Saturday, Dec. 2*, 2023 @ 10a-1p

Refreshments Included at Both Brainstorm Meetings

*Part of the Tot Winter Carnival

Your voices are needed!

We need your help to design the best outdoor program in the State for people who want more experience with the outdoors and nature.

What local and Northern California destinations are exciting to you? Yosemite? Angel Island? Tahoe? The Waterfront?

What will make new experiences in the outdoors welcoming, accessible, and wonderful for you?

Your input will help us propose a winning program!
