PROJECT LOCATION MAP

PUBLIC NOTICE
SANITARY SEWER REHABILITATION PROJECT

The City of Berkeley, Public Works Department, will be rehabilitating the sanitary sewer system at several locations throughout the City including an area near your property at :

PROJECT LOCATIONS: Oxford St., Fulton St., Adeline St., Shattuck Ave., Kala Bagai Way, University Ave., Woolsey St., Fairview St. *See location map inside. Please note, this map may not include all project locations, only those close to your property.*

TIMELINE: Construction is expected to begin in March and will take approximately ten months to complete depending on weather or unforeseen conditions. Construction in your immediate vicinity may not extend for this entire period.

Standard work hours are 7:30 a.m. - 5:00 p.m., Monday - Friday

Traffic impacts will be posted on the City's website at:

<https://berkeleyca.gov/city-services/streets-sidewalks-sewers-and-utilities/traffic-advisories>

POSSIBLE INCONVENIENCES: Traffic control may cause delays in the vicinity of the work site and along detours. Street closures may be necessary but should not exceed 12 hours at a time. "No Parking" signs will be posted along the street 3 days in advance and will be enforced by the Police Department. Please see the posted signs for exact hours and locations as they may vary according to scheduled tasks. All other usual parking restrictions, including no parking for street cleaning, will still be in effect. Access to private driveways may be prohibited during some operations. Emergency vehicle access will be maintained at all times.

No significant interruptions in sewer, water, electric, gas, or phone service are anticipated,

PROPERTY OWNER AND RESIDENT ACTIONS: During the project, the City will replace the sanitary sewer mains and lower laterals. Property owners are encouraged to obtain a quote from the Contractor or any other contractors of their choice to replace their private lateral (upper lateral) and to obtain a private sewer lateral certificate upon completion.

- Sensitive to Petroleum: Be aware that asphalt will be used in this project
- Avoiding Oil Spray: Park your vehicles outside of the construction area
- Safety: Keep children and pets away from work area

Contractor: SubTerra Construction Inc.

- Joey Murphy, (415)-635-4469
