction on the part of the vendor, or (b) litigated and such litigation determined that the vendor was in default.

Submit full details of the terms for default including the other party's name, address, and phone number. Present the vendor's position on the matter. The City will evaluate the facts and may, at its sole discretion, reject the proposal on the grounds of the past experience.

If the firm has not experienced any such termination for default or early termination in the past five (5) years, so indicate.

5. **Submission should include the following:**

#### **VI. CITY REQUIREMENTS**

##### **A. Non-Discrimination Requirements:**

Ordinance No. 5876-N.S. codified in B.M.C. Chapter 13.26 states that, for contracts worth more than \$3,000 bids for supplies or bids or proposals for services shall include a completed Workforce Composition Form. Businesses with fewer than five employees are exempt from submitting this form. (See B.M.C. 13.26.030)

Under B.M.C. section 13.26.060, the City may require any bidder or vendor it believes may have discriminated to submit a Non-Discrimination Program. The Contract Compliance Officer will make this determination. This applies to all contracts and all consultants (contractors). Berkeley Municipal Code section 13.26.070 requires that all contracts with the City contain a non-discrimination clause, in which the contractor agrees not to discriminate and allows the City access to records necessary to monitor compliance. This section also applies to all contracts and all consultants. **Bidders must submit the attached Non-Discrimination Disclosure Form with their proposal.**

**B. Nuclear Free Berkeley Disclosure Form:**

Berkeley Municipal Code section 12.90.070 prohibits the City from granting contracts to companies that knowingly engage in work for nuclear weapons. This contracting prohibition may be waived if the City Council determines that no reasonable alternative exists to doing business with a company that engages in nuclear weapons work. If your company engages in work for nuclear weapons, explain on the Disclosure Form the nature of such work. **Bidders must submit the attached Nuclear Free Disclosure Form with their proposal.**

**C. Oppressive States:**

The City of Berkeley prohibits granting of contracts to firms that knowingly provide personal services to specified Countries. This contracting prohibition may be waived if the City Council determines that no reasonable alternative exists to doing business with a company that is covered by City Council Resolution No. 59,853-N.S. If your company or any subsidiary is covered, explain on the Disclosure Form the nature of such work. **Bidders must submit the attached Oppressive States Disclosure Form with their proposal.**

**D. Sanctuary City Contracting Ordinance:**

Chapter 13.105 of the Berkeley Municipal Code prohibits the City from granting and or retaining contracts with any person or entity that provides Data Broker or Extreme Vetting services to the U.S. Immigration and Customs Enforcement Division of the United States Department of Homeland Security (“ICE”). **Bidders must submit the attached Sanctuary City Compliance Statement with their proposal.**

**E. Conflict of Interest:**

In the sole judgment of the City, any and all proposals are subject to disqualification on the basis of a conflict of interest. The City may not contract with a vendor if the vendor or an employee, officer or director of the proposer's firm, or any immediate family member of the preceding, has served as an elected official, employee, board or commission member of the City who influences the making of the contract or has a direct or indirect interest in the contract.

Furthermore, the City may not contract with any vendor whose income, investment, or real property interest may be affected by the contract. The City, at its sole option, may disqualify any proposal on the basis of such a conflict of interest. **Please identify any person associated with the firm that has a potential conflict of interest.**

**F. Berkeley Living Wage Ordinance:**

Chapter 13.27 of the Berkeley Municipal Code requires that contractors offer all eligible employees with City mandated minimum compensation during the term of any contract that may be awarded by the City. If the Contractor is not currently subject to the Living Wage Ordinance, cumulative contracts with the City within a one-year period may subject Contractor to the requirements under B.M.C. Chapter 13.27. A certification of compliance with this ordinance will be required upon execution of a contract. The current Living Wage rate can be found here: [https://www.cityofberkeley.info/Finance/Home/Vendors\\_Living\\_Wage\\_Ordinance.aspx](https://www.cityofberkeley.info/Finance/Home/Vendors_Living_Wage_Ordinance.aspx). The Living Wage rate is adjusted automatically effective June 30<sup>th</sup> of each year commensurate with the corresponding increase in the Consumer Price Index published in April of each year. If the Living Wage rate is adjusted during the term of your agreement, you must pay the new adjusted rate to all eligible employees, regardless of what the rate was when the contract was executed.

