1. Call to Order 6:30 p.m.
2. Roll Call.
3. Land Acknowledgement: The City of Berkeley recognizes that the community we live in was built on the territory of xučyun (Huchiun (Hooch-yoon)), the ancestral and unceded land of the Chochenyo (Cho-chen-yo)-speaking Ohlone (Oh-low-nee) people, the ancestors and descendants of the sovereign Verona Band of Alameda County. This land was and continues to be of great importance to all of the Ohlone Tribes and descendants of the Verona Band. As we begin our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the documented 5,000-year history of a vibrant community at the West Berkeley Shellmound, and the Ohlone people who continue to reside in the East Bay. We recognize that Berkeley's residents have and continue to benefit from the use and occupation of this unceded stolen land since the City of Berkeley's incorporation in 1878. As stewards of the laws regulating the City of Berkeley, it is not only vital that we recognize the history of this land, but also recognize that the Ohlone people are present members of Berkeley and other East Bay communities today. The City of Berkeley will continue to build relationships with the

Lisjan Tribe and to create meaningful actions that uphold the intention of this land acknowledgement.

**Fair Campaign Practices Commission**

Date: September 3, 2024  
To: Fair Campaign Practices Commission  
From: Lauren Packard, Acting Secretary  
**Subject: Complaint re Ruben Hernandez Story for Council 2024**

At its June 20, 2024 meeting, the Commission considered the attached complaint (“Complaint”) (Attachment 1) alleging violations of the Berkeley Election Reform Act (“BERA”) (BMC Ch. 2.12) by the campaign committee Ruben Hernandez Story for Council 2024 (“Committee”).

The Complaint alleges that the Committee failed to report expenditures for a mass text, campaign website hosting fees, and payment to four campaign staff on its campaign statement (Form 460) covering the period from January 1, 2024 to April 13, 2024. Additionally, the Complaint asserts that the mass text advertisement failed to include “FPPC information / a ‘Paid for by’ disclaimer.”

The Committee provided a response (“Response”) on June 18, 2024. (Attachment 2.) The Committee noted that it hired a consulting firm which paid sub-vendors to engage in campaign advertising. The Committee also provided follow up responses on August 15, 2024 (“Second Response,” Attachment 7) and August 22-26, 2024 (“Third Response,” Attachment 8). The Committee stated it had paid four individuals when they submitted invoices at the conclusion of the campaign.

As discussed below, staff believe probable cause exists that the Committee failed to timely report expenditures for mass texts and campaign website hosting fees and staff payments.

**Staff Investigation of Allegations**

**1. Text and Website Expenditures**

The Complaint alleges that the Committee failed to report expenditures for mass texts and campaign website hosting fees.

In its Response, the Committee stated that it hired Calmetrics Consulting (“Calmetrics”) to perform campaign advertising services. (See Attachment 2.) The Committee states that, starting March 21, 2024, Calmetrics hired sub-vendors as part of that work. The Committee states that the bill from Calmetrics for those services was not received by the Committee until May 1, 2024. The Committee’s original campaign statement for January 1, 2024 to April 13, 2024 does not list any payment to Calmetrics. (See

Attachment 3, Schedule E.) On May 13, 2024, the Committee filed an amendment to its campaign statement for January 1, 2024 to April 13, 2024. (Attachment 4.) In that amendment, the Committee included the payments made by Calmetrics to the sub-vendors. (Attachment 4, Schedule G; Response, Attachment 2.) The Committee reported the payment to Calmetrics on its campaign statement for the period from April 14, 2024 to May 11, 2024, which was filed on May 16, 2024. (See Attachment 5.)

The Committee also stated that expenditure for website services were billed to the Committee after May 28, 2024 and would be reported on a subsequent campaign statement. The Committee's semi-annual campaign statement for January 1, 2024 to June 30, 2024 includes a expenditure coded as "WEB", which generally refers information technology costs, including internet and email services, for \$4,000 to Ben Gould Consulting. (See Attachment 6.) It is possible that this expenditure accounts for the Committee's website costs. Presumably, the Committee's campaign website was active in the weeks prior to the May 28, 2024 election date.

The Berkeley Election Reform Act ("BERA") requires that each campaign statement filed by a campaign committee include, among other things, "the total amount of expenditures disbursed during the period covered by the campaign statement to persons who have received fifty dollars or more."<sup>1</sup> (BMC § 2.12.280.D.) The campaign statement must also include

The full name and street address of each person to whom an expenditure or expenditures totalling fifty dollars or more has been made, together with the amount of each separate expenditure to each person during the period covered by the campaign statement; a brief description of the consideration for which the expenditure was made; the full name and street address of the person providing the consideration for which an expenditure was made if different from the payee; and in the case of committees which are listed, the full name and street address of the treasurer of the committee (BMC § 2.12.280.H.)

BERA defines an "expenditure" as

a payment, pledge or promise of payment of money or anything of value or other obligation, whether or not legally enforceable, for goods, materials, services or facilities in aid of or in opposition to the nomination or election of one or more candidates or the qualification for the ballot or adoption of one or more measures. (BMC § 2.12.130.)

State law provides that "An expenditure is made on the date the payment is made or on the date consideration, if any, is received, whichever is earlier." (Gov. Code § 82025(a).)

