Hi Anne,

Please circulate this message to my fellow Planning Commission members, at your convenience. If you think it would be appropriate to read this at the Feb 7 meeting, please feel free to do so.

Dear Planning Commissioners

I wanted to let you know that I will miss the February 7, 2024 Planning Commission meeting. I have an all-day and into-the-evening event for my day job that same day in Daly City; I'm co-facilitating a workshop for school districts interested in building affordable workforce housing for their employees. This conversation is very much in line with our Feb 7 focus: Middle Housing. I think our Middle Housing ordinance work has been very good and look forward to seeing the action PC takes in my absence. I do hope that Middle Housing and the Demo Ordinance can go to Council soon for consideration - they are intricately connected and, in my view, good policy.

The Feb 7 meeting is also our annual commission election. I am grateful to be nominated for chair. As chair I have aimed for keeping the discussions focused, making sure everyone is heard and understood, and getting us to a timely action on each agenda item. I'd be honored to serve again as chair for this coming year.

Thanks for your consideration and I apologize for not being in attendance. Thank you to Vice Chair Ghosh for filling in and running the meeting.

Best,
Jeff Vincent
Chair, City of Berkeley Planning Commission