**G. Berkeley Equal Benefits Ordinance:**

Chapter 13.29 of the Berkeley Municipal Code requires that contractors offer domestic partners the same access to benefits that are available to spouses. A certification of compliance with this ordinance will be required upon execution of a contract.

**H. Statement of Economic Interest:**

The City's Conflict of Interest Code designates "consultants" as a category of persons who must complete Form 700, Statement of Economic Interest, at the beginning of the contract period and again at the termination of the contract. The selected contractor will be required to complete the Form 700 before work may begin.

**VII. OTHER REQUIREMENTS**

**A. Insurance**

The selected contractor will be required to maintain general liability insurance in the minimum amount of \$2,000,000, automobile liability insurance in the minimum amount of \$1,000,000 and a professional liability insurance policy in the amount of \$2,000,000 to cover any claims arising out of the performance of the contract. The general liability and automobile insurance must name the City, its officers, agents, volunteers and employees as additional insured.

**B. Worker's Compensation Insurance:**

A selected contractor who employs any person shall maintain workers' compensation insurance in accordance with state requirements. Sole proprietors with no employees are not required to carry Worker's Compensation Insurance.

**C. Business License**

Virtually every contractor that does business with the City must obtain a City business license as mandated by B.M.C. Ch. 9.04. The business license requirement applies whether or not the contractor has an office within the City limits. However, a "casual" or "isolated" business transaction (B.M.C. section 9.04.010) does not subject the contractor to the license tax. Warehousing businesses and charitable organizations are the only entities specifically exempted in the code from the license requirement (see B.M.C. sections, 9.04.295 and 9.04.300). Non-profit organizations are granted partial exemptions (see B.M.C. section 9.04.305). Persons who, by reason of physical infirmity, unavoidable misfortune, or unavoidable poverty, may be granted an exemption of one annual free license at the discretion of the Director of Finance. (See B.M.C. sections 9.04.290).

Vendor must apply for a City business license and show proof of application to Purchasing Manager within seven days of being selected as intended contractor.

The Customer Service Division of the Finance Department located at 1947 Center Street, Berkeley, CA 94704, issues business licenses. Contractors should contact this division for questions and/or information on obtaining a City business license, in person, or by calling 510-981-7200.

**D. Recycled Paper**

**Any printed reports for the City required during the performance of the work shall be on 100% recycled paper, and shall be *printed on both sides of the page* whenever practical.**

**E. State Prevailing Wage:**

Certain labor categories under this project may be subject to prevailing wages as identified in the State of California Labor Code commencing in Section 1770 et seq. These labor categories, when employed for any “work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work,” constitute a “Public Work” within the definition of Section 1720(a)(1) of the California Labor Code requiring payment of prevailing wages.

Wage information is available through the California Division of Industrial Relations web site at:  
[http://www.dir.ca.gov/OPRL/statistics\\_and\\_databases.html](http://www.dir.ca.gov/OPRL/statistics_and_databases.html)

**Living Wage Certification for Providers of Services**

**TO BE COMPLETED BY ALL PERSONS OR ENTITIES ENGAGING IN A CONTRACT FOR PERSONAL SERVICES WITH THE CITY OF BERKELEY.**

The Berkeley Municipal Code Chapter 13.27, Berkeley's Living Wage Ordinance (LWO), provides that contractors who engage in a specified amount of business with the City (except where specifically exempted) under contracts which furnish services to or for the City in any twelve (12) month period of time shall comply with all provisions of this Ordinance. The undersigned further agrees to be bound by all of the terms of the Living Wage Ordinance, as mandated in the Berkeley Municipal Code, Chapter 13.27. If, at any time during the term of the contract, the answers to the questions posed herein change so that Contractor would be subject to the LWO, Contractor will promptly notify the City Manager in writing. Contractor further understands and agrees that the failure to comply with the LWO, this certification, or the terms of the Contract as it applies to the LWO, shall constitute a default of the Contract and the City Manager may terminate the contract and bar Contractor from future contracts with the City for five (5) years from the effective date of the Contract termination.
