Open Government Commission

CONSENT CALENDAR
February 27, 2024

To: Honorable Mayor and Members of the City Council

From: Jim Hynes, Chair, Open Government Commission

Submitted by: Samuel Harvey, Secretary, Open Government Commission

Subject: Council Referral - Proposed Changes to Public Comment

RECOMMENDATION

City Council to review and implement suggested changes to the way public comment is given at City Council Meetings.

FISCAL IMPACTS OF RECOMMENDATION

None.

CURRENT SITUATION AND ITS EFFECTS

At the March 14, 2023 City Council meeting, the Council passed a resolution to allow two periods of public comment on Action Items and voted to “Refer the suggestions regarding improvements to the meeting process to the Agenda & Rules Committee and the Open Government Commission for consideration.” The OGC reviewed the recording of this meeting, comments sent in prior to the meeting, and comments submitted by email or in person at Commission meetings and adopted the following recommendations at its September 21, 2023 meeting.

Action: M/S/C (Blome/O'Donnell) Motion to approve report to City Council with non-substantive edits

Vote: Ayes: O'Donnell, Saginor, Blome, Isselbacher, Hernandez; Noes: none; Abstain: none; Absent: Ching, Hynes.

BACKGROUND

The City Council asked the Open Government Commission (OGC) to explore improvements to the way City Council meetings offer opportunities for public comment. The OGC agrees with the resolution passed by City Council on March 14, 2023 that added an opportunity for public comment at the start of the Action Calendar and also maintained the opportunity to comment at the time each Action Item is discussed as this allows the public to hear comments, questions, and proposed changes from City

Councilmembers before making public comment. In addition to this change, the OGC proposes the following:

A. For immediate implementation:

| Suggested Change | Intended Result |
|---|---|
| 1. Continue to allow the public to participate remotely via videoconference. | Removes barriers to participation, especially for those with disabilities. |
| 2. Enable live transcription at all committee, board, and commission meetings with a videoconference component. Configure Zoom to permit saving of the transcription by the public. | People joining remotely can better understand what is being said. |
| 3. Limit councilmember initial comments on action items to 5 minutes/person and enforce this rule. | Bring practice more into alignment with City Council Rules of Procedure, Sec. V, Procedural Matters, Sub. G, Debate Limited, limits debate on any item to 20 minutes. |
| 4. Start the Consent Calendar with an acknowledgement that consent items are important but should be ready to pass without prolonged discussion. Minimize discussion of items on the Consent Calendar. | Bring practice into alignment with City Council Rules of Procedure, Sec. IV, Conduct of Meeting, Sub. B, Consent Calendar, "It is the policy of the Council that the Mayor or Councilmembers wishing to ask questions concerning Consent Calendar items should ask questions of the contact person identified prior to the Council meeting so that the need for discussion of consent calendar items can be minimized." |
| 5. Amend City Council Rules of Procedure Section IV Conduct of Meeting, Sub B, Consent Calendar, last paragraph to add "If three or more Councilmembers object to a Consent item by expressing their intent to abstain or vote no, the item shall be moved from Consent to Action." | An item that is not going to pass does not fit the plain English definition of "consent." Such items properly belong in the Action calendar where members of the public may advocate for them and where Councilmembers may discuss their views. |
| 6. Acknowledge and verbally summarize comments received via email. | Demonstrates that the Council is receptive to written correspondence and encourages more written comments that can be read ahead of time. This would require an amendment to City Council Rules of Procedure Section IV, Sub D, Written communications. (In the future, Council could consider implementing an on-line form that would automatically summarize how many comments are for and against a given item.) |
| 7. Use Berkeley Considers more frequently, especially for controversial issues. | Provides transparency in gauging public opinion. |

| | |
|--|---|
| 8. Endeavor to inform attendees of approximate time for high interest items, e.g. "Item 32 will not be heard before 9:30." | Members of the public can determine when to join, stay, or leave in person or via zoom. |
| 9. Endeavor to determine early if an item will be postponed, e.g. at 9:30 move to continue an item, instead of waiting until 10:50. | Members of the public can determine whether to stay or leave in person or via zoom. |
| 10. Require that City Manager and staff publish supporting materials for Agenda items in advance of the Agenda Committee meeting. | Allow time for the public and the Committee to vet for completeness, give feedback, and schedule accordingly. Diminishes the need for multiple or late supplementals. |
| 11. Amend City Council Rules of Procedure Section IV Conduct of Meeting, Sub B, Consent Calendar, last paragraph as follows: Consent Calendar items will be moved to the Action Calendar if requested by three councilmembers. by the Council. Action items may be reordered at the discretion of the Chair with the consent of Council. | Reflect and formalize current practice. Allows councilmembers to respond to public requests for further consideration of an item. |

