

AGENDA
Disaster Fire and Safety Commission
Regular Meeting
June 22, 2022
7:00 PM

District 1 – Kim-Mai Cutler

District 5 – Shirley Dean

District 2 – Weldon Bradstreet

District 6 – Nancy Rader

District 3 –

District 7 – Tobias Simmons

District 4 – Antoinette Stein

District 8 – Paul Degenkolb

Mayor’s Appointee- Jose Luis Bedolla

PUBLIC ADVISORY: THIS MEETING WILL BE CONDUCTED EXCLUSIVELY THROUGH VIDEOCONFERENCE AND TELECONFERENCE

Pursuant to Government Code Section 54953(e) and the state declared emergency, this meeting of the Disaster and Fire Safety Commission will be conducted exclusively through teleconference and Zoom videoconference. The COVID-19 state of emergency continues to directly impact the ability of the members to meet safely in person and presents imminent risks to the health of attendees. Therefore, no physical meeting location will be available.

To access the meeting remotely: Join from a PC, Mac, iPad, iPhone, or Android device: Please use this URL <https://us06web.zoom.us/j/81595546232> If you do not wish for your name to appear on the screen, then use the drop down menu and click on "rename" to rename yourself to be anonymous. To request to speak, use the “raise hand” icon by rolling over the bottom of the screen.

*To join by phone: Dial 1-669-900-9128 and enter Meeting ID 815 9554 6232 If you wish to comment during the public comment portion of the agenda, Press *9 and wait to be recognized by the Chair. Please be mindful that all other rules of procedure and decorum will apply for Commission meetings conducted by teleconference or videoconference*

Preliminary Matters

Call to Order

Approval of the Agenda

Public Comment on Non-Agenda Matters

1. Fire Department Staff Report
 - a. Measure FF Report Schedule
 - b. Measure GG Report Schedule
 - c. Department Activities
 - i. Overall Call Metrics
 - ii. Special Reports
 - iii. Commission Actions Status

Consent Items

2. Approval of Draft Minutes of Meeting of May 25, 2022*

Action Items

3. Commission Annual Workplan (Bedolla)
4. Update on Red Curbs and Faded Parking Signs/Repairs for June Meeting* (Bedolla)

Discussion Items

5. Community Communications About 2022 Fire Season (Bedolla)
6. CERT Training Recap from May (Staff)
7. New Commission Webpage (Staff)
8. Future Agenda Items and Next Steps

Adjournment

Disaster & Fire Safety Commission
Regular Meeting
Wednesday May 25, 2022

Present: Jose Luis Bedolla, Shirley Dean, Weldon Bradstreet, Tobias Simmons, Paul Degenkolb, Kim-Mai Cutler

Absent: Toni Stein, Nancy Rader

Staff: Khin Chin, Keith May, Liam Garland

Public: Attendees 3: Kelly Hammargren, Ray Yep,

Preliminary Matters

Call to Order

W. Bradstreet called meeting to order at 7:01pm

Approval of the Agenda

Approved by Acclamation

Public Comment on Non-Agenda Items

Kelly Hammergren said that staff notification to commission members for commission related items that are heard in other public meeting should be improved. Commissioners are not made aware of when items are heard in other meetings.

Kim-Mai Cutler arrived at 7:05

1. Fire Department Staff Report

DFSC Staff Report

May 25th, 2022

1. Measure FF Monthly Report

a. Budget Overview – No Update

i. Program Review

1. Standards of Coverage Analysis – The Department is undergoing an in-depth analysis of fixed and mobile resources to determine the best

deployment model and to ensure the Department is responding effectively and efficiently.

- Status: Following the presentation to the City Council on April 19th, the Department is working to determine how to fund the one major recommendation that has not already been planned and funded, a resource to handle low acuity EMS calls for service.
2. **Project Management and Subject Matter Expert (SME)** – Through this contract, the Department has relied on a team of professionals that have varied background including in project management, information technology, videography, marketing and industry specialists that have specific skills in emergency medical service and training.
 - a. Status: The project management team has been helping us find and transition to a project management platform and has been providing Subject Matter Expert (SME) assistance for a variety of projects.
 3. **Community Wildfire Protection Plan (CWPP)** – The CWPP is a comprehensive risk analysis that addresses local target hazards and includes a community-based action plan to mitigate threats, promote preparedness activities, and ensure resiliency. It will serve as the foundation and roadmap for the Departments work to prevent wildfire and limit the spread when they ignite.
 - a. Update: The core team was selected and met on May 13th. The project is estimated to take nine months to complete.
 4. **Wildfire Prevention / Mitigation – Vegetation Management Inspections** – See chart below.
 5. **Retired Annuitants** – The retired annuitants are largely focused on performing vegetation inspections for properties in fire zone 2 and 3. They are also looking at transitioning the inspection from paper to mobile technology, re-tooling the re-inspection, citation, and violation process. The Department has also expanded its traditional hazardous fire area program to include all properties in fire zones 2 and 3.
 - Update: As the Department nears the point where it will be adding permanent staff to the Division, it will be working with HR and the CAO to determine how and if the retired annuitants can stay on board.
 6. **Emergency Medical Technician (EMT) and Paramedic Recruitment – Single Function Job Classifications & Recruitment:**

