A thorough look at health, safety, and equity in Berkeley from diverse perspectives

3.

### Health Improvement Plan

A detailed, realistic response to priorities identified in the assessment

JULY 2023 - FEBRUARY 2024

FEBRUARY - SEPTEMBER 2024

SEPTEMBER 2024 - MAY 2025

#### SELECT COMMUNITY MEMBERS

Opportunity to participate in interviews and/or focus groups

#### COMMUNITY STEERING COMMITTEE

Committee of stakeholders formed to guide decision making and processes

#### BROADER COMMUNITY

Opportunity to participate in input session

**JSI Research & Training Institute:** Facilitate process, draft all materials

**Berkeley Department of Health, Housing and Community Services:** Provide oversight & information

## INTENDED OUTCOMES

A **clear, community-shaped vision** of the most pressing health and equity issues in Berkeley.

A set of **impactful and feasible actions** to address the identified issues.

Established **relationships and partnerships** to support collective accountability for the actions.

Identification of **necessary resources** to make the desired change.
