I. BACKGROUND

LIBRARY SYSTEM BACKGROUND

Berkeley Public Library’s current mission statement is: “We believe free, universal access to information is fundamental to a healthy democracy and that reading and learning are key to a well-lived life. The Berkeley Public Library is a trusted hub of reading, learning, and community engagement.”

The Berkeley Public Library (BPL) has served the people of Berkeley since 1893 and is one of the most heavily used public libraries in California. The Library is supported by a \$25,060,391 budget and 144 staff members. The Library provides access to collections of physical and electronic books, music, articles, and films; offers cultural and learning experiences for community members; provides access to spaces for studying and meeting with others; and develops opportunities for community engagement and skill sharing. The Library has five facilities: Central Library in downtown Berkeley and four neighborhood branches: Claremont, North, Tarea Hall Pittman South, and West branches. The Tarea Hall Pittman South facility includes the Tool Lending Library that provides access to a wide range of borrowable household tools. Although hours vary between the Central Library and the branches, Berkeley Public Library generally offers services seven days a week with some temporary scheduling changes in place due to the impacts of the pandemic.

In 1980, Berkeley citizens passed a special tax to exclusively fund the yearly budget of the Berkeley Public Library. This tax includes a cost-of-living adjustment. The tax continues and currently brings in over \$20 million a year.

CITY OF BERKELEY

Famous around the globe as a center for academic achievement, scientific exploration, free speech and the arts, the City of Berkeley is renowned for its green space, mild weather, and world-class cultural life. International shopping districts, outstanding restaurants, cutting-edge environmental organizations, art galleries, theaters, museums, Berkeley City College and the University of California at Berkeley all add to the City’s uniquely diverse and culturally rich atmosphere. Residents are highly educated and ethnically, economically, socially and politically diverse.

Berkeley is noted for its activism and community involvement. Berkeley is a thriving creative environment, with more than 100 cultural arts organizations, including the Berkeley Art Museum & Pacific Film Archive, Black Repertory Group Theater, Berkeley Art Center, Berkeley Repertory Theatre, and Aurora Theatre Company. Incomparable weather, over 50 public parks, miles of bike lanes and walking trails, a public marina, Lake Anza in Tilden Park, and the Botanical Garden at UC Berkeley, with 34 acres of plants from all over the world are all resident favorites.

Berkeley Unified School District educates more than 9,400 students in 11 public elementary schools, 3 middle schools, one comprehensive high school, and one alternative high school. The district has 3 preschool facilities and an Adult School serving several thousand students.

The City of Berkeley experiences disparity in socioeconomic levels. While the Bay Area’s technology sector and University of California, Berkeley, represent significant economic influences among others, there is a poverty rate of 17.8% and the city (and surrounding area) is characterized by a high cost of living.

Berkeley’s [Diversity Index](#), the likelihood that two people chosen at random will be from different ethnic groups, increased from 64% in 2010 to 68% in 2020. Berkeley’s population, about 124,000 people, has grown by 10% since 2010. The percentage of Hispanic and Asian residents grew as white and Black/African American populations decreased, according to 2020 U.S. Census Bureau data. Berkeley saw an 11% increase as of 2020 in its density, which is a measure of the city’s population divided by its land area.

<https://www.census.gov/quickfacts/berkeleycalifornia>

BPL libraries are community gathering places for people with many backgrounds, values, interests, and challenges. BPL serves people who are not residents of Berkeley as all California residents are eligible for free cards. Predominant social concerns in the city include access to affordable housing and homelessness, which are also reflected in libraries. Gentrification continues to be a critical issue, as does reimagining public safety and police reform. Berkeley residents and local government are highly focused on climate change and addressing environmental sustainability through local and collective action.

VI. CITY REQUIREMENTS

A. Non-Discrimination Requirements:

Ordinance No. 5876-N.S. codified in B.M.C. Chapter 13.26 states that, for contracts worth more than \$3,000 bids for supplies or bids or proposals for services shall include a completed Workforce Composition Form. Businesses with fewer than five employees are exempt from submitting this form. (See B.M.C. 13.26.030)

Under B.M.C. section 13.26.060, the City may require any bidder or vendor it believes may have discriminated to submit a Non-Discrimination Program. The Contract Compliance Officer will make this determination. This applies to all contracts and all consultants (contractors). Berkeley Municipal Code section 13.26.070 requires that all contracts with the City contain a non-discrimination clause, in which the contractor agrees not to discriminate and allows the City access to records necessary to monitor compliance. This section also applies to all contracts and all consultants.

Bidders must submit the attached Non-Discrimination Disclosure Form with their proposal.

B. Nuclear Free Berkeley Disclosure Form:

Berkeley Municipal Code section 12.90.070 prohibits the City from granting contracts to companies that knowingly engage in work for nuclear weapons. This contracting prohibition may be waived if the City Council determines that no reasonable alternative exists to doing business with a company that engages in nuclear weapons work. If your company engages in work for nuclear weapons, explain on the Disclosure Form the nature of such work. **Bidders must submit the attached Nuclear Free Disclosure Form with their proposal.**

C. Oppressive States:

The City of Berkeley prohibits granting of contracts to firms that knowingly provide personal services to specified Countries. This contracting prohibition may be waived if the City Council determines that no reasonable alternative exists to doing business with a company that is covered by City Council Resolution Nos. 59,853-N.S., 60,382-N.S., and 70,606-N.S. If your company or any subsidiary is covered, explain on the Disclosure Form the nature of such work.

