I. BACKGROUND /SUMMARY/or INTRODUCTION

The City of Berkeley (the “City”), Health, Housing and Community Services (HHCS) Department, Public Health Division is seeking to contract with an evaluator and project manager that has expertise in implementing the Results-Based Accountability (RBA) Framework to monitor, manage, and assess internal public and contracted non-profit health and human service programs. The evaluator will work with Department staff and other consultants on establishing, collecting and utilizing RBA performance measures. The anticipated timeframe for the contract is two (2)-years, or 24-months.

RBA is a data driven, performance management framework that has a proven track record of success in improving program performance. The RBA Framework provides a new way of understanding the quality and impact of services provided by collecting data that answer three basic questions:

1. How much did you do?
2. How well did you do it?
3. Is anyone better off?

Among other things, RBA builds collaboration and consensus; helps groups to surface and challenge assumptions that can be barriers to innovation; and uses data and transparency to ensure accountability for program performance.

In FY2018, the City of Berkeley introduced a new initiative in the HHCS Department called “Impact Berkeley.” Central to this effort has been using the RBA Framework to account for the work of the Department and establish an iterative learning loop for ongoing improvement. Through this initiative, the Mental Health, Housing & Community Services, Aging, and Public Health Divisions of HHCS incorporated the RBA framework into selected programs. HHCS staff worked with program supervisors to identify and measure program goals and outcomes, as well as protocols for data collection and reporting. In the Public Health Division, for example, leadership incorporated RBA into its Youth Development, and Women, Infants & Children (WIC) programs.

However, the COVID-19 pandemic disrupted development of dashboards and reports, as well as expansion of the work into other programs; thus, the HHCS Divisions are now committed to finding new ways to strengthen their various RBA frameworks, report out on program performance outcomes via dashboards, and increase their impact on the community, especially to improve equity. To support this effort, the Division will be reviewing and expanding the existing RBA framework to monitor and improve the performance of all public health programs, housing policy, and aging services, as well as to provide the Division with a method and common language to better understand and communicate program results.

II. SCOPE OF SERVICES

An experienced evaluator will plan and implement a sustainable RBA Framework to support HHCS’ ability to monitor program performance outcomes in all of its divisions, which are: Public Health; Housing and Community Services; Aging Services; Environmental Health; and Mental Health. The chosen contractor will work with Program, Division and Department staff to review, establish and finalize RBA measures in each program; align measures across the Divisions, review and implement standardized data collection and data management policies and protocols (including developing and implementing standardized data collection tools); and develop dashboards on program outcomes via a visualization software (to be determined). The chosen contractor will serve as a collaborative partner with HHCS consultants already working on training the Department on the RBA Framework and associated common language for reporting.

It is envisioned that the first year of this contract will primarily be spent on the following deliverables: working with staff from each program on reviewing, improving, developing, and implementing RBA measures; reviewing, improving, developing, and implementing standardized data collection tools; and collecting and analyzing data, and

develop dashboards on based on collected data. Work deliverables during the second year will be technical assistance for program staff to develop proficiency with the implementation; provide an assessment of the quality and sustainability of the implementation; and recommend strategies for ongoing improvement and stability.

Contract Terms

It is anticipated that this contract will begin on **April 18, 2023** and will be in effect until **March 31, 2024**.

Submit full details of the terms for default including the other party’s name, address, and phone number. Present the vendor’s position on the matter. The City will evaluate the facts and may, at its sole discretion, reject the proposal on the grounds of the past experience.

VI. CITY REQUIREMENTS

(Do not modify any part of this section except: Living Wage would not apply if commodities are being purchased and Equal Benefits would not apply if the contract amount will be less than \$25,000. If this is the case, do not delete the section just note next to it “Does Not Apply to this Request for Proposal”)

A. Non-Discrimination Requirements:

Ordinance No. 5876-N.S. codified in B.M.C. Chapter 13.26 states that, for contracts worth more than \$3,000 bids for supplies or bids or proposals for services shall include a completed Workforce Composition Form. Businesses with fewer than five employees are exempt from submitting this form. (See B.M.C. 13.26.030)

Under B.M.C. section 13.26.060, the City may require any bidder or vendor it believes may have discriminated to submit a Non-Discrimination Program. The Contract Compliance Officer will make this determination. This applies to all contracts and all consultants (contractors). Berkeley Municipal Code section 13.26.070 requires that all contracts with the City contain a non-discrimination clause, in which the contractor agrees not to discriminate and allows the City access to records necessary to monitor compliance. This section also applies to all contracts and all consultants.

Bidders must submit the attached Non-Discrimination Disclosure Form with their proposal.

B. Nuclear Free Berkeley Disclosure Form:

Berkeley Municipal Code section 12.90.070 prohibits the City from granting contracts to companies that knowingly engage in work for nuclear weapons. This contracting prohibition may be waived if the City Council

determines that no reasonable alternative exists to doing business with a company that engages in nuclear weapons work. If your company engages in work for nuclear weapons, explain on the Disclosure Form the nature of such work. **Bidders must submit the attached Nuclear Free Disclosure Form with their proposal.**

C. Oppressive States:

The City of Berkeley prohibits granting of contracts to firms that knowingly provide personal services to specified Countries. This contracting prohibition may be waived if the City Council determines that no reasonable alternative exists to doing business with a company that is covered by City Council Resolution Nos. 59,853-N.S., 60,382-N.S., and 70,606-N.S. If your company or any subsidiary is covered, explain on the Disclosure Form the nature of such work.

Bidders must submit the attached Oppressive States Disclosure Form with their proposal.

