

## BESO Registered Commercial, Multifamily & Mixed Use Building Energy Assessors

BESO Energy Assessments must be performed by a Registered Energy Assessor on this list. The City of Berkeley does not endorse or warrant any specific Registered Energy Assessor. The selection of a Registered Energy Assessor is left to the discretion of the property owner. For Mixed-Use Buildings, please refer [Assessment Requirements Summary](#) to determine appropriate assessment type required for your building. Please note multifamily is defined as a building with 5 or more units.
