Community Health Commission 2024-25 Work Plan

Guiding Philosophy: To look at health through an equity lens in order to address, ameliorate, and abolish health inequities in Berkeley while addressing and supporting public health efforts in collaboration with the City of Berkeley City Council, City of Berkeley Public Health staff, and community members.

1. Mission/Purpose:

1. Collaborate with the community, the City of Berkeley Health Officer Unit, Public Health Division, and Berkeley City Council to eliminate health inequity by:
 - a. Advocating to the City Council for policies that have the potential to improve the health of Berkeley residents and that can be implemented, monitored and evaluated.
 - b. Representing the diversity of the community through the diversity of this commission's membership.
 - c. Increasing public education to develop greater understanding and awareness of public health issues.
 - d. Advocating with the residents of Berkeley most affected by institutional, social, and organizational inequities and disparities.
 - e. Providing a public forum for all community members to share their public- health-related concerns and ideas
2. Achieve progress in attaining general good health for all Berkeley residents by being responsive to community needs and facilitating general health and safety.

Overall issues to be addressed through a health equity lens.

- Be responsive to recommendations that will help Berkeley residents, care providers, and clinics cope with spending cuts to local, state, and federal funding.
- Continue to be a community advocate to City Council to address structural, institutional, and health inequities impacting all underserved populations, taking into account the social determinants of health.
- Work to have community health data measures documented in a timely manner and to promptly evaluate and act on novel data such as the Health Status Report.
- Increase healthy food security
- Advocate for the expansion of affordable housing
- Address the planned closure of Alta Bates Hospital
 - Promote the findings of the Health Impact Assessment regarding the closure of Alta Bates Hospital and efforts to maintain acute care services for Berkeley residents.
- Work to support policies and initiatives that advance UHC such as Medicare for All.

- Advise the City Council as HHCS and Public Health Division develop their strategic plans, Community Health Assessment, and Community Health Improvement Plan.

2. General steps and actions needed to meet priorities:

1. Conduct outreach to encourage Berkeley community members to engage with the CHC.
2. Collaborate with other commissions to share resources and support recommendations.
3. Form focused/specialized ad-hoc subcommittees, as needed.

Basic Needs Security

Focus on healthy food security and affordable/accessible housing.

- Advocate for policies to mitigate unhealthy food consumption.
- Advocate for affordability and accessibility of healthy foods by supporting programs in Berkeley that address these issues.
- Advocate for affordable housing and rent protections for Berkeley residents.
- Connect with community-based organizations and appropriate City of Berkeley departments to acquire information about available resources for Berkeley residents.

Chronic Disease Prevention

Recommend interventions to address diabetes, obesity, heart diseases, and other chronic conditions highlighted by the Berkeley health status report

Health Equity

Review the Health Status Report and engage with Public Health staff and community members to advocate for the implementation of strategies that will reduce health inequities:

- Work on cultural competency for health care providers
- Continue to support the development of the African American Holistic Resource Center
- Investigate and implement efforts to improve immigrant access to health care.

Ombudsperson Program for Long Term Care Facilities

Continue to engage with and monitor city council actions related to the city council's referral on long-term care facilities.

Land Acknowledgement Statement

The City of Berkeley recognizes that the community we live in was built on the territory of xučyun (Huchiun (Hooch-yoon)), the ancestral and unceded land of the Chochenyo (Cho-chen-yo)-speaking Ohlone (Oh-low-nee) people, the ancestors and descendants of the sovereign Verona Band of Alameda County.

This land was and continues to be of great importance to all of the Ohlone Tribes and descendants of the Verona Band.

As we begin our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the documented 5,000-year history of a vibrant community at the West Berkeley Shellmound, and the Ohlone people who continue to reside in the East Bay.

We recognize that Berkeley's residents have and continue to benefit from the use and occupation of this unceded stolen land since the City of Berkeley's incorporation in 1878.

As stewards of the laws regulating the City of Berkeley, it is not only vital that we recognize the history of this land, but also recognize that the Ohlone people are present members of Berkeley and other East Bay communities today.