Bidders must submit the attached Oppressive States Disclosure Form with their proposal.

D. Sanctuary City Contracting Ordinance:

Chapter 13.105 of the Berkeley Municipal Code prohibits the City from granting and or retaining contracts with any person or entity that provides Data Broker or Extreme Vetting services to the U.S. Immigration and Customs Enforcement Division of the United States Department of Homeland Security (“ICE”).

Bidders must submit the attached Sanctuary City Compliance Statement with their proposal.

E. Conflict of Interest:

In the sole judgment of the City, any and all proposals are subject to disqualification on the basis of a conflict of interest. The City may not contract with a vendor if the vendor or an employee, officer or director of the proposer's firm, or any immediate family member of the preceding, has served as an elected official, employee, board or commission member of the City who influences the making of the contract or has a direct or indirect interest in the contract.

Furthermore, the City may not contract with any vendor whose income, investment, or real property interest may be affected by the contract. The City, at its sole option, may disqualify any proposal on the basis of such a conflict of interest. **Please identify any person associated with the firm that has a potential conflict of interest.**

F. Berkeley Living Wage Ordinance:

Chapter 13.27 of the Berkeley Municipal Code requires that contractors offer all eligible employees with City mandated minimum compensation during the term of any contract that may be awarded by the City. If the Contractor is not currently subject to the Living Wage Ordinance, cumulative contracts with the City within a one-year period may subject Contractor to the requirements under B.M.C. Chapter 13.27. A certification of compliance with this ordinance will be required upon execution of a contract. The current Living Wage rate can be found here: [Information for Vendors | City of Berkeley \(berkeleyca.gov\)](https://www.berkeleyca.gov/information-for-vendors). The Living Wage rate is adjusted automatically effective June 30th of each year commensurate with the corresponding increase in the Consumer Price Index published in April of each year. If the Living Wage rate is adjusted during the term of your agreement, you must pay the new adjusted rate to all eligible employees, regardless of what the rate was when the contract was executed.

G. Berkeley Equal Benefits Ordinance:

Chapter 13.29 of the Berkeley Municipal Code requires that contractors offer domestic partners the same access to benefits that are available to spouses. A certification of compliance with this ordinance will be required upon execution of a contract.

H. Statement of Economic Interest:

The City's Conflict of Interest Code designates "consultants" as a category of persons who must complete Form 700, Statement of Economic Interest, at the beginning of the contract period and again at the termination of the contract. The selected contractor will be required to complete the Form 700 before work may begin.

VII. OTHER REQUIREMENTS

A. Insurance

The selected contractor will be required to maintain general liability insurance in the minimum amount of \$2,000,000, automobile liability insurance in the minimum amount of \$1,000,000 and a professional liability insurance policy in the amount of \$2,000,000 to cover any claims arising out of the performance of the contract. The general liability and automobile insurance must name the City, its officers, agents, volunteers and employees as additional insured.

B. Worker's Compensation Insurance:

A selected contractor who employs any person shall maintain workers' compensation insurance in accordance with state requirements. Sole proprietors with no employees are not required to carry Worker's Compensation Insurance.

C. Business License

Virtually every contractor that does business with the City must obtain a City business license as mandated by B.M.C. Ch. 9.04. The business license requirement applies whether or not the contractor has an office within the City limits. However, a "casual" or "isolated" business transaction (B.M.C. section 9.04.010) does not subject the contractor to the license tax. Warehousing businesses and charitable organizations are the only entities specifically exempted in the code from the license requirement (see B.M.C. sections, 9.04.295 and 9.04.300). Non-profit organizations are granted partial exemptions (see B.M.C. section 9.04.305). Persons who, by reason of physical infirmity, unavoidable misfortune, or unavoidable poverty, may be granted an exemption of one annual free license at the discretion of the Director of Finance. (See B.M.C. sections 9.04.290).

Vendor must apply for a City business license and show proof of application to Purchasing Manager within seven days of being selected as intended contractor.

The Customer Service Division of the Finance Department located at 1947 Center Street, Berkeley, CA 94704, issues business licenses. Contractors should contact this division for questions and/or information on obtaining a City business license, in person, or by calling 510-981-7200.

D. Recycled Paper

Any printed reports for the City required during the performance of the work shall be on 100% recycled paper, and shall be *printed on both sides of the page* whenever practical.

E. State Prevailing Wage:

Certain labor categories under this project may be subject to prevailing wages as identified in the State of California Labor Code commencing in Section 1770 et seq. These labor categories, when employed for any “work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work,” constitute a “Public Work” within the definition of Section 1720(a)(1) of the California Labor Code requiring payment of prevailing wages.

Wage information is available through the California Division of Industrial Relations web site at:
http://www.dir.ca.gov/OPRL/statistics_and_databases.html

F. Local Vendor Preference

City of Berkeley applies a local vendor preference for comparing pricing submittals in RFP responses (City Council Resolution No. 69,890-N.S.)

A **local business** is defined as “a business firm with fixed offices or distribution points located within the City of Berkeley boundaries and listed in the Permits and License Tax paid file, with a Berkeley business street address.”