---

<sup>1</sup> BERA also requires disclosure of the total amount of expenditures disbursed during the reporting period to persons who received less than fifty dollars. (BMC § 2.12.280.E.)

The California Fair Political Practices Commission's ("FPPC") campaign disclosure manual for local candidates provides the following guidance:

An expenditure is "made" on the date the payment is made or the date the committee receives the goods or services, whichever is earlier. Use Schedule F to report amounts owed by the committee for goods or services received but not paid for by the end of the reporting period.

(FPPC, Local Candidates, Superior Court Judges, Their Controlled Committees, and Primarily Formed Committees for Local Candidates Campaign Disclosure Manual 2, Chapter 9, page 44.)

Although BERA does not explicitly provide that an expenditure is made on the date the service is performed, the inclusion in the BERA definition of "expenditure" of a "promise of payment . . . for goods, materials, services or facilities" is best read to include instances where a service has been performed based on a contractual agreement between a committee and vendor, and thus payment is owed, even if the vendor has not yet issued an invoice for that service.

As a result, the Committee was obligated to report the services provided to the Committee at the time the service was provided and not wait until an invoice was issued. The expenses should have been reported as "accrued expense" on Schedule F. Once actual payment is made for those expenses, the payment is reported on Schedule E as a "payment made."

Staff therefore recommend that the Commission make a finding that probable cause exists to believe that the Committee violated BERA by failing to properly report accrued but unpaid campaign expenses.

Pursuant to section VI.A.2 of the Commission's Procedures, the Secretary shall provide "an analysis of the harm done by the alleged violation." Failure to disclose a number of expenses at the time they were accrued resulted in the public being deprived of timely information about the Committee's campaign activities. However, it appears that most of these expenses were ultimately reported by the Committee before the election on subsequent statements and, in the case of payments to sub-vendors, in the amendment to the campaign statement for January 1, 2024 – April 13, 2024.

## **2. Payments to Campaign Staff**

The Complaint further states that four campaign staff were paid by the Committee for which no report is made. In support of this assertion, the Complaint includes a questionnaire completed by the candidate for East Bay Young Democrats (EBYD), which includes the following question and answer:

What percentage of your paid staff on your campaign are between the ages of 14 and 35?

75% (3 out of 4)

In its Second Response, the Committee first stated that it paid two staffers at the conclusion of the campaign, when they submitted invoices: Ben Gould and Dyana Delphin-Polk (sic). (See Attachment 7). These payments are reflected in its semi-annual campaign statement for January 1, 2024 to June 30, 2024. (See Attachment 6, Schedule E.) Then, after staff inquired about the remaining two individuals whom the candidate mentioned in the EBYD questionnaire, the Committee stated in its Third Response that it paid four staffers for specific services at the conclusion of the campaign, when they submitted invoices: Ben Gould, Eric Panzer, Carlo David, and Dyana Delfin Polk (sic). (See Attachment 8). The Committee's reports list payments to Ben Gould Consulting and Panzer Photography, and direct payments to individuals Miguel Carlo G. David and Dyana Delphin-Polk (sic). (See Attachment 6, Schedule E.) The Committee's Third Response states that these entries reflect payments to campaign staff and not outside consultants. (See Attachment 8).

For the reasons discussed above, the Committee was obligated to report the services provided to the Committee at the time the service was provided and not wait until an invoice was issued. The expenses should have been reported as "accrued expense" on Schedule F. Once actual payment is made for those expenses, the payment is reported on Schedule E as a "payment made."

Staff therefore recommend that the Commission make a finding that probable cause exists to believe that the Committee violated BERA by failing to properly report accrued but unpaid staffing expenses.

Pursuant to section VI.A.2 of the Commission's Procedures, the Secretary shall provide "an analysis of the harm done by the alleged violation." Failure to disclose a number of expenses at the time they were accrued resulted in the public being deprived of timely information about the Committee's campaign activities. However, it appears that these expenses were ultimately reported by the Committee after the election in the campaign statement for January 1, 2024 – June 30, 2024.

### **3. Text Message Disclaimer**

The Complaint states that a text message advertisement sent by the Committee "did not include FPPC information/ a "Paid for by" disclaimer." (Attachment 1.) The text screenshot provided in the Complaint includes the following language: "This is Henry w/Ruben Hernandez Story for Berkeley City Council."

The California Political Reform Act provides that text message advertisements from candidate committees may comply with disclaimer requirement by using the following language: "(Name of individual) with (name of candidate) for (name of elective office)." (Gov. Code § 84504.7.) This language "may appear anywhere in the text message, including in conversational content, and need not appear as a separate statement apart from the other content of the message." (Gov. Code § 84504.7.)

The language in the Committee's text message appears to comply with the applicable state law requirements. Staff do not believe there is a reason to believe the text message violates BERA.

## **FCPC Procedures for Probable Cause Findings**

Pursuant to the Commission's Procedures, "Probable cause exists when based on the circumstances presented there is a reasonable basis on which to believe that a violation of the BERA has occurred." (FCPC Procedures § VI.B.2.) As discussed above, staff conclude that there is a reasonable basis to believe that the Committee violated BERA by failing to timely report campaign expenses and payments to four campaign staff.

