Request for initiation of Landmark designation on a future agenda lies within the range of action to be considered on each structure or property appearing at any place on the agenda.

** Indicates that the Landmarks Preservation Commission received documents (notices of decision, staff reports, application materials or correspondence) as part of the packet that was delivered prior to this meeting.

1. **ROLL CALL:** Please put all cellular phones and ringers on silent during the meeting.

2. **EX-PARTE COMMUNICATIONS**

In the context of adjudicative matters that come before the LPC, ex-parte communications are those which occur outside of the formal hearing process. LPC members should avoid ex-parte contacts on matters pending before the LPC as much as possible, as they may represent, or be perceived to represent, the receipt of evidence that can unfairly influence a decision on a matter before the Commission. If such contacts do occur, they must be placed in the record and disclosed to all interested parties sufficiently in advance of the decision to allow rebuttal.

3. **LAND ACKNOWLEDGEMENT STATEMENT**

The Commission recognizes that the community we live in was built on the territory of xučyun (Huchiun (Hooch-yoon)), the ancestral and unceded land of the Chochenyo (Cho-chen-yo)-speaking Ohlone (Oh-low-nee) people, the ancestors and descendants of the sovereign Verona Band of Alameda County. This land was and continues to be of great importance to all of the Ohlone Tribes and descendants of the Verona Band. As we begin our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the documented 5,000-year history of a vibrant community at the West Berkeley Shellmound, and the Ohlone people who continue to reside in the East Bay. We recognize that Berkeley's residents have and continue to benefit from the use and occupation of this unceded stolen land since the City of Berkeley's incorporation in 1878. As stewards of the laws regulating the City of Berkeley, it is not only vital that we recognize the history of this land, but also recognize that the Ohlone people are present members of Berkeley and other East Bay communities today. The City of Berkeley will continue to build relationships with the Lisjan Tribe and to create meaningful actions that uphold the intention of this land acknowledgement.

4. **PUBLIC COMMENT on Non-Agenda and Information Items**

(Three minutes per person; five minutes per organization, or at the discretion of the Chairperson)

5. **ORDER OF AGENDA**

The Landmarks Preservation Commission has the right to rearrange the order of the agenda in order to accommodate projects that will not require significant time.

6. **CONSENT CALENDAR**

Consent Calendar items are considered routine, non-controversial and will be enacted by one motion. By approval of the Consent Calendar, the staff recommendations will be adopted unless otherwise modified by the Board. Any member of the Board or a member of the public can request that the Board consider moving an item from the Consent Calendar to the Action Calendar. There will be no separate discussion on these items unless the Board votes to move the item from the Consent Calendar to the Action Calendar. Examples of consent calendar items include but are not limited to modifications of existing Use Permits, continuances, and items noticed for public hearing which the Board decides to move to the Consent Calendar. Anyone present who wishes to speak against one of these items should advise the Chairperson if they request the item be pulled from the Consent Calendar.
