

**PUBLIC NOTICE
STREET REHABILITATION PROJECT**

The City of Berkeley, Public Works Department, will be rehabilitating the street pavement in your neighborhood. This work is funded by Gas Tax, Measures B & BB Sales Tax, SB1 Transportation Tax and the Capital Improvement Fund.

LOCATION: Channing Way, Creston Rd, Dana St, Derby St, Durant Ave, Dwight Way, Hille-gass Ave, Latham Ln, McGee Ave, Miller Ave, Otis St, Rose St and Woolsey St. *See location map inside.*

TIMELINE: Construction is expected to begin in May 2023 and will take approximately five months to complete depending on weather or unforeseen conditions. Construction in your immediate vicinity may not extend for this entire period. Standard work hours are 7:30 a.m. - 5:00 p.m., Monday - Friday, weekend and holidays if approved by City in advance.

POSSIBLE INCONVENIENCES: Traffic will be delayed at the work site and street closures may be necessary but will not exceed 12 hours at a time. "No Parking" signs will be posted along the street 3 days in advance and will be enforced by the Police Department. Please see the posted signs for exact hours and locations as they may vary according to scheduled tasks. All other usual parking restrictions, including no parking for street cleaning, will still be in effect. Access to private driveways may be prohibited during some operations. Emergency vehicle access will be maintained at all times. Residents will be notified in advance of major lane closures.

PROPERTY OWNER AND RESIDENT ACTIONS:

- Sensitive to Petroleum: Be aware that asphalt will be used in this project
- Avoiding Oil Spray: Park your vehicles outside of the construction area. Oil and asphalt are not easily removed from shoes, floors and rugs
- Safety: Keep children and pets away from work area
- Property owners are responsible for trimming their trees and vegetation growing into the roadway, and for installation and maintenance of water barriers (against runoff) with a minimum height of 6 inches.
- Any permits issued for use of the right-of-way are temporarily suspended, in accordance with BMC 16.16.050, while the work takes place. Contact City Construction Manager for coordination of critical work.