If the Commission accepts the Secretary's recommendation and makes a finding of probable cause, the Commission may take any of the following courses of action:

- a. Dismiss the complaint, where appropriate, and take no further action.
- b. Request the Secretary conduct further investigation, including an audit of campaign records;
- c. Require the timely filing of campaign statements and/or amendments to campaign statements;
- d. Invite the respondent Campaign to participate in settlement negotiations.
- e. Schedule and conduct a hearing pursuant to Section 2.12.230 of BERA.<sup>2</sup>

<sup>2</sup> BMC § 2.12.230: After the commission determines there is probable cause for believing that a provision of this chapter has been violated and makes a good faith effort to give reasonable notice to the person or persons involved in the allegation, it may hold a hearing to determine if a violation has occurred, and may determine an appropriate remedy if a violation is found. The hearing pursuant to this section shall be conducted in an impartial manner, consistent with the requirements of due process. A record shall be maintained of the proceedings, and a report summarizing the facts, issues, and any remedial actions shall be issued by the commission following the conclusion of the hearing.

The commission shall conduct such hearings and proceedings with respect to determinations of probable cause pursuant to adopted procedures. All interested persons may participate in the hearing.

Ruben Hernandez Story for Council 2024

Clear, concise and accurate statement of the facts that constitute the violation of BERA.  
If additional space is needed, you may attach additional pages:

As an area resident, I was curious to review Ruben’s election committee filed its April 17th 2024 Form 460 which is seemingly without reporting of what appear to be significant expenses, listing only campaign signs, ActBlue & Credit Card fees, and the state & local filing fees.

Evidently left out items include a mass text (seemingly directly from the campaign which have reached a number of my personal acquaintances in the district) which did not include FPPC information/a ”Paid for by” disclaimer and which does not appear in the 460 as an expense either through a service or third party vendor, and hosting fees for the campaign website <https://www.ruben4berkeley.com/> (which includes a standard “paid for by” disclaimer- Paid for by Ruben Hernandez Story for Council 2024, FPPC ID # 1467466

Copyright © 2024, All rights reserved.) Also seemingly missing are fees for the 4 staff members, (if paid as the answer seems to suggest) mentioned in questionnaires such as this one at <https://t.ly/k4Bf7> including/as well as the Campaign Manager, Treasurer, and Consultant listed.

If these are oversights, they should be correctable, but if paid for by personal funds or third parties, I believe this would constitute a violation of both 460 filing requirements and rules of the financing program, giving a significant advantage to Ruben Hernandez

Story's campaign over those which are adhering to BERA.

## Experience and Priorities

Why are you running? \*

As a Mexican immigrant and first-generation college graduate who grew up in Section 8 housing, I know firsthand the kinds of sacrifices working people have to make to support themselves and their families. I am committed to redressing the historic harm done to marginalized communities and ensuring that the City of Berkeley and our partner institutions are accountable for uplifting and supporting the workers whose labor keeps them afloat. As a public servant, organizer, and leader with over eight years of experience at the state and local level, I am best positioned to build the coalitions and consensus necessary to advance the Berkeley City Council's legacy of pragmatic, progressive policies and reforms. My desire to continue serving the community that has welcomed me and my fiancée with open arms is what is driving this campaign. I care about my neighbors and I care about the community I have called home for the last six years. I have the experience necessary to make the right decisions and the ability to bring people together amidst divides on our council, decisions rooted in ensuring that our District 4 neighbors are heard and represented well. I will fight to address the housing supply and affordability crisis and protect renters like me, reduce our greenhouse gas emissions through a climate and mobility justice lens, strengthen community policing, accountability, and non-police intervention so that our officers can focus on addressing violent crimes and thefts, provide compassionate care for our unsheltered neighbors - not criminalize them, revitalize our Downtown and invest in our restaurants, nightlife, arts, and cultural programming while ensuring worker protections and economic mobility, and work transparently with city staff to balance our workload and diversify and increase our revenue sources.

**Why are you seeking our endorsement? \***

When I moved to Berkeley in 2018, one of the first things I did was look up “young Democrats”, and the East Bay Young Democrats showed up on my feed. I went to the next meeting - and the rest was history. I am proud to be a long-time member and board member, especially now that I have the honor of serving as president. My entire California history (and future) is tied to EBYD and the amazing community it has provided. I am seeking EBYD’s endorsement not only because I am an active member, but because I strongly believe in the power and voice of young people to shape not only our future, but our present. We have to deal with the consequences of today, tomorrow, and we are owed more than lip service. As the largest young Democrat organization in the East Bay, and one of the largest Young Democrat organizations in the region and statewide, EBYD helps to shape policies and hold our elected leaders accountable. I would be honored to earn EBYD’s endorsement and bring them to the table and beyond at Berkeley City Hall.

**What have you done to empower young people (age 14-35)? \***

As a long-time active member of EBYD, the Latine Young Democrats of the East Bay, and the California Young Democrats, I have been involved in various meetings, events, and initiatives that have helped not only connect our members with elected officials and other decision makers, but give them a voice at the table. We have endorsed and volunteered for candidates that fight for us and supported state and local legislation that addresses our pressing issues through letters of support, phonebanking, canvassing, and more. In my time with EBYD, we have been a strong and diverse group that has created spaces for members of varying levels of political involvement to gain the knowledge and toolset they need to stay engaged with what is going on in our region and state. In my day jobs working at the state and local government levels as a legislative assistant, I have helped provide the perspective of young people by ensuring that political and nonpartisan youth organizations are providing their input on legislation or ordinances our offices work on as well as our interns. I look forward to continuing to do so on council with legislative aides that also reflect the youth perspective that has shaped me into the individual I am today.

