**PUBLIC TESTIMONY GUIDELINES:** To speak at a public hearing, **please submit a speaker card to Planning Staff prior to the start of the meeting.** This meeting will be conducted in accordance with the Brown Act, Government Code Section 54953. Any member of the public may attend this meeting. The Chair may limit the number of speakers and the length of time allowed to each speaker.

**1. ROLL CALL**

**2. EX-PARTE COMMUNICATIONS:** In the context of adjudicative matters that come before the ZAB, ex-parte communications are those which occur outside of the formal hearing process. ZAB members should avoid ex-parte contacts on matters pending before the ZAB as much as possible, as they may represent, or be perceived to represent, the receipt of evidence that can unfairly influence a decision on a matter before the Commission. If such contacts do occur, they must be placed in the record and disclosed to all interested parties sufficiently in advance of the decision to allow rebuttal.

**3. LAND ACKNOWLEDGEMENT STATEMENT:** The Commission recognizes that the community we live in was built on the territory of xučyun (Huchiun (Hooch-yoon)), the ancestral and unceded land of the Chochenyo (Cho-chen-yo)-speaking Ohlone (Oh-low-nee) people, the ancestors and descendants of the sovereign Verona Band of Alameda County. This land was and continues to be of great importance to all of the Ohlone Tribes and descendants of the Verona Band. As we begin our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the documented 5,000-year history of a vibrant community at the West Berkeley Shellmound, and the Ohlone people who continue to reside in the East Bay. We recognize that Berkeley's residents have and continue to benefit from the use and occupation of this unceded stolen land since the City of Berkeley's incorporation in 1878. As stewards of the laws regulating the City of Berkeley, it is not only vital that we recognize the history of this land, but also recognize that the Ohlone people are present members of Berkeley and other East Bay communities today. The City of Berkeley will continue to build relationships with the Lisjan Tribe and to create meaningful actions that uphold the intention of this land acknowledgement.

**4. PUBLIC COMMENT on Non-Agenda and Information Items** (Three minutes per person; five minutes per organization, or at the discretion of the Chairperson)

**5. ORDER OF AGENDA**

The Zoning Adjustments Board has the right to rearrange the order of the agenda in order to accommodate projects that will not require significant time.

**6. CONSENT CALENDAR**

Consent Calendar items are considered routine, non-controversial and will be enacted by one motion. By approval of the Consent Calendar, the staff recommendations will be adopted unless otherwise modified by the Board. There will be no separate discussion on these items unless a member of the Board or a member of the public requests removal of the items from the Consent Calendar. Examples of consent calendar items include but are not limited to modifications of existing Use Permits, continuances, and items noticed for public hearing which the Board decides to move to the Consent Calendar. Anyone present who wishes to speak against one of these items should advise the Chairperson if they request the item be pulled from the Consent Calendar.

If you object to a decision by the Zoning Adjustments Board regarding a land use permit project, the following requirements and restrictions apply:

1. If you challenge the decision of the City in the court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice.
2. You must appeal to the City Council within fourteen (14) days after the Notice of Decision of the action of the Zoning Adjustments Board is mailed. It is your obligation to notify the Land Use Planning Division in writing of your desire to receive a Notice of Decision when it is completed.
3. Pursuant to Code of Civil Procedure Section 1094.6(b) and Government Code Section 65009(c)(1), no lawsuit challenging a City Council decision, as defined by Code of Civil Procedure Section 1094.6(e), regarding a use permit, variance or other permit may be filed more than ninety (90) days after the date the decision becomes final, as defined in Code of Civil Procedure Section 1094.6(b). Any lawsuit not filed within that ninety (90) day period will be barred.
4. Pursuant to Government Code Section 66020(d)(1), notice is hereby given to the applicant that the 90-day protest period for any fees, dedications, reservations, or other exactions included in any permit approval begins upon final action by the City, and that any challenge must be filed within this 90-day period.
5. If you believe that this decision or any condition attached to it denies you any reasonable economic use of the subject property, was not sufficiently related to a legitimate public purpose, was not sufficiently proportional to any impact of the project, or for any other reason constitutes a "taking" of property for public use without just compensation under the California or United States Constitutions, the following requirements apply:
  - A. That this belief is a basis of your appeal.
  - B. Why you believe that the decision or condition constitutes a "taking" of property as set forth above.
  - C. All evidence and argument in support of your belief that the decision or condition constitutes a "taking" as set forth above.

If you do not do so, you will waive any legal right to claim that your property has been taken, both before the City Council and in court.