- a. The Division has worked collaboratively with Local 1227 and Human Resources to draft single function EMT and Paramedic Job Classifications which were approved with elation at the December Personnel Board meeting and were approved by the City Council on January 18th, 2022.
 - i. Update: We are nearing the time when we will begin recruitment for both of these classifications. The hiring process will take approximately 3-6 months, then they will participate in an eight week academy and then they will begin their field training time.
- 7. Fire Facilities Master Plan (FMP): Berkeley Fire Department stations are undersized, in poor condition and in need of remodels or replacement. The Department initiated a long-term replacement planning process to better understand infrastructure needs. This process will provide the City leaders of today and tomorrow with actionable information ahead of future infrastructure bond measures.
 - i. Update: The team is working through the data analysis and planning process and will deliver a mid-project report to the City Council in late July.
- 8. Dispatch Study: Our goal, per Council direction is to enhance the dispatch center so it can triage calls, divert non-emergency calls (including mental health calls) to appropriate resources like the SCU; and provide emergency medical instructions to callers.
 - i. Status: The study continues and we project that we will have the final report completed in August of this year.

9. Recruitments:

- a. Shift Fire Inspector Recruitment –These are filled by existing fire department personnel and are used to assist with fire investigations and other inspection related activities in the built environment.
 - i. Update: In-service training is scheduled for July.
 - b. Sworn Fire Inspector Recruitment – Recruitment is on-going.
 - i. Update: We plan to promote an additional three inspectors sometime in 2022, when staffing permits.
10. **Division of Training Property** – The Department is actively engaged to find a piece of property that will meet the City’s needs for the training and development of its emergency responders and support staff. Due to zoning, the cost of property and the proximity of residential units to most property in Berkeley, this location will likely be outside the City

proper. This presents exciting opportunities for regional collaboration with other fire departments and a community college district.

- a. Update: We are moving forward with lease negotiations for a property in Richmond and we are also engaged in discussions with departments throughout Alameda and Contra Costa with regard to creating a training consortium.

ii. Implementation & Metrics

- 1. **Outdoor Warning System** –We are still facilitating the permit process between the COB and vendor. We have also started planning the permitting process with the State Department of Architecture which is the permitting authority for the school district.

iii. RFP Updates

Vegetation Management Inspections – Annuitants

As of:	5/23/2022	Vegetation Management Inspections

Consent Items

2. Approval of Draft Minutes of Meeting of April 13, 2022*

Motion to approve the minutes as revised: Dean

Second: Bedolla

Vote: 6 Ayes: Bedolla, Dean, Bradstreet, Cutler, Simmons, Degenkolb; 0 Noes; 2

Absent: Rader, Stein; 0 Abstain:

3. Approval of Draft Minutes of Meeting of April 27, 2022*

Motion to approve the minutes as submitted: Dean

Second: Bedolla

Vote: 6 Ayes: Bedolla, Dean, Bradstreet, Cutler, Simmons, Degenkolb; 0 Noes; 2

Absent: Rader, Stein; 0 Abstain:

Action Items

4. Election of Commission Chair

Nominate Commissioner Bedolla as Commission Chair: Bradstreet

Nomination accepted.

Motion to Elect Jose Luis Bedolla as Chair: Bradstreet

Second: Dean

Vote: 6 Ayes: Bedolla, Dean, Bradstreet, Cutler, Simmons, Degenkolb; 0 Noes; 2

Absent: Rader, Stein; 0 Abstain:

Jose Luis Bedolla elected as Chair.

5. Approval of Additional Disaster and Fire Safety Commission Meeting*

Motion to request from City Council one additional meetings for 2022 (as Revised):

Dean

Second: Bradstreet

Vote: 6 Ayes: Bedolla, Dean, Bradstreet, Cutler, Simmons, Degenkolb; 0 Noes; 2

Absent: Rader, Stein; 0 Abstain:

Motion passes.

6. Recommendation to City Council on Measure GG Tax Rate Adjustment*

T. Stein arrived at 750p

Motion to submit a memorandum to City Council opposing an increase to the Measure

GG assessment: Bedolla

Second: Degenkolb

Vote: 7 Ayes: Bedolla, Dean, Bradstreet, Cutler, Simmons, Degenkolb, Stein; 0 Noes; 1 Absent: Rader;; 0 Abstain:

Motion passes.