Please provide examples of projects, votes, or propositions through which you have supported/led young people. \*

In EBYD and LYDEB, I have served in various capacities, including president, policy director, communications director, and more. Whether presiding over meetings, ensuring that fellow board members views and perspectives are heard and that we are sharing the workload, researching and gathering data on legislation and candidates for our endorsement consideration, or compiling our messages and stories for our newsletter and social media accounts, I have spent the last six years in leadership positions supporting and leading young people, while also being supported and led by young people myself. In my day jobs, I have also led interns and supported them by giving them the space to grow into their roles while ensuring that their internship goals were being met. A lot of the work that I have worked on over the last eight years as a legislative aide has had direct impacts on young people - a Berkeley Green New Deal, bus, cycling, and pedestrian improvements, increasing the housing supply and affordability, economic recovery, and more. Anything I work on is largely done through the eyes of how it particularly impacts young people, especially those younger than me. We need to invest in a pipeline of young leadership and look out for future generations, always.

---

What do you think are the top three issues impacting young people (age 14-35) that are relevant to the office you are seeking? (please rank in order of priority) \*

- Housing affordability and stability
  - Climate and mobility justice
  - Equitable economic recovery
-

For each of the three issues listed above, what is a policy you would propose to address that issue? \*

I will invest in the city's affordable housing trust fund, rental assistance, eviction protection, and ownership opportunities, work to streamline the permitting process for new homes being built, including ADUs, tiny homes, and middle housing, and advance innovative solutions like the city's social housing pilot and housing preference policy to redress the displacement of low-income households of color. I believe a housing-first approach is critical to serving our unhoused neighbors. I will invest in rapid rehousing services, transitional housing, and permanent supportive housing for individuals with severe mental health needs, as demonstrated by the Hope Center on Berkeley Way.

I will support transit-first policies and infrastructure, such as bicycle and pedestrian safety improvements, bus rapid transit, pedestrian plazas, bringing the Berkeley ferry online, and expanding access to electric micro-mobility options for low-income residents such as e-bike rebate programs and subsidized bike share and transit passes for residents in transit-oriented multifamily buildings. I will support transit oriented development. Building more housing near jobs, transit, and amenities feeds three birds with one stone: it improves housing availability and affordability, it reduces traffic into Berkeley, and it lowers emissions. I will work to update our natural gas prohibition and energy efficiency standards to advance building decarbonization and increase our investment in ongoing zero waste strategies, such as compost bins for retailers and multifamily apartment buildings.

I will support our arts, culture, hospitality, restaurants, and nightlife by improving safety and transit access to enable more late-night dining and entertainment in our downtown business district. I will work with business groups, community nonprofits, and the UC to attract new and retain legacy businesses. I will support adaptive reuse of underutilized commercial buildings and improve staffing and streamlining to speed up permitting for new small, local businesses. I will support the right to organize for all workers and workplace and hazard protections. I will support apprenticeships, health care, labor standards, and project labor agreements.

How would you address the obstacles (political, budgetary, etc.) that you would need to overcome to implement the policies you proposed? Please be reasonably specific; a plan with no real prospect of enactment does little to help young people (age 14-35). \*

I will support replenishing the City's Reserve Fund and expanding and diversifying citywide revenue sources to pay for existing and future programs and provide resilience in the face of economic changes. I will work with the City Manager and City Auditor to identify cost savings opportunities without reducing services, such as updating technology to streamline operations and service delivery. I will ensure an orderly and transparent annual budget process to enable community input on City priorities and focus resources on critical operations. My goal will be to bring a voice to the council that is both progressive and pragmatic and that is going to uplift all voices in the District, including if we are initially on opposing sides of an issue, in order to ensure that everyone is heard in the decision making process. I will work diligently to have a constant stream of communication with residents via my newsletter, social media accounts, meetings, and community conversations, including with community leaders, organizations, and unions, in order to ensure that all perspectives are heard, validated, and used to make final decisions. Another goal will be to be mindful of city staff capacity when it comes to passing too many referrals that end up in a giant backlog while we are understaffed as well as being mindful of how elected officials and management treat staff and holding each other accountable when mistreatment occurs. I will also promote opportunities to work at the City of Berkeley through my newsletter, social media accounts, and communications with constituents.