B. For further consideration and/or research:

| Suggested Change | Intended Result |
|---|---|
| 1. Schedule more meetings with fewer items on the agenda at each meeting | Members of the public would wait less long to speak on an item. |
| 2. Schedule separate meetings for items that are controversial or attract especially high public interest. | Avoid running overtime or having to continue long items. |
| 3. Have separate meetings for City department reports and/or informational items that will take longer than 20 minutes. | Agenda items at these meetings would be at a prescribed time. |
| 4. Limit to 20 minutes any City department reports included within a regular meeting. | Department reports will not prolong meetings. |
| 5. Have Special Meetings on a different day from Regular Meetings. OR | Regular Meetings can start on time and end earlier. |
| Schedule Special Meetings to have a hard stop fifteen minutes before the posted time of a Regular Meeting. | |

| | |
|--|---|
| 6. Strongly urge that supplemental materials be submitted earlier. | Allows councilmembers and the public to review materials before the meeting. |
| 7. Change the minimum amount of time for a public comment to 90 seconds, with more time if ceded by others. | Allows each speaker at minimum to express a well reasoned statement. |
| 8. After the meeting, provide a webpage link for transcriptions created by the captioners for any Council, Committee, Board or Commission meetings for which captioners were employed. | Improve access for members of the public to meetings they were unable to attend. Improves access for persons with hearing disabilities and allows keyword searching of meeting content. |
| 9. Provide virtual access to Board and Commission meetings which are now held in person. | Improve public access to these meetings. |

ALTERNATIVE ACTIONS CONSIDERED

C. Suggestions proposed, but NOT recommended by the OGC

| Suggested Change | Reason to reject |
|---|---|
| 1. Limit the number of speakers at public comment | Public comment is an integral part of our democracy. |
| 2. Make all staff presentations “pre-reads” so that Council could open with questions and then public comment | Not possible to require councilmembers and public to “pre-read.” |
| 3. Move the Consent Calendar to the end of the meeting | Moving an item from Consent to Action would require either a second Action section or deferring the item to a subsequent meeting. |
| 4. Canvass public members on which item(s) they’ve come to address and reorder agenda to place those items first. | Impractical, especially with many joining on zoom. |
| 5. Agendize items to “time certain” (a time, not just a date). | Length of items - including length of public - comment, cannot be predicted accurately |
| 6. Evaluate the provision of an additional opportunity for public comment at the beginning of the Action calendar after that practice has been in use for some time and “sunset” it | Reconsideration as needed is recommended, but not a formal evaluation. Action to discontinue changes can be taken if needed. |
| unless a decision is made to continue it. | |

| | |
|---|---|
| 7. Remove ceremonial matters from the agenda. | Ceremonial matters are a positive part of City Council Meetings and a way to acknowledge the positive things residents are doing for our community. |
| 8. Allow members of the public to move items from the consent calendar to the action calendar | The public has an opportunity during public comment to persuade three councilmembers to move an item from . the consent calendar to the action calendar. If councilmembers are not persuaded to do this, the item will fail. Especially with hybrid meetings, we have concerns that changing the current procedure could be abused. See Table A.11. |

ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

None.

RATIONALE FOR RECOMMENDATION

The two main problems these recommendations aim to address are 1) that meetings run long, often ending late at night; and 2) long wait times make it difficult for members of the public to comment on issues being discussed, especially when substantive changes are proposed at the last minute.

The OGC plans to continue monitoring the situation to evaluate whether these changes produce the desired outcome of shorter meetings and shorter wait times for the public to speak.

CITY MANAGER

The City Manager is recommending this item be referred to the Agenda & Rules Committee given their current work on similar topics.

