

PUBLIC NOTICE OF PROPOSED FIVE-YEAR RATE SCHEDULE FOR CITY OF BERKELEY'S ZERO WASTE SERVICES

THIS NOTICE PROVIDES IMPORTANT INFORMATION ABOUT A PROPOSED INCREASE IN REFUSE/RECYCLING FEES AND MAJORITY PROTEST PROCESS

THE NEED FOR ADJUSTMENTS IN ZERO WASTE'S FIVE-YEAR RATE SCHEDULE

This notice concerns the City of Berkeley's proposal to increase the rates it charges for both residential and commercial Zero Waste services, including garbage collection, transfer & disposal, recyclables collection and processing, and organics collection and composting. The proposed rates for the five-year rate schedule would fund all costs to deliver these services, including operational, maintenance, financial, and capital expenditures. The costs include annual increases for landfill disposal expenses; labor; vehicle fuel, maintenance, and replacement; composting and recycling expenses; maintenance of the closed landfill; and environmental and design phases of the Transfer Station's Replacement Project. These rates have not been adjusted since July 2020. The proposed rates are calculated based upon the cost to provide Zero Waste services to each customer based upon each customer's volume and frequency of collection.

The proposed five-year rate schedule ensures sustainable and stable funding of the Zero Waste Fund to support the City's strategic plan goals to provide state-of-the-art, well-maintained infrastructure, amenities, and facilities; be a global leader in addressing climate change, advancing environmental justice, and protecting the environment; and provide excellent, timely, easily-accessible service and information to the community.

PUBLIC NOTICE AND MAJORITY PROTEST PROCESS

You are being provided with this notice as the identified owner of real property in the City of Berkeley subject to these rates. Property owners or tenants of the property have a right to submit a written protest to the proposed rate change.

WHEN WILL THE CITY COUNCIL CONSIDER THE FIVE-YEAR RATE SCHEDULE?

The City Council will consider the adoption of the proposed fees at a Public Hearing on Tuesday, June 27, 2023, 6:00 p.m., Berkeley Unified School District Board Room, 1231 Addison Street, Berkeley, CA 94702.

WHEN WOULD THE NEW FIVE-YEAR RATE SCHEDULE BE EFFECTIVE?

If a majority of the affected property owners submit protests, the proposed rate changes will not be imposed. If there is not a majority protest, City Council can adopt the rates and they would become effective on July 1, 2023 and each July 1 thereafter.

IS THERE A RIGHT TO PROTEST?

Yes. Under Proposition 218, a property owner or tenant may protest the proposed rates. All protests must be in writing, include an original signature, and be submitted as set forth below. Protests submitted by e-mail or facsimile, as well as verbal protests, will not be counted. All members of the public are entitled to make comments at the Public Hearing, regardless of whether they choose to submit a written protest or own property that would be subject to the new or increased fee or charge. You may file a protest in two ways:

- 1. Written protests by mail.** If you wish to hand-deliver or submit your protest by mail, it must be received no later than 3 p.m. on June 27, 2023. You may hand-deliver or mail your written protest in advance of the Public Hearing to: City Clerk, City of Berkeley, 2180 Milvia Street, First Floor, Berkeley, CA 94704. The written protest must include the printed name and original signature of the property owner or tenant, and identify the property's parcel number. The person signing the protest shall identify themselves as the owner of the parcel as shown on the last equalized secured property tax assessment roll, the owner's authorized representative, or a tenant of the parcel. Failure to include this information will result in an invalid protest and will not be counted.
- 2. Written protest in person at the Public Hearing.** A written protest may be presented at the Public Hearing on June 27, 2023, and must be received prior to close of the Public Hearing. In order to be counted, the written protest must include a printed name and original signature of the property owner or tenant, and identify the property's parcel number. The person signing the protest shall identify themselves as the owner of the parcel as shown on the last equalized secured property tax assessment roll, the owner's authorized representative, or a tenant of the parcel. Failure to include this information will result in an invalid protest and will not be counted.

Protests may be withdrawn by the person who submitted the original protest. Written requests for withdrawal must contain all the same information that is required on the protest and must be submitted by the same deadlines and in the same manner as required for the original protest. Written protests will be tabulated immediately following the close of the Public Hearing and the results will be reported directly to the City Council. If you do not want to protest the proposed rates, you do not need to take any action.

WHAT FEES ARE BEING CONSIDERED?

The charts below summarize the rate changes. Other relevant fees and the full five-year rate schedule, including the staff report and resolution, are available on the City website at <https://berkeleyca.gov/city-services/trash-recycling> or at the City Clerk Department at 2180 Milvia Street.

Residential¹ Can/Cart Rates: The following monthly rates apply to refuse cans and carts collected one time per week from residential customers and include all solid waste collection, transfer, landfilling, recyclables collection and processing, and organics collection and processing. No new or replacement 13- or 45-gallon carts will be provided; service will continue for existing containers.