## Biography

Please enter your biography here. \*

I was born in Mexico and raised in South Texas by a single mother in Section 8 housing along with my two siblings. Watching my mother struggle to make ends meet as a teacher's assistant making minimum wage taught me the importance of hard work and education from a young age. After graduating in the top 10 of my high school, I was the first in my family to graduate from college, earning a degree in International Relations and Diplomacy from the Ohio State University. Since graduating, I have been committed to public service, working to ensure that disadvantaged communities receive the support they need. I have worked in the offices of U.S. Senator Sherrod Brown, Ohio State Senator Cecil Thomas, Richmond Mayor Tom Butt, and Berkeley Councilmember Terry Taplin, where I currently serve as his chief of staff. I have worked to advance initiatives on gun violence prevention and criminal justice reform, creating housing near BART stations, developing a West Berkeley Green New Deal, expanding bus and ferry service alongside electric vehicle charging, and improving safety for pedestrians and cyclists. After moving to Berkeley in 2018, I became deeply involved in the community. In addition to my work in Berkeley City Hall, I serve as president of the East Bay Young Democrats and as immediate past president of the Latine Young Democrats of the East Bay, where I have helped uplift voices of young people and people of color and give them a seat at the table. My fiancée, Sierra, and I have set down roots in District 4 with our cats Mango and Horchata. In my free time, I love to dine at local restaurants, visit museums and art exhibits, attend musical performances, hike at state and national parks, walk around town, and enjoy various films and tv series.

Dear Mr. Harvey and the Fair Campaign Practices Commission,

This is a response to the complaint filed to the Berkeley Fair Practices Commission regarding certain expenditures and disclosures by the Story Campaign for District 4.

The Story campaign did hire a communications consultant, Calmetrics Consulting, who engaged third party vendors to message voters. The initial invoice for those services was not received by the campaign until May 1, 2024, after the April 13 deadline for the first Form 460. Starting March 21 Calmetrics did engage third party vendors and billed our campaign for reimbursement on May 1. On 5/13/2024 the Story campaign filed an amendment 460 to include a Schedule G which reflected those third party vendors. (See attachment). The subsequent 460 filing for 4/14/24 through 5/11/24 reflects the campaigns payment to Calmetrics Consultants on May 2, 2024.

The following services were billed to the campaign after May 28 and will be reflected in the termination 460 which will be filed with the City next week:

- Campaign Management
- Photography
- Graphic Arts
- Web Development

My services were donated.

At no time were any personal funds loaned or spent by the candidate.

If you have any other questions please do not hesitate to contact me. Please know that I will be out of town and unavailable June 28 through July 10.

Thank you.

Jill Martinucci, Treasurer

Hi Lauren,

Thank you for your questions.

Yes, the Ruben Story Hernandez for City Council 2024 (Committee) has paid both of its staff members. They submitted invoices after the 5/28/24 Election Day. The payments were made by checks drawn from the campaign's bank account. Below are their names, title, amount of payment, date payment was made and check number. (I donated my time as campaign treasurer.)

Name	Title	Payment	Date	Check Number
Ben Gould	Consultant	\$4,000.00	6/10/2024	1001
Dyana Delphin-Polk	Campaign Manager	\$8,000.00	6/10/2024	1003

Most of the information you requested was in the semi-annual campaign filing submitted on 7/22/24 (attached). All final payments to vendors and outside consultants are listed in the campaign filing. It also includes the 6/27/24 reimbursement made to the City of Berkeley of the excess public financing campaign funds (pg 9).

Please note that the campaign committee was terminated 7/29/2024 with the filing made on 7/31/24.

Please let me know if you need more information.

**Subject:** Re: Follow up - Complaint re: Ruben Hernandez Story for Council 2024

Dear Lauren,

I have been out of town this past week so am weighing in now.

First, the complaint against the campaign suggested that “staff people” were being paid outside the confines of reportable campaign finances. That did not happen.

At the time Ruben completed the EBYD form, the campaign’s perspective was that certain people working on the campaign would be compensated at the end. Casually they were "paid staff". When invoices were submitted to me at the end of the campaign, I, as campaign treasurer, paid individuals for the specific services they identified in their invoices, not as “SAL Campaign Workers Salaries” in Netfile.

Those individuals, paid at the end of the campaign, were:

Ben Gould, Information Technology  
Eric Panzer, Professional Services, Photography  
Carlo David, Campaign Literature, Graphic Design  
Dyana Delfin Polk, Campaign Management

This has all been disclosed in the campaign filings. There were no other paid individuals. Note: Alejandro Galicia Cervantes does not fall into this category as he represented Calmetrics who acted as a vendor, hiring sub vendors (see Schedule G from the amended 460 for 1/1/24 - 4/13/24 filed on 5/13/24). Calmetrics was responsible for voter data and text messaging, submitting the first invoice to the campaign on May1. Their bill was paid on May 2.

I take full responsibility for any confusion about who was “staff” and who was providing specific services. But this complaint was filed in mid April. The concerns of the complaint were addressed in the amended filing referenced above.

I am more than happy to meet with you, to share invoices, bank transactions and any other documentation you would like. As Dyana said, we would all like to put this issue to bed.

Thank you.

Jill Martinucci

Good afternoon,

I will add in: it is very typical for campaign staff to bill the client at the end of the campaign, and especially in this case as it was a special election that shortened the time frame of a typically 6-9 month campaign timeframe down to less than 3 months. I've worked on dozens of races in Berkeley, Oakland, SF, Marin County and West Contra Costa County over the last 15 years that I've been running campaigns and I have worked with dozens of consultants who very often bill the client at various times throughout the campaign. including at the conclusion. In my professional opinion, the complaint against Ruben's campaign is thin, and is based on one endorsement questionnaire from a club based in Oakland, not Berkeley, and should be seen as a picture in time, not as any sort of legal document. In other words, at the time of Ruben applying for the EBYD endorsement, that was the staff he had at the time. In addition, we do not ask staff members their age when they join the campaign and whatever was included in the EBYD questionnaire was an estimation. Correct me if I'm wrong, but it is against HR practice to ask any staff member their age. Alejandro Gacilia Cervantes was paid timely as was reported because his role was to run our digital field program (which includes texting, which included the proper legal disclosure language) and he was reimbursed for his expenses and his time appropriately, as was all of our campaign staff.