D. Sanctuary City Contracting Ordinance:

Chapter 13.105 of the Berkeley Municipal Code prohibits the City from granting and or retaining contracts with any person or entity that provides Data Broker or Extreme Vetting services to the U.S. Immigration and Customs Enforcement Division of the United States Department of Homeland Security (“ICE”).

Bidders must submit the attached Sanctuary City Compliance Statement with their proposal.

E. Conflict of Interest:

In the sole judgment of the City, any and all proposals are subject to disqualification on the basis of a conflict of interest. The City may not contract with a vendor if the vendor or an employee, officer or director of the proposer's firm, or any immediate family member of the preceding, has served as an elected official, employee, board or commission member of the City who influences the making of the contract or has a direct or indirect interest in the contract.

Furthermore, the City may not contract with any vendor whose income, investment, or real property interest may be affected by the contract. The City, at its sole option, may disqualify any proposal on the basis of such a conflict of interest.

Please identify any person associated with the firm that has a potential conflict of interest.

F. Berkeley Living Wage Ordinance:

Chapter 13.27 of the Berkeley Municipal Code requires that contractors offer all eligible employees with City mandated minimum compensation during the term of any contract that may be awarded by the City. If the Contractor is not currently subject to the Living Wage Ordinance, cumulative contracts with the City within a one-year period may subject Contractor to the requirements under B.M.C. Chapter 13.27. A certification of compliance with this ordinance will be required upon execution of a contract. The current Living Wage rate can be found here: [Information for Vendors | City of Berkeley \(berkeleyca.gov\)](https://www.berkeleyca.gov/Information-for-Vendors). The Living Wage rate is adjusted automatically effective June 30th of each year commensurate with the corresponding increase in the Consumer Price Index published in April of each year. If the Living Wage rate is adjusted during the term of your agreement, you must pay the new adjusted rate to all eligible employees, regardless of what the rate was when the contract was executed.

G. Berkeley Equal Benefits Ordinance:

Chapter 13.29 of the Berkeley Municipal Code requires that contractors offer domestic partners the same access to benefits that are available to spouses. A certification of compliance with this ordinance will be required upon execution of a contract.

H. Statement of Economic Interest:

The City's Conflict of Interest Code designates "consultants" as a category of persons who must complete Form 700, Statement of Economic Interest, at the beginning of the contract period and again at the termination of the contract. The selected contractor will be required to complete the Form 700 before work may begin.

VII. OTHER REQUIREMENTS

A. Insurance

The selected contractor will be required to maintain general liability insurance in the minimum amount of \$2,000,000, automobile liability insurance in the minimum amount of \$1,000,000 and a professional liability insurance policy in the amount of \$2,000,000 to cover any claims arising out of the performance of the contract. The general liability and automobile insurance must name the City, its officers, agents, volunteers and employees as additional insured.

Insurance not Necessary: *If the services are such that the risk of exposure to liability is very low, insurance may not be required. An example of such a service is an individual using his/her computer at home to lay out a newsletter for the City.*

***** This determination must be made by the Risk Manager in writing before the RFP is issued. *****

Insurance Waiver: *A situation in which insurance is not necessary is different from a case in which insurance may be waived. An insurance waiver is appropriate where insurance would usually be necessary but when, as a policy matter, the City is willing to take the risk of allowing an uninsured or under-insured individual or business to perform the work (usually when the risk of liability is low). An insurance waiver may be granted only by the Risk Manager in writing with the approval of the City Manager. If a potential bidder expresses an inability to meet the insurance requirement, he or she should be encouraged to contact the Project Manager & Risk Manager for assistance in obtaining insurance.)*

B. Worker's Compensation Insurance:

A selected contractor who employs any person shall maintain workers' compensation insurance in accordance with state requirements. Sole proprietors with no employees are not required to carry Worker's Compensation Insurance.

C. Business License

Virtually every contractor that does business with the City must obtain a City business license as mandated by B.M.C. Ch. 9.04. The business license requirement applies whether or not the contractor has an office within the City limits. However, a "casual" or "isolated" business transaction (B.M.C. section 9.04.010) does not subject the contractor to the license tax. Warehousing businesses and charitable organizations are the only entities specifically exempted in the code from the license requirement (see B.M.C. sections, 9.04.295 and 9.04.300). Non-profit organizations are granted partial exemptions (see B.M.C. section 9.04.305). Persons who, by reason of physical infirmity, unavoidable misfortune, or unavoidable poverty, may be granted an exemption of one annual free license at the discretion of the Director of Finance. (See B.M.C. sections 9.04.290).

Vendor must apply for a City business license and show proof of application to Purchasing Manager within seven days of being selected as intended contractor.

The Customer Service Division of the Finance Department located at 1947 Center Street, Berkeley, CA 94704, issues business licenses. Contractors should contact this division for questions and/or information on obtaining a City business license, in person, or by calling 510-981-7200.

D. Recycled Paper

Any printed reports for the City required during the performance of the work shall be on 100% recycled paper, and shall be *printed on both sides of the page* whenever practical.

E. State Prevailing Wage:

Certain labor categories under this project may be subject to prevailing wages as identified in the State of California Labor Code commencing in Section 1770 et seq. These labor categories, when employed for any “work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work,” constitute a “Public Work” within the definition of Section 1720(a)(1) of the California Labor Code requiring payment of prevailing wages.

Wage information is available through the California Division of Industrial Relations web site at: http://www.dir.ca.gov/OPRL/statistics_and_databases.html

F. Local Vendor Preference

City of Berkeley applies a local vendor preference for comparing pricing submittals in RFP responses (City Council Resolution No. 69,890-N.S.)

A **local business** is defined as “a business firm with fixed offices or distribution points located within the City of Berkeley boundaries and listed in the Permits and License Tax paid file, with a Berkeley business street address.”
