All communications submitted to Zoning Adjustments Board are public record and are for information only. Other than referring an item to the Secretary for investigation and/or recommendations, no action may be taken in response to any non-agenda communication.

Preliminary Matters

Roll Call

Ex Parte Communication Disclosures

In the context of adjudicative matters that come before the ZAB, *ex parte* communications are those which occur outside the formal hearing process. ZAB members should avoid *ex parte* contacts on matters pending before the ZAB as much as possible, as they may represent, or be perceived to represent, the receipt of evidence that can unfairly influence a Board member's decision on a matter before the Board. If such contacts do occur, the substance of the communication must be disclosed to all interested parties in advance of any public hearing or testimony to allow rebuttal. Written *ex parte* communications must be forwarded to the Secretary so that they can be disclosed to the entire Board and the public.

Public Comment on Non-Agenda Matters

Each Speaker is limited to a maximum of three minutes.

Agenda Changes

The Chair may reorder the agenda at the beginning of the meeting.

- (3) Items being continued to another meeting (Board action will be postponed to another meeting); and

The Chairperson will announce any additional items proposed for the Consent Calendar at approximately 7:05 PM.