Lastly, I understand that this complaint was first filed against our campaign in April, well before the conclusion of the campaign on May 28 and per Berkeley election rules, we had 30 days in which to pay vendors and close the campaign committee, which we did. I do not see why Otto is continuing this complaint, other than their original intention to slow Ruben's campaign down with complaints that have no legal merit and at this point is moot since this special election ended 85 days ago.

As a professional campaign operative and as an elected official myself, I appreciate transparency as much as anyone can. Our campaign did nothing wrong, and have reported everything as required under Berkeley election law. I hope that this investigation concludes very soon and we can all move on.

Respectfully,

-Dyana Delfin Polk

Hi Lauren. The questionnaire asked for "paid" staffers and Dyana was the fourth alluded to. Jill volunteered her time, and we later ended up paying Eric. In the end, this was only one questionnaire response and is not a binding city or state document, something I wish the accusers would have taken into account but oh well.

Thank you again for your due diligence throughout all this!

Good afternoon all,

Adding my campaign manager, Dyana, who can provide more information, including who was ultimately paid and how much.

As for the EBYD questionnaire, at the time of filling it out, the 3 staffers alluded to included Ben Gould, Alejandro Galicia Cervantes, and Carlo David - all three of which were ultimately paid at the end of the cycle (when they requested the payment).

Dyana Delfín Polk and Eric Panzer were also paid, bringing the total number of staff paid to 5. This should be reflected in final or amended filing forms. I will defer to Dyana and/or Jill to confirm.

Thank you!

Hi Lauren,

Thank you for your questions.

Yes, the Ruben Story Hernandez for City Council 2024 (Committee) has paid both of its staff members. They submitted invoices after the 5/28/24 Election Day. The payments were made by checks drawn from the campaign's bank account. Below are their names, title, amount of payment, date payment was made and check number. (I donated my time as campaign treasurer.)

Name	Title	Payment	Date	Check Number
Ben Gould	Consultant	\$4,000.00	6/10/2024	1001
Dyana Delphin-Polk	Campaign Manager	\$8,000.00	6/10/2024	1003

Most of the information you requested was in the semi-annual campaign filing submitted on 7/22/24 (attached). All final payments to vendors and outside consultants are listed in the campaign filing. It also includes the 6/27/24 reimbursement made to the City of Berkeley of the excess public financing campaign funds (pg 9).

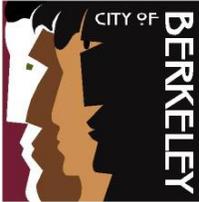

## ITEM NO. 10-ATTACHMENT 8

Please note that the campaign committee was terminated 7/29/2024  
with the filing made on 7/31/24.

Please let me know if you need more information.

Fair Campaign Practices Commission

Date: September 3, 2024  
 To: Fair Campaign Practices Commission  
 From: Lauren Packard, Acting Secretary  
**Subject: Complaint re: Friends of Adeline**

---

On August 12, 2024, the Commission received the attached complaint (“Complaint”) (Attachment 1) alleging that Friends of Adeline (“FOA”) endorsed the John “Chip” Moore for District 3 Councilmember political campaign in violation of federal regulations governing not-for-profit organizations and regulations governing recipients of City of Berkeley (“City”) funds.

The Committee provided a response (“Response”) on August 19, 2024, in which it stated that FOA is not a 501(c)(3) organization nor has it received funds from the City of Berkeley. (Attachment 2).

As discussed below, staff’s recommendation is that the Commission find there is no probable cause to further investigate this complaint.

### **Staff Investigation of Allegations**

The Complaint alleges that FOA endorsed the John “Chip” Moore for District 3 Councilmember political campaign in violation of federal regulations governing 501(c)(3) organizations.

In its Response (Attachment 2), FOA stated that it is not a registered 501(c)(3) tax-exempt organization. Staff searched the Internal Revenue Service’s Tax-Exempt Organization Database and FOA was not listed there. FOA was also not listed in the California Department of Justice Registry of Charities and Fundraisers. Furthermore, even if FOA were a 501(c)(3) organization, the City of Berkeley does not have authority to enforce Internal Revenue Service regulations governing 501(c)(3) organizations.

The Complaint also alleges that FOA endorsed the John “Chip” Moore for District 3 Councilmember political campaign in violation of City regulations governing recipients of City funds. In its Response (Attachment 2), FOA also stated that it is not the recipient of City funds. Staff searched public and internal records and did not find any evidence that FOA has received City funds. Furthermore, FOA has not cited any violations of BERA.

### **FCPC Procedures for Probable Cause Findings**

Pursuant to the Commission's Procedures, "Probable cause exists when based on the circumstances presented there is a reasonable basis on which to believe that a violation of the BERA has occurred." (FCPC Procedures § VI.B.2.) As discussed above, staff conclude that there is no reasonable basis to believe that a violation of the BERA has occurred because neither the complaint nor the staff investigation has established that FOA violated BERA.