Discussion Items

7. 2050 Vision Revenue Measure (Public Works Department)

K. Cutler left the meeting at 8:32p

8. Community Wildfire Protection Plan (CWPP) Update

9. Red Curbs Adjacent to Fire Hydrants

10. Future Agenda Items and Next Steps

Adjournment

Motion to Adjourn: Bradstreet

Second: Degenkolb

Vote: 6 Ayes: Bedolla, Dean, Bradstreet, Stein, Simmons, Degenkolb; 0 Noes; 2 Absent: Rader, Cutler; 0 Abstain:

DFSC Staff Report

June 22, 2022

1. Measure FF Monthly Report

a. Budget Overview – No Update

i. Program Review

- **Standards of Coverage Analysis** – The Department is undergoing an in-depth analysis of fixed and mobile resources to determine the best deployment model and to ensure the Department is responding effectively and efficiently.
 - Status: Working with vendor to provide additional data from the City that will allow them to complete the process, sometime late Fall of 2022
- **Project Management and Subject Matter Expert (SME)** – Through this contract, the Department has relied on a team of professionals that have varied background including in project management, information technology, videography, marketing and industry specialists that have specific skills in emergency medical service and training.
 - Status: No New Updates
- **Community Wildfire Protection Plan (CWPP)** – The CWPP is a comprehensive risk analysis that addresses local target hazards and includes a community-based action plan to mitigate threats, promote preparedness activities, and ensure resiliency. It will serve as the foundation and roadmap for the Departments work to prevent wildfire and limit the spread when they ignite.
 - Update: Staff is working with IoT Department to create the online ARCGIS public portal and survey links.
- **Wildfire Prevention / Mitigation – Vegetation Management Inspections** – No reporting for this month.
- **Retired Annuitants** – The retired annuitants are largely focused on performing vegetation inspections for properties in fire zone 2 and 3. They are also looking at transitioning the inspection from paper to mobile technology, re-tooling the re-inspection, citation, and violation process. The Department has also expanded its traditional hazardous fire area program to include all properties in fire zones 2 and 3.
 - Update: No New Updates

- **Emergency Medical Technician (EMT) and Paramedic Recruitment – Single Function Job Classifications & Recruitment:**
 - The Division has worked collaboratively with Local 1227 and Human Resources to draft single function EMT and Paramedic Job Classifications which were approved with elation at the December Personnel Board meeting and were approved by the City Council on January 18th, 2022.
 - Update: No New Updates

- **Fire Facilities Master Plan (FMP):** Berkeley Fire Department stations are undersized, in poor condition and in need of remodels or replacement. The Department initiated a long-term replacement planning process to better understand infrastructure needs. This process will provide the City leaders of today and tomorrow with actionable information ahead of future infrastructure bond measures.
 - Update: Will have a Closed Work Session with City Council to deliver a mid-project report in late August/early September after Council Recess.

- **Dispatch Study:** Our goal, per Council direction is to enhance the dispatch center so it can triage calls, divert non-emergency calls (including mental health calls) to appropriate resources like the SCU; and provide emergency medical instructions to callers.
 - Status: No New Updates

- **Recruitments:**
 - Shift Fire Inspector Recruitment –These are filled by existing fire department personnel and are used to assist with fire investigations and other inspection related activities in the built environment.
 - Update: In-service training is scheduled for July.
 - Sworn Fire Inspector Recruitment – Recruitment is on-going.
 - Update: No New Updates

- **Division of Training Property** – The Department is actively engaged to find a piece of property that will meet the City’s needs for the training and development of its emergency responders and support staff. Due to zoning, the cost of property and the proximity of residential units to most property in Berkeley, this location will likely be outside the City proper. This presents exciting opportunities for regional collaboration with other fire departments and a community college district.

- Update: As we move forward with recognizing a property, we will be working with involved agencies to do a joint presentation to all of those city's elected officials.

ii. Implementation & Metrics

- **Outdoor Warning System** – Site updates

1. Zaytuna College – 2401 LeConte Ave (roof mount) – in permitting with edits required for building and property footprint and separations, site plan, calculations, framing plan and structural details loads
2. City Hall – 2180 Milvia Street (roof mount) in permitting with edits required for framing plan.
3. Harbor Watch Tower – 125 University Ave. in permitting with edits required for building and property footprint, separation distances, and calculations.
4. Berkeley Animal Care – 1 Bolivar Drive (roof mount) in permitting with edits required for framing plan.
5. Fire Station # 7 – 3000 Shasta Road (wall mount) in permitting with edits required for building and property footprint, separation distances, and elevation drawing.

iii. RFP Updates

Vegetation Management Inspections – Annuitants
--

2. Measure GG Monthly Report –
 - a. Budget Overview – No Update
 - b. Emergency Services Coordinator Position

- i. The OES Division has hired for the open Emergency Services Coordinator. Leah Greenbaum will start on July 18th.