ITEM 10

Recent activity of City Council and City Council Agenda and Rules Policy Committee in regards to public access and participation in Council meetings and legislative process - report to Open Government Commission

- Kitt Saginor, February 5, 2024

There are several changes that are under consideration or already in place that relate to the recommendations of the Open Government Commission in September and to open government.

- The set of recommendations that the Open Government Commission voted to forward in September have not been seen by the Council or Agenda and Rules Policy Committee as of this writing - February 5th.
- The Berkeley City Council Rules of Procedure and Order have been changed to specifically disallow poles or sticks and to disallow amplified sound (such as a bullhorn) in the Council meeting room.
- For public comment at the beginning of the meeting on matters not on the agenda, the Council has changed practice several times on whether comments will be heard via zoom. The Agenda and Rules Policy Committee discussed this at length and made a decision in November, but that decision has not been implemented nor rescinded.
- At a recent meeting (January 16, 2024) two items on the Council's consent calendar failed because a majority abstained. The item was not first moved to the action calendar. This practice is the subject of OGC's recommendation A.5.
- Council has on several occasions responded to persistent disruption by moving the meeting into a non-public room and continuing it on zoom without members of the public present in person. The Council received notice of possible legal action in opposition to this practice.
- Both the Council and the Agenda and Rules Policy Committee have worked on a City Council Legislative System Redesign. The redesign will change various aspects of how the public accesses and provides input to proposals that are under consideration.
- In October, City Council discussed requiring the City Manager and City Staff to adhere to the same submission deadlines and/or format requirements as councilmembers. That would implement OGC's recommendation A.10: "Require that City Manager and staff publish supporting materials for Agenda items in advance of the Agenda Committee meeting."
- There has been discussion about creating a specified role for commissions in the pre-submission process as part of the Legislative System Redesign.
- As part of the Redesign, the Council has discussed adopting significant calendar changes to align deadlines with the budget process - this would have an impact on opportunities for public comment and other aspects of public interaction with items.
- As part of the Redesign, the Council and the Agenda and Review Committee have discussed allowing city staff to clarify significant implementation questions directly with the item's author(s) after implementation, without referring the item back to Council and public scrutiny.
- The only Council Policy Committees that will hold meetings before May are Agenda and Rules and Budget and Finance. Items already referred to policy committees may be resubmitted by councilmembers and, if urgent, may be placed directly on the Council agenda without the step of being considered at a public meeting of the relevant policy committee.

Fair Campaign Practices Commission
Open Government Commission

Date: March 21, 2024

To: Fair Campaign Practices Commission and Open Government Commission

From: Sam Harvey, Secretary

Subject: Adoption of 2024 FCPC-OGC Joint Concurrent Meeting Schedule

The FCPC and OGC (“Commissions”) must set their annual meeting schedule for 2024. Traditionally, the Commissions have met in a concurrent meeting on each third Thursday of the month. Starting last year, the Commissions began meeting at 6:30 p.m. rather than 6 p.m.

At the January 18, 2024 meeting, the Commissions discussed the possibility of moving recurring regular meetings to the first Thursday of each month. In July, the first Thursday falls on Independence Day. The Commissions could call a special meeting or set an alternative date for July.

In recent years, the Commissions have not had a regular meeting scheduled in August or December, consistent with the City Council’s recess schedule. This practice is continued in the proposed schedule below. The Commissions may need to schedule additional meetings as needed throughout the year.

The Commission Secretary has generated the following proposed schedules for the remainder of the year, which the Commissions should feel free to adjust as they see fit:

| <i>3rd Thursday</i> | <i>1st Thursday</i> |
|---|---|
| <ul style="list-style-type: none"> ▪ Thursday, April 18 ▪ Thursday, May 16 ▪ Thursday, June 20 ▪ Thursday, July 18 ▪ Thursday, September 19 ▪ Thursday, October 17 ▪ Thursday, November 21 ▪ Thursday, January 16, 2025 | <ul style="list-style-type: none"> ▪ Thursday, April 4 ▪ Thursday, May 2 ▪ Thursday, June 6 ▪ Thursday July 4* ▪ Thursday, September 5 ▪ Thursday, October 3 ▪ Thursday, November 7 ▪ Thursday, January 2, 2025 |

*City holiday. Commissions can choose alternate date or set special meeting.

All meetings to begin at 6:30 p.m.
