

Office of the City Manager

## **SUPPLEMENTAL AGENDA MATERIAL for Supplemental Packet 1**

**Meeting Date: May 28, 2019**

**Item Number: 49**

**Item Description: Information Technology: Digital Strategic Plan (DSP), FUND\$ Replacement, and Website Update**

**Submitted by: Savita Chaudhary, Director of Information Technology**

On Page 42 the reports states the dates as February 2019 through April 2018. The date needs to be February 2019 through April 2019.

“February 2019 through April 2018, Requirements definition included holding nineteen (19) Rapid Workflow® workshops. Staff attendance and input was outstanding. Seventy-nine (79) City staff/management representing all of the departments in the project participated, with some staff participating in numerous workshops (anywhere from 2 to 9, and IT Application Portfolio Coordinators, participating in as many as twelve (12) workshops). “
