

Fair and Impartial Policing Task Force Recommendations - Berkeley Police Department Implementation Progress to Date
Dated: May 21, 2021

Recommendation	Status	Estimated completion Date
Focusing the basis for traffic stops on safety and not just low-level offenses & Minimize or de-emphasize as a lowest priority, stops for low-level offenses	In Progress (defining and identifying low level offenses)	Fall 2021
Reaffirming and clarifying that the Berkeley Police Department will use a clear, evidence-based definition for stops of criminal suspects.	In Progress (developing systems)	TBD
Reaffirming and clarifying that the Berkeley Police Department will only use race and ethnicity as determining factors in stops only when paired with clear, evidence-based criteria.	Completed	Existing policies in place
Refer amendments to existing BPD policy and the creation of an Early Intervention System (EIS) related to traffic, bike and pedestrian stops	In Progress (internal review and training)	August 2021
Adopt a policy to require written consent for all vehicle and residence searches and update the consent search form in alignment with best practice and community feedback;	In Progress (internal review and training)	August 2021
Limit warrantless searches of individuals on supervised release status such as Post Release Community Supervision (PRCS), probation, or parole	Completed	February 2021
Address Profiling by Proxy (PAB Policy Development, Dispatcher Training)	Completed	February 2021
Fire racist police officers identified through social media and other media screens	Completed	Existing policies in place
Require regular analysis of BPD stop, search, and use of force data;	Partially completed (expanding open data portal)	Fall/Winter 2021
Make resources on police-civilian encounters more publicly available	In progress (updating website and QR code)	June 2021
For any individual detained, BPD officers shall provide a business card with information on the commendation and complaint process with the Police Accountability Board and the Berkeley Police Department, Internal Affairs Bureau.	Partially completed (cards issued, policy being updated)	June 2021

The Berkeley Police Department is committed to continued collaboration with the FIP Task Force as we move towards full implementation.