If the Commission does not accept the Secretary's recommendation and makes a finding of probable cause, the Commission may take any of the following courses of action:

- a. Dismiss the complaint, where appropriate, and take no further action.
- b. Request the Secretary conduct further investigation, including an audit of campaign records;
- c. Require the timely filing of campaign statements and/or amendments to campaign statements;
- d. Invite the respondent Campaign to participate in settlement negotiations.
- e. Schedule and conduct a hearing pursuant to Section 2.12.230 of BERA.<sup>1</sup>

<sup>1</sup> BMC § 2.12.230: After the commission determines there is probable cause for believing that a provision of this chapter has been violated and makes a good faith effort to give reasonable notice to the person or persons involved in the allegation, it may hold a hearing to determine if a violation has occurred, and may determine an appropriate remedy if a violation is found. The hearing pursuant to this section shall be conducted in an impartial manner, consistent with the requirements of due process. A record shall be maintained of the proceedings, and a report summarizing the facts, issues, and any remedial actions shall be issued by the commission following the conclusion of the hearing.

The commission shall conduct such hearings and proceedings with respect to determinations of probable cause pursuant to adopted procedures. All interested persons may participate in the hearing.

Friends of Adeline (FOA)

Clear, concise and accurate statement of the facts that constitute the violation of BERA. If additional space is needed, you may attach additional pages:  
Friends of Adeline (FOA) is a registered 501(c)(3) nonprofit organization and a recipient of city funds. FOA is legally prohibited from participating in any political campaign activity in support of candidates for office of utmost importance as the receipt of city funds imposes further restrictions on political activity to influence elections. Despite these legal prohibitions, Friends of Adeline has publicly endorsed candidates for office. This endorsement was made public through their official campaign materials, which clearly state their support for candidates. This constitutes a serious violation of the federal regulations governing 501(c)(3) organizations. Social media images provide undeniable evidence of this endorsement. The first image features a photo of a candidate by Friends of Adeline," along with details about FOA's mission and community involvement. The second image endorsing John "Chip" Moore, outlining his involvement with the organization and his coordination with FOA. This contravene the legal stipulations that prohibit 501(c)(3) organizations from engaging in political activity for public office, FOA has violated the Berkeley Election Reform Act (BERA) and the associated regulations, undermining the integrity of the electoral process but also constitutes a significant misuse of public funds.

Fair Campaign Practices Commission

August 2, 2024

To: Donna DeDiemar, Berkeleyans for Better Planning, Fix the Streets and Sidewalks Steering Committee

From: Fair Campaign Practices Commission

**Subject: Request for opinion pursuant to Berkeley Municipal Code Section 2.12.220**

You have asked for clarification regarding how the requirements of the Berkeley Election Reform Act (“BERA”) (BMC Ch. 2.12.) apply to auctions and yard sales. We have provided guidance on the proper reporting of auctions, yard sales and similar fundraisers below.

Please note that this opinion pertains solely to the applicability of BERA to the facts provided and does not reach a conclusion on the permissibility of any action under state law.

### **Reporting Requirements for Auctions, Yard Sales and Similar Fundraisers**

Goods donated to a campaign committee to conduct a fundraiser must be reported as in-kind contributions. (BMC § 2.12.100.) BERA requires that any such in-kind contribution with a fair market value in excess of \$50 must be itemized and reported along with the contributor’s name, address, occupation and employer. (BMC §§ 2.12.250.D & 2.12.280.G.) The “fair market value” is the amount it would cost to purchase the item on the open market. (FPPC *Sepulveda* Advice Letter, No. I-89-428, note 4 (citing FPPC *McMillan* Advice Letter, No. I-86-059.) The contributor must provide the campaign treasurer with a receipt or voucher that itemizes and identifies the goods contributed and states their fair market value. (BMC § 2.12.250.D.)

In the event that a person contributes multiple goods which, though each individually \$50 or less, in the aggregate value more than \$50, the total cumulative value of the items must be reported and the contributor must provide the Committee with an itemized receipt. (Id.) The recipient committee must report the items as an itemized in-kind contribution on Schedule C of Form 460, with a general description of the items in the column labeled “Description of Goods or Services,” and include the contributor’s name, address, occupation and employer. (BMC § 2.12.280.G.) If the fair market value of the goods is \$50 or less, the fair market value of the item(s) may be included in the

Fix the Streets and Sidewalks  
Page 2 of 4

lump sum on line 2 of the Schedule C Summary and the contributor's name, address, occupation and employer do not need to be reported. (See BMC § 2.12.280.G.)

Note that if a contributor has made other contributions (either monetary or non-monetary), the cumulative total of which exceed \$50, then the in-kind contribution must be itemized on Schedule C regardless of its value. (See BMC § 2.12.280.G.)

Additionally, for any contribution valued at \$25 or more, the recipient committee must maintain records including the date and amount of the contribution, name of the contributor and type of contribution (e.g., monetary, non-monetary), as well as the cumulative amount of contributions received from the contributor. (2 Cal. Code Reg. § 18401.)