3. Department Activities

- a. One of the biggest news we have to report came up suddenly. Fire Chief Abe Roman is retiring from the City of Berkeley and has accepted a position with the San Rafael Fire Department. We are sad to see him leave the City, but recognize his difficult decision to do what he feels is right for his family.

Dave Sprague will be the Interim Fire Chief and Keith May will be the Interim Deputy Chief. The command team has been well positioned by Chief Roman to succeed. During the last two years, did a lot to flatten the organization, create transparency within the command group, and push information and decision making out and down. This has created a situation where one person’s departure – even an essential one – can be absorbed by the remaining personnel with little lost in transition.

- b. On May 24th, Fire Academy Class 111th will be graduating. Graduation will occur at Urban Adamah, 1151 Sixth Street in Berkeley.
- c. Grants – No new update.

4. Safe Passage

- Update: We have been working with Transportation and Traffic to repaint existing red curbs and replacing “no parking signs” that have faded as well as painting red in front of hydrants.

Disaster and Fire Safety Commission

CALENDAR –Action or Consent
(Meeting Date – mm, dd, yyyy)

June 15, 2022

To: Honorable Mayor and Members of the City Council

From: Disaster and Fire Safety Commission

Re: Red Curb and Visible Signage

Recommendation

The Disaster and Fire Safety Commission (“Commission” or “DFSC”) respectfully requests that the City Manager take the following actions in preparation for what could be a historic drought and fire season:

1. Fix, update, and confirm all parking restriction signage around districts 2 and 3;
2. Red curb all fire hydrant areas to the maximum allowable by law;
3. Direct the Fire Department and public works to identify areas that could be pinch points for fire trucks to travel and red curb

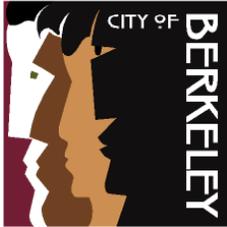

The Commission would like to continue enforcement of existing code and processes. In this case, the Commission believes that is important for all city residents to understand restrictions (items 1 & 2). And with item 3, understand the importance of not impinging on fire hydrants and allowing for the Fire Department to execute their duties most effectively in case of fire and other emergencies.

FISCAL IMPACTS OF RECOMMENDATION

The Commission is not privy to the budget from Public Works and other departments but it could be part of an existing planned update / rollout. With the increasing fire danger, we ask that Public Works and related departments move forward expenditures which may already be in the works. Red curbing around fire hydrants may be a cost that could be borne out using FF funds.

BACKGROUND

The City signage in the hills is in various states of disrepair. Without clear signage, there is a tendency for residents to ignore signage and park in prohibited areas. Parking in restricted areas could result in blocking fire trucks’ ability to get to an emergency and could prevent residents from egress should there be a hillside fire. While there is existing law that governs parking near hydrants, that tends to be ignored. Without ongoing sustained parking enforcement, the Commission

Disaster and Fire Safety Commission

believes it can not change existing culture. As such, red curbing to the maximum extent of the law could serve as a reminder of parking restriction and allow for the fire department to access hydrants in case of fire. Lastly, we ask for further interdepartmental discussions around pinch points for fire trucks where red curbing those pinch points would allow for fire trucks access in case of emergencies. In cases where there is no sidewalk, the edge of the asphalt could be painted to serve the same purpose.

ENVIRONMENTAL SUSTAINABILITY

There is no direct environmental impact of this recommendation.

RATIONALE FOR RECOMMENDATION

The rationale is to prepare for the possibility for fire and other emergencies, allow for ingress of Fire Department personnel, and prepare the community for a larger discussion around Safe Passages (ingress and egress in case of emergencies).

ALTERNATIVE ACTIONS CONSIDERED

There is no alternative to existing signage other than a delayed expenditure of existing infrastructure. Not red curbing the areas around the fire hydrants and focusing on parking enforcement is another possible approach, but would require severely increased parking enforcement which is yet to be approved. There are no alternatives to identifying pinch points that would effectively allow for Fire Department ingress in all instances..

Disaster and Fire Safety Commission

CITY MANAGER

The City Manager [TYPE ONE] concurs with / takes no position on the content and recommendations of the Commission's Report. [OR] Refer to the budget process.

Note: If the City Manager does not (a) concur, (b) takes any other position, or (c) refer to the budget process, a council action report must be prepared. Indicate under the CITY

MANAGER heading, "See companion report." Any time a companion report is submitted, both the commission report AND the companion report are Action reports.
