Presented by the Parks, Recreation & Waterfront Department, this will be our 3rd virtual Community Meeting to present the proposed landscaping improvements to help beautify the South Adeline Area. We are providing project updates and seeking community input on the preferred conceptual design for landscaping improvements on the south end of the Ashby Bart Station, and in the area from Alcatraz Avenue to the southern city limit at the intersection of Adeline Street and MLK Jr. Way.

For questions, please email Evelyn Chan at EChan@berkeleyca.gov
