Community Health Commission 2025-26 Work Plan

Guiding Philosophy: To look at health through an equity lens in order to address, ameliorate, and abolish health inequities in Berkeley while addressing and supporting public health efforts in collaboration with the City of Berkeley City Council, City of Berkeley Public Health staff, and community members.

I. Mission/Purpose:

- A. Collaborate with the community, the City of Berkeley Health Officer Unit, Public Health Division, and Berkeley City Council to eliminate health inequity by: Advocating to the City Council for policies that have the potential to improve the health of Berkeley residents and that can be implemented, monitored and evaluated.
 - 1. Representing the diversity of the community through the diversity of this commission's membership.
 - 2. Increasing public education and engagement to develop greater understanding and awareness of public health issues.
 - 3. Advocating with the residents of Berkeley most affected by institutional, social, and organizational inequities and disparities.
 - 4. Providing a public forum for all community members to share their public- health related concerns and ideas
- B. Achieve progress in attaining general good health for all Berkeley residents by being responsive to community needs and facilitating general health and safety.

Overall issues to be addressed through a health equity lens.

- a. Be responsive to recommendations that will help Berkeley residents, care providers, and clinics cope with spending cuts to local, state, and federal funding.
- b. Continue to be a community advocate to City Council to address structural, institutional, and health inequities impacting all underserved populations, taking into account the social determinants of health.
- c. Evaluate and act on health status data such as the 2018 Health Status Report, and data updated in the Community Health Assessment and other periodic reports.
- d. Increase healthy food security, particularly preparing for SNAP/CalFresh changes, including advocating for the necessary support for the Berkeley Food Network / Pantry, and access to fresh groceries.
- e. Support expansion of affordable housing as a part of addressing root causes of health disparities.
- f. Work to support policies and initiatives that advance Universal Health Care such as Medicare for All.

- g. Advise the City Council as HHCS and Public Health Division develop the strategic plan and Results-Based Accountability framework, Community Health Assessment, and Community Health Improvement Plan.

II. General steps and actions needed to meet priorities:

- A. Conduct outreach to encourage Berkeley community members to engage with the CHC, inclusive of diverse communities.
- B. Collaborate with other commissions to share resources and support recommendations.
- C. Form focused/specialized work groups, as needed.

1. Basic Needs Security

- a. Focus on healthy food security and affordable/accessible housing.
- b. Advocate for affordability and accessibility of healthy foods by supporting programs in Berkeley that address these issues.
- c. Advocate for affordable housing and rent protections for Berkeley residents.
- d. Connect with community-based organizations and appropriate City of Berkeley departments to acquire information about available resources for Berkeley residents.

2. Chronic Disease Prevention

- a. Recommend interventions to address diabetes, obesity, heart diseases, and other chronic conditions highlighted by the updates to Berkeley health status report and Community Health Assessment.
- b. Engage with Public Health Division staff development of Results-Based Accountability framework and evaluation of public health programs.

3. Health Equity

Engage with Public Health staff and community members to advocate for the implementation of strategies that will reduce health inequities, detailed in the Health Status Report:

- a. Monitor the utilization and support outreach for the West Berkeley Family Wellness Center.
- b. Continue to support the development of the African American Holistic Resource Center.
- c. Investigate and implement efforts to improve immigrant access to health care.

4. Health Facilities

- a. Address the planned closure and replacement of Alta Bates Hospital to maintain acute care services for Berkeley residents, including evaluation and advocacy of the adequacy of the number of replacement beds in the successor acute care hospital facility, and the inclusion of critical care services such as Labor and Delivery, Cardiac Catheterization, and Burn Units.

- b. Continue to engage with and monitor city council actions related to implementation of the Commission's recommendation and council referral on ombudsperson funding and safe staffing at long-term care facilities.

5. Environmental Health

- a. Monitor and engage with city council actions responding to the City Auditor's audit of restaurant health and safety.
- b. Monitor environmental health division programs regarding vector control and other programs to protect environmental health and safety.
- c. Engage with the Planning Division to provide input to the City of Berkeley General Plan Environmental Justice element.

Land Acknowledgement Statement

The City of Berkeley recognizes that the community we live in was built on the territory of xučyun (Huchiun (Hooch-yoon)), the ancestral and unceded land of the Chochenyo (Cho-chen-yo)-speaking Ohlone (Oh-low-nee) people, the ancestors and descendants of the sovereign Verona Band of Alameda County.

This land was and continues to be of great importance to all of the Ohlone Tribes and descendants of the Verona Band.

As we begin our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the documented 5,000-year history of a vibrant community at the West Berkeley Shellmound, and the Ohlone people who continue to reside in the East Bay.

We recognize that Berkeley's residents have and continue to benefit from the use and occupation of this unceded stolen land since the City of Berkeley's incorporation in 1878.

As stewards of the laws regulating the City of Berkeley, it is not only vital that we recognize the history of this land, but also recognize that the Ohlone people are present members of Berkeley and other East Bay communities today.