When an item is sold at the yard sale or similar fundraiser, the payment for the item is reported as a "Miscellaneous Increase to Cash" on Schedule I of Form 460 when the amount received is the fair market value of the item. For any payment of ~~\$50~~ ~~\$100~~ or more, the increase must be itemized, with the name and address of the source. Payments under ~~\$50~~ ~~\$100~~ may be included in the un-itemized lump sum on line 2 of the Schedule I Summary.

Any portion of a payment which exceeds the fair market value of the item purchased must be reported on Schedule A of Form 460 as a monetary contribution, with the remaining fair market value portion of the payment remaining on Schedule I as a miscellaneous increase to cash. For any resulting monetary contribution of \$50 or more, the committee must itemize the contribution and report the contributor's name, address, occupation and employer. (BMC § 2.12.280.G.)

The California FPPC has advised that if an item ends up selling for more or less than the fair market value the committee initially attached to the item (i.e., the amount of the in-kind contribution reported upon receipt of the item), and the committee believes in good faith that the purchase price is the "fair market value" of the item, then the committee should amend its reports to list the amount actually received for the item as the fair market value of the in-kind contribution. (FPPC *Sepulveda* Advice Letter, No. I-89-428, note 4 (citing FPPC *Moniz* Advice Letter, No. A-88-028.))

Finally, please note that committees cannot accept cash contributions of \$50 or more. (BMC § 2.12.300.) Therefore, if the purchase of an item will result in a payment of \$50 or more above the item's fair market value, the purchase must be done via written instrument such as check or credit card. Subject: Item 8 -City Council Rules of Procedure and Order Revisions September 10th meeting

To: <[council@cityofberkeley.info](mailto:council@cityofberkeley.info)>

Esteemed Mayor and Councilmembers,

Tomorrow you will consider revisions to your rules of procedure and order (Item 8 on Consent). Much work and much thought has gone into these revisions, but there are a few points on which the revisions could do a still better job of making your process accessible to public understanding.

It is disappointing that the revisions exclude items with significant impacts submitted by Charter Officers from the definition of Major Items (III.B.11., p. 13 & p.59) with the result that important information such as an outreach overview and specific outcomes and evaluation will **not** be required for far-reaching items submitted by the City Manager or other Charter Officers. It would be much better for **all** significant items to provide full information for both the public and the Council.

This would be less of a shortcoming if the Council were to accept the **recommendation of the Open Government Commission** to require materials for all items, regardless of source, be submitted sufficiently in advance of meetings for meaningful review by both the public and the Councilmembers. It is great for public access to information that supporting material for items from the Mayor, the Councilmembers and the Auditor are published with the agenda for the relevant meeting of the Agenda and Rules Policy Committee - two weeks before the Council meeting. But as things currently stand, supporting materials for agenda items brought by the City Manager are sometimes not available until

## ITEM NO. 19

the day of the meeting. Please change the language of the revisions to this section. (III.D.4.a, p. 19 & p. 66) I would suggest the following wording:

III.D.4. a) **Charter Officer Items.** Except for Continued Business and Old Business, as a condition to placing an item on the Agenda, Agenda Items from departments, including Agenda Items from commissions, shall be furnished to the City Clerk at a time established by the City Manager, **but no later than 24 hours prior to the relevant meeting of Agenda and Rules Policy Committee.**

I would also urge you not to accept a revision to III.H.4 (p. 24 & p. 76) that would allow the Agenda & Rules Committee to place items with a Negative Recommendation on the Consent Calendar. It is very confusing to members of the public when they see an item listed on the Consent Calendar, but then it does NOT pass. Please bring back this sentence from the current procedures:

The Agenda & Rules Committee may agendize the item on the Consent Calendar or Action Calendar. **Only items that receive a Positive Recommendation can be placed on the Consent Calendar.** (emphasis added)

Aside from those areas, I am enthusiastic about this set of proposed revisions.

As a member, and now Chair, of the Open Government Commission, I have followed this process closely. As an individual, I wish to thank you for including several recommendations from the Commission. These include:

- Moving items from Consent to Action if it becomes clear that it doesn't have the votes to pass. (But, see above, the revisions to III.D.4. a) will resurrect the confusion with items with a Negative Recommendation being placed on Consent.
- Endeavoring to inform meeting attendees of approximate time that high interest items will be considered and endeavoring to determine early if items will need to be postponed.
- The setting of time limits for Councilmembers during debate.
- The continuation of public access and remote participation for Council and Committee meetings.

I especially appreciate the work of Councilmember Hahn who paid close attention to every part of the document, working with the City Clerk, the City Attorney, the Mayor, and the Agenda and Rules Policy Committee to hammer out language to bring clarity, accuracy, and efficiency to your legislative process. For example, setting required and defined standards for significant agenda items (if authored by the Mayor or a Councilmemeber) will mandate clear information for major items, improve public awareness, and decrease the risk of an implementation that may bring unexpected or undesirable results. And there are numerous small changes, such as allowing the Chair to reorder the agenda without requiring a vote of the Council, that will remove unnecessary steps and will add up to making your procedures more productive.

I especially applaud the decisions made by the Council to continue virtual public participation and the changes to public comment that allow for many voices to be heard while providing guardrails to keep meetings civil and productive.

Thank you very much for your work.
